JUNE 2021

Happy June my
 Brothers and Sis-
 ters!

This last month
 has been busy.
 Between Lodge
 meetings, events,

the State Association annual meet-
 ing, District Deputy Clinic, and the
 lifting of the mask restrictions many
 things have been happening.

Our Lodge Secretary Terry Taylor,
 Lodge Treasurer Linda Harris, Lead-
 ing Knight Eddie Lopez, and I attend-
 ed the District Deputy (DD) Clinic in
 Boulder City. The DD is our direct
 connection to the Grand Exalted Rul-
 er. The DD Clinic was to cover vari-
 ous subjects for the Lodge Officers. It
 was interesting to hear from the
 Lodges from our southern part of the
 State.

JoAnn and I attended the Nevada
 State Elks Association (NSEA) con-
 vention in Reno. There were several
 items discussed and approved. The
 NSEA membership has approved the
 creation of a second Vice President
 in addition to the current position and
 the President Elect. I had the honor
 of nominating our own Past Exalted
 Ruler, past DD, and current State VP
 Debbie Oskin for the position of
 President Elect and she will be
 NSEA President next year.

The Nevada State Elks Association
 Major Project Board presented to the
 membership a proposal to shift our
 current support from the State of Ne-
 vada Child Services to St. Judes
 Ranch in Boulder City. This change
 has been ongoing for the last two
 years and we were able to put to-
 gether the program to fit our bylaws
 and constitution. The change was
 approved by the membership and we
 will now start the transition. Also, the
 Covid Relief Grant program was ap-
 proved enabling the Major Project

Grants to go forward to assist all 16
 Lodges in the State with \$6,000.00
 each to be used in their community.
 The "Basket Raffle" luncheon was a
 success again this year. JoAnn and
 Mary DuBois from Reno Lodge along
 with Bill Oskin coordinated the setup
 and auction of the baskets. I do not
 have a figure as to how much was
 raised but considering that we were
 still in the Covid situation it went well.
 We were busy and I am proud of the
 work that has been done. Finally, Dan
 Wells of Tahoe/Douglas Lodge was
 sworn in as the 2021-22 NSEA Presi-
 dent. Good luck to President Wells
 First Lady Mary!

The Lodge celebrated Mother's Day
 with the Grand Lodge program giving
 recognition to our mothers. We had
 many mothers and family in attend-
 ance. I was told we had 80 plus at-
 tendees. My wife and our daughter
 were here together. It is the first time
 in my 46 years as an Elk that they
 were both in attendance. I was very
 proud to be part of this very touching
 ceremony with our officers. Thank
 you to all the moms!

The Lodge was part of the Mesquite
 Fun Night at the Rec Center on May
 21st. We staffed a game booth and
 had a chance to meet many of our
 community members. It is wonderful
 to be out in the community and see
 so many of our great friends.

I was asked by a member about the
 various meetings on the monthly cal-
 endar. What are they, what do they
 do and can anyone attend were a few
 of the questions. All of the Lodge
 meetings are open to any member. It
 is your Lodge and you have a say in
 it.

The Lodge Business meeting on the
 First Thursday of the month is the
 general member meeting that busi-

ness of the Lodge is discussed and voted on. This includes new members, paying bills and committee reports.

The following week we have committee meetings. Membership, Activities, House, and the Board. All these meetings are open to all members. These are the meetings where the real background, planning, coordination takes place for events and operations. The membership committee works on programs to recruit and retain members like our dues drawing at Lodge meetings. The Activities committee put together the events like Mother's Day, Halloween, Christmas parties. Dinners and events like the milk can dinners or steak feeds or special theme events like a luau. The House Committee approves events and oversees the operations of the lounge and kitchen. The Board of Directors work with all the committees and manages the budget and business commitments of the Lodge. Also, on Thursday that week is new member orientation. This program is to give new members an overview of what the Elks are

and more specifically our Lodge. This is open to all members but is focused on our new members and their sponsors. The Lodge meeting on the third Thursday is our Initiation Meeting when we bring into the Lodge our new members. It is a very interesting ritual to initiate someone into our order. If you have not attended an initiation meeting in a while it reminds us of who and why we are. We also conduct business of the Lodge at this meeting along with committee reports.

It would be difficult to publish an agenda in the newsletter for these meetings, but I can tell you a lot of hard work goes on behind the scenes and our volunteers are the best! Without the dedication of our members, we would not be the Lodge we are today. The bar staff, the kitchen crews, the burger teams-and the officers all do their best to make our Lodge a fun and enjoyable place to be.

On June 5, 2021, 12-1:30 we will be hosting a Youth Appreciation BBQ to pay tribute to our very own Softball League Team and the winners of our Lodge Scholarships. This will be a fun and relaxed chance to meet and show our appreciation of the young members of our community.

On June 14, 2021 at 5:00pm at Mesquite City Hall Mesquite Elks Lodge 2811 will do the Elks Flag Day Presentation. It is a great ceremony and please attend. Members of our Softball Team will be flag bearers during the presentation.

Take care, enjoy life to the fullest!

