## **Change to Monday South Bar Hours**

Due to low attendance, the House Committee made the decision to close the South Bar on Mondays as it is not financially feasible to be open. This is temporary and we will monitor it going forward.

Our plan is to re-open on Mondays starting in June.

**A Message from Exalted Ruler,  
PAUL REDGRIFT, PER**

Hello Fellow Elks,

This is the last month of our fraternal year and my term as Exalted Ruler. It has been a privilege and honor serving as ER of our lodge for the past two years. I want to thank the House Committee, Secretary, Treasurer, appointed officers, committee chairs, members, and our employees for making this a successful year for our lodge.

At the beginning of our fraternal year, we had 708 members and we now have 813 members. While the year started with the lodge closed due to COVID-19 mandates, we reopened on May 4, 2021 and haven't looked back. Our Memorial Day and Veterans Day tributes and BBQs were held, and the Veterans Day event had over 400 members, guests, and community leaders in attendance. The Car Show and Chili Cook Off in August was a resounding success, and everyone had a fun time enjoying the cars, food, and live music. Summer band nights on Saturday evening in our South Bar were well attended and enjoyed by our members and guests.

We also started onsite food service in May 2021 provided by South Bay Food Company. We are looking forward to continuing food service in the next fraternal year.

We were able to obtain \$21,000 in grants from Grand Lodge and this money was used to support our Veterans, and those in need at 1736 Family Crisis Center, Project Joy at St. Andrews Church, Items for the homeless at St. James Catholic Church, Backpack program for underprivileged students at Will Rogers Middle School in Lawndale, and food for the needy at New Challenge Ministries. At our Christmas Party, our members donated over \$3,000 of toys and gifts that was distributed to needy families by 1736 Family Crisis Center.

As Elks we not only have fun with activities at the lodge, but we are faithful in giving our time and money to the many programs noted and to those in need.

In closing I would like to thank my wonderful wife and First Lady, Linda. She has worked tirelessly this past year as our Sea Breeze Editor, Membership/Lapsation Chair and Scholarship chair.

Linda and I look forward to seeing you at the lodge. While we are going to take a pause from lodge officer/committee positions, we will still be active Elks.

Fraternally,  
Paul Redgrift, PER  
Exalted Ruler

*Thank  
You*

**A Message from Leading Knight,  
ELIZABETH DYE, PER**

Brothers and Sisters,

As we enter into the final month of this fraternal year we are also preparing for the upcoming 2022-2023 year. We are planning our calendar to include many fun Member-inspired events and activities that center around the charitable work we as Elks took an obligation to support. Our Lodge functions and operates solely with the assistance and participation of our Members. For each one of our Members who said how much they looked forward to supporting the Lodge, its activities, and charitable work, **now is the time**. Support means something different to each of us. Support might mean donating funds to support the cause or event, or it might mean providing hands on help to set up, execute, or clean up the event. Maybe you're good on the computer and can help with event flyers, or you have experience maintaining websites or IT experience. I bet there's someone out there who is a graphic artist and can help with our monthly newsletter. Do you love working with youth? Scholarships, Hoop Shoot, or Youth Activities might be the perfect fit for you. Help promote patriotism with the Americanism Committee. Can you spare an hour or two a week counting the Purple Pig money? How about helping with our Lodge's beautiful landscape? Might you have good people skills and could help with interviewing potential members? Are you attorney that could assist with our Bequests & Living Trust Committee? Do you have an interest in being a part of the decision making that affects the Members? We are currently looking for Members to fill two very important positions for next year. I ask that you identify your passion and find a way to utilize your experience to help our Lodge function and thrive. As your incoming Exalted Ruler for 2022-23, I know that the **only way to have a successful year is with the participation from each of you**. Please feel free to reach out to me so we can discuss your ideas, identify your passion, and find the perfect place for you in our Lodge.

Fraternally,

NASHANA STEELE**

Hey Everyone!

It's time to make way for the Purple Pig!

Join us on Saturday, March 19, 2022 at 3pm for a day of purple pigging out. It's the purple pig event of the year!

