Hello Fellow Elks,

This month I thought it would be nice to share with you a brief history of Elkdom which I found on the Massapequa Elks Lodge website. It is an inspiring article that makes me proud to be part of this great organization.

Story of Elkdom

Our organization first began as the "Jolly Corks", a group of artists and thespians, and was led by London born comic, singer and dance, Charles Vivian. The Jolly Corks originally congregated for their own amusement, but when one of the Jolly Corks died leaving his wife and children alone, they decided to dedicate the group to helping the needy.

On February 16, 1868, in New York City, the Jolly Corks formed the Benevolent and Protective Order of Elks, led by Mr. Vivian. As social activities and benefit performances increased, the popularity of the group swept across the country. Soon, groups from other cities were requesting permission to form their own Lodges.

The Elks then asked the New York State Legislature for a Charter that would allow the Grand Lodge to establish Lodges anywhere in the United States. The Charter was granted and on March 10, 1871, the founding group received the first local charter as New York Lodge No. 1.

Throughout history, the spirit of the Elks is evident. During World War I, the Elks funded the first two field hospitals in France and built a 72-room community house in Camp Sherman, Ohio. They also built a 700-bed rehabilitation hospital in Boston and raised money for the Salvation Army's frontline Canteens. The Elks continued in World War II and was one of the only civilian organizations who helped recruit construction workers and contributed books to the Merchant Marines.

During the Korean conflict, the Elks donated more than 500,000 pints of blood to help wounded soldiers and also donated money for a recreation pavilion at the Navy Hospital on Guam, for casualties of the Vietnam War.

Even more recently, the Elks showed their dedication during Operation Desert Storm by writing letters to help build the morale of the soldiers. And still today, the Elks of New York continue the tradition and uphold the four cardinal virtues of the Lodge....Charity, Justice, Brotherly Love and Fidelity

Times have changed since its institution all those years ago. Now is a time when technology rules and computers set the pace, the Elks spirit of

dedication to the community remains constant. The organization is dedicated to service to the community, specifically handicapped children, and veterans. It sponsors community activities such as food basket donations to the needy, scholarships for high school students and many other charitable activities.

Happy Valentine's Day and don't forget to wish Elkdom a Happy 154th Birthday on February 16.

Fraternally,
Paul Redgrift, PER

**A Message from Leading Knight,
ELIZABETH DYE, PER**

Brothers and Sisters,

Here we are in the month of February, a month known for not only the Super Bowl, but a month where we celebrate and recognize our love and affection for one another. Did you know that second to Christmas, 145 million cards are exchanged or sent on Valentine's Day? And that doesn't include children's boxed Valentines. Not only do we express our love for another, but we show our love for many other things that make us happy and fill our hearts with joy. It might be your kids, your job, a hobby, a favorite vacation spot, and yes, even a sports team. When you're happy doing what you love to do or doing it with those you love, your life has more purpose. Take a minute and think about the Elks, this benevolent and charitable organization we all belong to. What was it about the Elks that you loved and made you want to join? Was it the camaraderie, the desire to give back to our community, Veterans, children or the less fortunate? For me it was all of the above, but if I had to pick one, it would be giving back. I found the Elks to be the perfect avenue for me to continue my charitable efforts and really make a difference. The bonus was meeting some wonderful, giving, and generous people whom I love spending time with. If you were one that joined for the camaraderie, fellowship or to make new friends, the best way to do that is to get involved in Lodge Activities that interest you. You'll find Elks with the same interest and together you will be contributing to the success of our Lodge and enjoy doing it. As we approach the new fraternal year (April 1st), I ask each of you to look at the various committees and activities that our Lodge participates in, which can be found in this newsletter, and commit to putting your efforts into **at least one** of those activities during the upcoming fraternal year. If each one of

our 800+ Members participates in just **ONE** event or activity, that will make an enormous difference in our Lodges impact in the community and our charitable causes. Find what you love and love what you do! We aren't just the Elks; we are the B.P.O.E. (the **B**est **P**eople **O**n **E**arth).

Fraternally,

**A Message from Loyal Knight,
NASHANA STEELE**

As the Loyal Knight, it is part of my duty to raise money for the California Hawaii Elks Major Project, Incorporated (CHEMPI or the Purple Pig). As a Speech Language Pathologist (SLP), CHEMPI is near and dear to my heart. Being such, I thought I would remind everyone of what money donated to the Purple Pig does. There are many children with disabilities who require rehabilitative services such as speech therapy, occupational therapy, physical therapy, and vision screenings but don't have access to those services. Money donated to CHEMPI enables many children to receive these services by paying for therapists and vision screeners to go out to their homes. The money also helps to purchase gas and offset other costs associated with getting specialists out to these children who often live in remote areas. And, in this new world we live in where a global pandemic is a real thing, CHEMPI paid for many children to receive virtual services.

There are many ways to donate to the Purple Pig.

- Remember to put your loose change in your purple piggy bank and bring it to the Lodge when you have filled it. The money will be counted and receipted, and your piggy bank ready for pickup usually within a week.
- Put money in the Purple Pig during Tuesday Lodge meetings.
- Put money in the purple piggy banks on tables in the South Bar.

There is no amount too big or too small. Every little bit adds up because remember...

"A coin a day... They'll walk, talk, see, and play."

Fraternally,
Nashana Steele

Work still needs to be done, even in birthday month

Our Elks' birthday this year falls on Wednesday, February 16. Hold an event to celebrate the occasion. One more important reminder: Do not forget Valentine's Day. I can honestly say I have never forgotten this day, but I have needed to run to the store early to get a few things before someone wakes up. February is a very important month for us. Only a few weeks remain in this Elks' year and a lot of work still needs to be done. For example, new officer elections should be held at your last regular monthly meeting this month. Do not look at February as only having a few weeks left to serve, but as the opportunity to finish the year strong. Do your best to make your Lodge more successful than you started for the Members and community to continue "Meeting the Challenge." Current Exalted Rulers, there are many programs and awards at your disposal. Any Member who has a combination of sponsoring or reinstating three Members is eligible to receive the Grand Exalted Ruler Award Pin. Exalted Rulers can also submit two Members for the Grand Exalted Ruler's Outstanding Service Commendation. There are also two Making A Difference Special Citation awards, one for the Exalted Ruler and another for the Lodge. You can find this information in the Lodge Activities Program supported by the Grand Lodge Fraternal Committee. The Elks Legacy Scholarships deadline is also this month. Remember, this scholarship is for any Elks Member's children and grandchildren. Make sure your Members are aware of this program. Finally, new officers need to start having meetings to plan for the next year. Start developing your yearly budgets and, if possible, set your yearly calendar of events. Be realistic when developing your budget. This is a working document that can and should be amended as your year moves forward. The work and effort you put in now will show throughout the year in your operations. Your year will still have some bumps and curves, but you will be better prepared to handle any situation that will arise. All officers should act as one. Having monthly meetings better prepares you for your upcoming activities and will help you to continue "Meeting the Challenge."

A COIN A DAY SO THEY CAN WALK, TALK, SEE AND PLAY!

**A Message from Community Activities Chair,
LINDA LEE, PER**