NEWS FROM THE ACTIVITIES COMMITTEE

To begin with, I would like to thank all those who attended the Mother's Day Brunch, even if they forgot to sign up. It was a resounding success, as evidenced by how fast we ran out of food and ended up providing many lessons which will make future events even better.

First, I want to thank the ladies who made the delicious casseroles: Janet Hunter, Karen Miskimins and Marie Rasmussen. Then, I want to thank Sharon Blackmore, Penny Prapotnik, Dennis Baylor, Kathy Baylor and Glen Burton for their help setting up and cleaning up. I would also like to thank Greg, Scott, Dennis, and Kathy for once again providing excellent bar service, in what started out as a total fiasco due to my poor planning. And, finally, I would like to thank Harold Straley for procuring the beautiful carnations. If I have missed anyone, please know it was not done intentionally.

June is turning out to be a busy month for the Lodge. Thursday, June 3rd, the Mesquite Chamber of Commerce is hosting a Breakfast Meeting for their members. In the past, these events have been very successful for the Lodge. Any of you early risers who would like to help out, please call me. The breakfast will be served at 8:00 a.m.

Then, on Saturday, June 5th, the Lodge is hosting a Barbecue for our Little League teams as they bring their season to a successful close. This event will start at Noon and end at 1:30 pm. Again, volunteers are needed and should be at the Lodge at 11:00 a.m. to get everything ready. Please call me if you are up for the task of grilling hot dogs and/or hamburgers, as well.

And not to be out done, there will be a Father's Day Brunch Sunday, June 20th, starting at 11:00 a.m. This is for members and their partners, only. There is no charge; however, tickets must be picked up at the bar. One hundred tickets will be available starting Monday, June 7th, through Thursday, June 17th. You must have a ticket to participate. When you surrender your meal ticket you will receive one drink ticket which may be exchanged for a premade Bloody Mary or Screwdriver at the back bar. Come down and enjoy the good food and expect to have a great time, as well.

As mentioned previously, the Activities Committee would like to expand to include the following Sub-Committees: Event Coordination, Decorating, Food Preparation, Clean Up and Decoration Removal, etc. Remember, many hands make light work of a big job. With this in mind, please accept my invitation to join us at our regularly scheduled meeting on Tuesday, June 1st, in the Lodge, at 2:00 pm.

God Bless.

-Cheers from the bar,

Wow....cannot believe that we are already doing the June newsletter! Our new year is off to an amazing start! SO very excited that we can once again start doing events for our awesome community and raising money to give back to our local organizations! Now, we can all say that we have lived through a pandemic, and all the complications that it creates for everyone, including our non-profit organizations! We will get through this! Thank you one and all for your patience and brotherhood benevolence and understanding.... you are the ones that **keep us going! It has been rough, not going to lie. We've probably all lost someone in one way or another,** whether remotely or closely, to this pandemic. One thing that it has taught me, personally, is that the ONE thing that we all know, but sometimes just becomes a wayward saying.... LIFE IS SHORT, so, let us all be thankful that we are here, we are thankful to be part of a totally VOLUNTEER organization that VOLUNTEER to be ready to give back to our little town of Mesquite. From the top and bottom of my ♥.... THANK you to Mesquite Elks Lodge #2811 Volunteers and Bartender Staff for ALL of your dedication, and amazing volunteer hours that you unselfishly give to keep our lodge open and running!

A little side note: My monthly shoutout goes to: Not totally sure of who has been VOLUNTARILY keeping our little library straight and organized, but I want to say that a LOT of people (including me!) appreciate what you do! If you have not taken advantage of our book sharing library, please do! Nothing like curling up with a REAL book to take the daily stress away!

Membership Dues Drawing

Attend the twice monthly lodge meetings and have a chance to have your 2022-23 Lodge Dues paid! Each month at our meetings a name of a current member will be drawn. If that member is present at the Lodge meeting, their dues for the following year will be paid. You must be current on dues and be present to win!

Thank You from our Kitchen

The Elks Lodge was finally able to start serving our Friday lunches. Although it was a whole different process and you all were very patient with the changes, it has gotten off to a great start.

Starting May 14th, we were able to totally return to full serving with the return of the salad bar. You now can serve yourself your condiments and not have to request tomatoes, lettuce and onions when ordering your lunch. It was a much smoother process for both volunteers and attendees!

Look for our Friday "Special Sandwich" to return in September. We would love to hear what your favorite sandwich has been. Suggestions are always welcome.

Mark your calendar for July 31st for Don Ackerman's yummy spaghetti dinner. Cocktails at 5:00 and dinner at 6:00. Cost \$12.00. Don graciously donates the food, and all proceeds go to the Lodge. Come for a fun night and support this great dinner.

A big thank you for supporting our Friday Lunch and our awesome volunteers that make them happen. See you on Friday!

- 2) What charity does the funds from the "Blue Pigs" support?