## PIGAPALOOZA

I hope everyone has been feeding their pig for the **Purple Pig Challenge**. There will be a reward for the phattest pig! That is... there will be a prize waiting for the biggest donor. Piggy banks dropped off between March 1st and March 19th are eligible. You can drop your pigs off to the office or give it to one of the bartenders. Make sure to clearly label your pig with your name and membership number. And, all forms of payment are accepted.

We will start the afternoon with **Pig Races** which will take place in the Lodge Room. Take your best shot at building the fastest pig-mobile in the South Central Coast District. As you are building your pig vehicle, remember it can have no mechanical propulsion, can be no longer than 18 inches in any direction, and consist of no real meat. Entry fee for the pig races is \$5.00.

No naked pigs at the party! Dress your pig up and give it an epic makeover for the **Pig Costume Contest** located in the South Bar. Not only will your pig be judged, but you may be a judge as well. Get creative since prizes will be awarded in a variety of categories. Wear your favorite pajamas to the **Pigs N' Pajamas** Party in the South Bar. There will be a prize for the person who wins for best pajamas... and kudos to those who manage to wear pj's with purple pigs.

And the pièce de résistance... my talented husband, Lamont Steele and Trustee Steve Jacques will be roasting a whole pig which will be served at 6pm in the South Bar. You and your guest can enjoy dinner and dessert for **\$20 per person**. So, bring your appetites and be ready for a **Slow-Roasted Hog Dinner!**

In addition to these activities, there will be an hourly 50/50 drawing. Raffle tickets are \$5.00 for three tickets for one of the three hourly drawings (7pm, 8pm, or 9pm) or \$15.00 for 12 tickets and you will automatically be entered into each hourly drawing. See you there!

### A Message from Lecturing Knight, MICHELLE VANLERBERGHE

Hello fellow members,

Well, we are at the end of the 2021-2022 Fraternal Year! As I reflect on the year as your Esteemed Lecturing Knight, I want to say thank you to all those that have volunteered this year. The only way things get done is by volunteering. I challenge all of our members to volunteer more in 2022-2023.

The Fraternal Year started with our lodge closed due to this pandemic and we are now back to almost

normal. We have supported the homeless, children at risk and of course our Veterans. We have had fun times and challenging times at our lodge. The challenges, unfortunately, can affect the good things our lodge can do. I have hope that our good works will outweigh our challenges. I hope we can give each other some grace and understanding so we can focus on supporting those in need and struggling in our community.

I want to thank the officers for their dedication and hard work. I want to thank our employees for their hard work to keep our lodge running. I want to thank South Bay Food Company for their yummy food that has enhanced what our lodge has to offer to our members. The next Fraternal Year is already in the planning stages and looks to be an exciting year.

I would like to close with an excerpt from the Lecturing Knight's charge to our new members:

*"As we therefore have opportunity, let us do good unto others, for we pass this way but once. We cannot retrace our steps nor call back the days that are gone; but the passing moment is ours long enough to grasp the hand in friendship, to lighten each other's burdens, to bring rest to the weary, and to comfort those who mourn – this is Brotherly Love."*

Fraternally Yours,  
Michelle VanLerberghe  
Esteemed Lecturing Knight

#### Finish strong with Elks programs, ENF contributions

The Elks year is winding down, but now is not the time to sit back and relax and ride the wave to the finish line. You still have time to complete some unfinished projects and make subtle adjustments to finish strong. All of the various programs and awards for your Lodge and Members are due this month. Take some time to review Elks programs on [elks.org](http://elks.org) to see what awards and certificates of achievement you can give to your Members. One great program is the Contest 'A' — All American Lodge Contest. Although you may believe your Lodge does not qualify for this award, you should still submit the application to see where your Lodge stands and where you can make improvements next year to continue "Meeting the Challenge."

This is also the deadline for all yearly contributions to Elks National Foundation. I know your Lodge has met, or is close to meeting, the \$4.80 per Member goal. There are also many ENF awards and certificates for your Lodge and Members. These should be applied for and given out. ENF provides money to your State Association, as well as funding many grant programs for your community activities. The most common recommendation from your Grand Lodge Area Auditor is for Lodges to better use the ENF grants to help improve operations. Most programs funded by

your Lodge could be funded by ENF, which creates even more opportunities for your Lodge to have a greater impact.