PAST EXALTED RULER MESSAGE

I want to express my appreciation to all the Members of our Lodge for your support and advice in the past several years since I took part in volunteering my assistance in a few of the many responsibilities that keep our Lodge functioning. Through all these years since we chartered, we managed to keep our Lodge going on a positive note. I look forward to helping the Lodge grow and our Members to help us make that possible. Words cannot express the gratitude and heartfelt thanks to you in helping us do that.

If you as a Member, joined this great organization, you need to ask yourself "Why do I want to join?" All non-profit organizations have functions that must be fulfilled to continue to survive. Our obligations happen due to the Members volunteering, need it be a few hours of their time in the kitchen, on one of the many committees, participating at the many events we have to raise money...I could go on and on. Unfortunately, of the 500 plus brothers and sisters we have, I only see a handful that are dedicated to offer their help and time. Many of our members have other responsibilities but again you might ask yourself the same question I asked myself. Do you want to see our Lodge continue being the best Lodge in Southern Nevada and continue seeing our Lodge grow and prosper? I am looking forward to meeting you, maybe work with you or even just to chit-chat. If any of you have any questions, feel free to just ask.

Faternally,

Harold Straley

Message from the GER - Paul R. Ryan

June: Our flag, our loyalty, and our veterans

Honoring the flag of our country on a day of national recognition for our flag is one of the proudest things we can do as Elks. After all, Flag Day was first introduced by the Elks.

You should be honored to put on the Flag Day ceremony. Talk to your city if they have a memorial that can be performed in conjunction with the Legion or VFW. My Lodge has performed it at a Veterans Hospital. Perform the ceremony in a place where many will see it and be educated by it. As you can see by my pin, the flag of the greatest country on earth is something that Stacey and I cherish deeply. I hope you will feel the same sense of pride this Flag Day.

That being said, you should also honor fathers this month. I know that my father has taught me a great plenty in life and I am so proud to call him dad.

My father-in-law has also been a great influence on me. My wife may have been the one that got me into the Elks, but he was the one who set me on my path and mentored me to where I am today. I am proud of them both and I am so glad that they have both been an influence to me.

Make sure to come to Tampa and partake in all of the great convention seminars and meetings. There is so much to do and so much to learn. You will also have a chance to meet other great Elks throughout the nation and gain new ideas and develop new connections. Don't just rush out and join your own state in their hospitality room—go get introduced to others.

Stacey and I look forward to seeing you soon in Tampa. Remember to Create Momentum for the Future of Elkdom!

Patriotism has characterized the Benevolent and Protective Order of Elks of the United States of America since the early days of the organization. Allegiance to the flag of our country is a requirement of every member. In 1907, the Grand Lodge of the Benevolent and Protective Order of Elks designated, by resolution, June 14 as Flag Day. The Grand Lodge of the Order adopted mandatory observance of the occasion by every Lodge in 1911, and that requirement continues. The Elks prompted President Woodrow Wilson to recognize the Order's observance of Flag Day for its patriotic expression. But it was not until **1949 when President Harry Truman, himself a member of the Elks**, made the proclamation that thereafter June 14 would be a day of national observance for the symbol of our country. It was through his Elks Lodge in Independence, Missouri, that President Truman got the idea for a national observance of Flag Day.

From the Red Skelton Hour, January 14, 1969 As remembered and performed by Red Skelton (1913-1997): I had this one teacher, he was the principal of the Harrison School, in Vincennes, Indiana. To me, he was the greatest teacher, a real sage of my time. He had such wisdom. We were all reciting the Pledge of Allegiance one day, and he walked over. This little old teacher - Mr. Lasswell was his name. He said: "I've been listening to you boys and girls recite the Pledge of Allegiance all semester and it seems as though it is becoming monotonous to you. If I may, may I recite it and try to explain to you the meaning of each word?"

I me, an individual, a committee of one. **Pledge** dedicate all my worldly goods to give without self-pity. **Allegiance** my love and my devotion. **To the Flag** our standard, Old Glory, a symbol of freedom. Wherever she waves, there is respect because your loyalty has given her a dignity that shouts freedom is everybody's job. **Of the United** that means that we have all come together. **States** individual communities that have united into 48 great states. 48 individual communities with pride and dignity and purpose, all divided with imaginary boundaries, yet united to a common cause, and that's love of country. **Of America. And to the Republic** a republic - a state in which sovereign power is invested in representatives chosen by the people to govern. And government is the people and it's from the people to the leaders, not from the leaders to the people. **For Which it Stands One Nation** meaning, so blessed by God. **Indivisible** incapable of being divided. **With Liberty** which is freedom and the right of power to live one's life without threats or fear or any sort of retaliation. **And Justice** the principle and quality of dealing fairly with others. **For All.** which means, boys and girls, it's as much your country as it is mine.

And now, boys and girls, let me hear you recite the Pledge of Allegiance.

"I pledge allegiance to the flag of the United States of America, and to the republic for which it stands, one nation, indivisible, with liberty and justice for all."

Since I was a small boy, two states have been added to our country, and two words have been added to the Pledge of Allegiance - **"under God."** Wouldn't it be a pity if someone said, "That is a prayer," and that would be eliminated from our schools too?