Newly elected Exalted Rulers, if you have not done so, list your committee appointments and give the list to the Lodge Secretary. Secretaries, please get this information to your District Deputy for the Lodge directory. This information then should be entered into CLMS2.

Finally, for all retiring officers, I would like to thank you for your commitment, dedication, and service to our Order. Retiring Exalted Rulers, please do not stop being involved. I understand some ERs feel they need to take a break, but your knowledge and experience cannot be replaced. Your new role is to provide assistance and guidance to your Lodge, new officers, and Members. Also, consider getting on a state committee. They need your help and experience as well.

**A Message from ENF Chairperson,  
LINDA WILLIAMS, PER**

Hello everyone,

As our Fraternal Year is nearing its end, I wanted to give you an update on where we are at for ENF.

I am very happy to inform you that as a Lodge you have done a wonderful job supporting The Elks National Foundation. As of the end of January, we have above and beyond exceeded our GER per person goal of \$4.80 as we are currently at \$15.05 per member! Our membership support is at 12.85% which exceeds the national average of 11.91%. We have 21 new donors to date this fraternal year and all of the donations supporting ENF, along with the hard work of our Grant Coordinator Michelle VanLerberghe, we received \$11,000 in grants to support our community! Once again, you have all shown the true spirit of Charity for our lodge and community and I look forward to seeing how this year ends and the new one begins!

**A Message from Social Media Editor,  
MICHELLE VANLERBERGHE**

Please join our "private member only" Facebook group by searching **Members of Redondo Beach Lodge 1378** and answering the 3 questions to join. This group is where you will keep up on all the upcoming events and volunteer opportunities as well as all the great things we are doing in our community.

**A Message from Membership Chairperson,  
LINDA REDGRIFT**

### Redondo Beach 5K draws Elks Members "Hoofin' It"

The 44th Annual Redondo Beach Super Bowl Sunday 10k/5k shut down streets near the Pier/Harbor areas, with songs like "Play That Funky Music" blasting on speakers and Los Angeles Rams fans yelling, "Whose house?! Our house!" just after the sun came up before 7 a.m.

This year marked the event's in-person return, after going fully virtual last year during the ongoing coronavirus pandemic. I'm thankful to have participated in this electric, collective memory, running with the beautiful Pacific Ocean to my left and a herd of fellow Elks beside me. The herd included, Paul and Linda Redgrift, Kevin and Gloria Steck, Darlyn Moore, Andrea Evans, Maureen Byrne, Antoinette Hopper, Debbie Parr, Karen Guhr, and Gentil Smith.

Nearly 7,000 runners competed in the 10k, 5k, "baby buggy" run and combo runs, according to official race results. Virtual races also took place, in which participants could submit their race times.

I have participated in this race for 35 years, and this year I recruited some Members to join me and give the Lodge a boost for some positive public relations. We wore our antlers on our heads and T-shirts that read "Hoofin' It!" and had the RB Elks name on it, as well as the logo. I can confidently thank race fans, who cheered runners on from their porches and balconies, for encouraging us to keep going. One of them was even a Lodge Member!

It's hard not to run with a smile on your face when Rams fans along the course are jumping on trampolines with cowbells and pom poms, handing out shots of whiskey and blasting "Eye of the Tiger" from their open windows. Maybe if I had taken that shot of whiskey, I could have beat the 86 year old walking in front of me. There's always next year.

Runners and walkers themselves were decked out in Rams gear and some wore creative costumes from head to toe in the 88-degree heat. If you think walking 3.1 miles is hard, try doing so in an inflatable dinosaur costume! I can humbly report that said dinosaur walked much faster than I did. We entered the costume contest and although we lost to a group of girls wearing 80's garb, I still won the Grand Prize in the drawing! I was so surprised to hear my name over the loud speaker! I won a one night stay and the Sonesta Hotel at Redondo Beach Marina.

As a crowd hovered near the finish line, taking photos with their medals to commemorate the day, an excitement hung in the air — the true mark of a race and a Super Bowl game that we would never forget. Whose Lodge? "Our Lodge!"

### IN MEMORIAM

#### William Penton, PDDGER

Born: November 8, 1931  
Initiated: May 8, 1956  
Died: February 5, 2022

William "Wild Bill" Penton was born in Sheridan, Wyoming on November 8, 1931. He came up during the depression years. Bill attended a little one room school house 1st through 8th grade. Growing up he spent a lot of time on his grandfather's ranch in

Montana where his grandfather raised horses for the Remount (Government). It was here that Bill learned to break horses. Bill said "I could ride most of them, but sometimes the ground would come up and meet my butt." The Penton family moved to Redondo Beach, California in 1940, and two years later Bill's father passed away. Bill attended Redondo High School, and over summer vacations he would return to his grandfather's ranch where he had his own horses and a few head of cattle. Bill worked daily at the ranch, putting up hay, fixing fences and milking cows. His pay for that work was \$1.00 per day. He returned to the ranch every summer. After high school, Bill attended El Camino College and studied Mineralogy, Refrigeration, Radio and TV before going to work for Airesearch Manufacturing Company. Shortly after starting his new job, Bill was drafted. While in the service, Bill spent time in the Far East, mostly in Japan. After being discharged, Bill returned to work at Airesearch and worked there until he retired after a stellar 40 year career. In 1956 William joined the Redondo Beach Elks Lodge. He served on many committees and was Chairman on many more. He was Lodge Secretary for 4 years, Exalter Ruler 2000 – 2001, Esquire to the DDGER 2004 – 2005, State Vice President 2006 – 2007 and District Deputy Grand Exalted Ruler 2011 – 2012. As Past DDGER, Bill, Anita and Great Granddaughter Carrie enjoyed attending conventions and Elk's functions within the district whenever possible. "Wild Bill" as he was affectionately called, passed away in his sleep, at his home the morning of February 5, 2022. Bill is survived by his wife of 38 years Anita, his daughters, many grandchildren, great grandchildren, a nephew from Nevada and many cousins from Montana and Wyoming. Bill was 90 years old.

### ELKTIVITIES

If you are not receiving Elktivites, weekly e-blast, and have received it in the past, check your spam or junk mail filter and make sure it is not going there. Gmail has recently been channeling Constant Contact emails to spam or junk mail, so check it and let me know if you are still not receiving it.

If you have not been on the e-blast list but want to receive the emails, please send your request to the Lodge Office or to [karen.buchanan48@gmail.com](mailto:karen.buchanan48@gmail.com) and I will make sure you are added.

### SENIOR BENEFITS

**SENIOR PARKING METER PERMIT:** If you are 62 or older and drive a car currently registered in California, you can purchase a parking meter permit for \$25.00. The permit allows you to PARK FOR FREE in City Lot 4 adjacent to the North side of the Lodge and the Esplanade parking lot in

front of the Lodge – between the Lodge and South Catalina Avenue. You can obtain an application or go directly to Redondo Beach City Hall at 415 Diamond Street and ask for an application.

### REDONDO BEACH ELKS SOUTH PARKING LOT

Elks Members are welcome to use the South Parking Lot when our Lodge is not open, and when the parking lot is not rented out. Place your valid membership card on the dashboard of your car. This will allow us to identify non-members using our parking spaces and take appropriate action.

When we do rent out our parking lot, we will notify our members via the weekly email blast, Elktivites, the date the parking lot will be closed. If you have any questions, please contact our Exalted Ruler, Paul Redgrift. Thank you for your cooperation.

### ELK RV WEBSITES

Did you know that there are 391 Elks Lodges across the U.S. that have RV Parking? Check out **Elks Lodges RV Database** online at [elkslodgesrv.com](http://elkslodgesrv.com) or click on [Elks Lodges RV Database](#). They also have an App that you can download on your smartphone. Search for **Elks RV Parks**.

There is also a Facebook page for Elk campers. Search for **Elks Lodge RV Camping**. This is a private site and you will need to ask to join this group. On this Facebook page, Elks members share information about their travels and RV experiences at different Lodges.
