**A Message from Exalted Ruler,  
ELIZABETH DYE, PER**

Greetings Brothers and Sisters,

As we begin our new fraternal year, many of us see this as a renewal of our dedication to the Redondo Beach Elks Lodge and Elkdom. We have so many opportunities to look forward to and it is my hope as your Exalted Ruler to make this year memorable for every member. The Officers you have elected to guide this Lodge are determined, dedicated, and excited Elks - all who want to see the Lodge and its membership thrive. We will be exploring new and creative ways to promote our fraternal mission of charity along with providing some fun and exciting social events for our members. The key to any successful event and fraternal year is participation. We hope to see more Elks support our efforts in making Redondo Beach stand out in Elkdom. May 8th will be our first Mother's Day Brunch since 2019 and May 15th we will be hosting a live Broadway Matinee featuring 26 show tunes and refreshments. This event is one for all ages and one not to be missed. Themed events, sporting tournaments, potlucks, car shows, live music, first responders and youth recognition nights to name a few. For those who enjoy food at the Lodge, we ask that you bear with us as we determine the best option financially for our Lodge. You can look forward to a variety of options for Tuesday and Friday nights to start, all which will be advertised in advance via social media and on our bulletin boards. If you have any questions, concerns, or ideas to make our Lodge better, do not hesitate to reach out to me. Here's to a successful 2022-23 fraternal year!!

Fraternally,  
Elizabeth Dye, PER  
Exalted Ruler

**A Message from Leading Knight,  
NASHANA STEELE**

Hello to all and welcome to the new fraternal year! Thank you to all who participated in the Pigapalooza event! There were pigs flying around the Lodge Room and pigs dressed to the nines. There were pigs on pajamas and pig portions gracing our palates. And, best of all, we had purple piggy banks busting at the seams.

I want to give a shout out to the following participants:

- Bryan and Doris Oakley for their Fattest Purple Pig Explosion of \$1,527.04
- Liz Dye for Favorite Pig Pajamas
- Melissa Cavin and Gina Clancy for Best Dressed Pigs
- Gina Clancy for the pig racer with the Best Design

Pig Race Winners:

First Place: Larry Larrabee and Company  
Second Place: Gina Clancy  
Third Place: Tammy Tanguay

It was an extremely successful day of Purple Pig fun as we raised about \$7,000 for the California Hawaii Elks Major Project, Inc. (CHEMPI). For those who missed it, we look forward to seeing you next year.

Finally, kudos and thanks to all who participated, contributed, volunteered, and came to fellowship. If not for you all, this event would not have been a success. Take care and I look forward to another awesome year of Elktivities!

Fraternally,  
Nashana Steele

**A Message from Loyal Knight,  
TONY PERESLETE**

Hello fellow Elks!

Welcome to the new fraternal year. A fortunate duty of the Loyal Knight is to promote charitable works for the California-Hawaii Elks Major Project Incorporated (CHEMPI), usually referred to as the Purple Pig. There's a lot of fun and satisfaction planned for all Elks in Redondo Beach Lodge 1378 during the coming year on behalf of Purple Pig.

CHEMPI is a critical part of the lives of children who are in need of assistance for disabilities but unable to easily and routinely access them. Your help and contributions are appreciated by so many and bring essential joy and happiness to deserving children.

During the challenges of the pandemic period, care for disadvantaged children of California and Hawaii especially depended on CHEMPI. The Elks proved they were people who Care and Share. Nothing makes Elks happier than the grateful smile of a child. A friendly reminder to please be generous with your donations to the Purple Pig at lodge meetings and gatherings. Any contribution is appreciated.

Fill your own Purple Pig and bring to our Lodge office or give to one of our Bartenders when the South Bar is open. Remember, always keep the Purple Pig in mind during the "March on the Pots".

**A coin a day... They'll walk, talk, see, and play.**

## A Message from Grand Exalted Ruler, T. KEITH MILLS

### Next chapter for your Lodge starts this month

First, congratulations to all newly installed Exalted Rulers and Lodge officers. Thank you for making the commitment and accepting the duties and responsibilities of the office for which you have been chosen. You are about to take part in—I hope—one of the greatest experiences in your Lodge career, becoming a Lodge officer. Do not take this experience and responsibility lightly. By accepting your office, you will guide the direction your Lodge will pursue for the next Lodge year and continue "Meeting the Challenge."

Newly elected Exalted Rulers need to reach out to committee appointees to ensure they are prepared to perform their assignments. Show them how to get the information for their committee on [elks.org](http://elks.org). It is your job to help remove obstacles they may encounter along the way to better perform their duties. Make sure they report all charitable hours and mileage to the Lodge Secretary so they may be entered into CLMS.

One suggestion is to assign important committees to different chair officers to oversee and ensure committees are working to the best of their ability. Then, during your monthly officer meeting or Lodge meeting, have committee chairs or chair officers give updates on that committee.

In relation to finances, the budget(s) for your Lodge should be ready to be presented to the membership for approval before the last regular Lodge meeting in April. The Annual Report for the previous year is also due May 1. Make sure that your Financial Reporting System (FRS) is up to date and be sure to submit your

end of year financials to your accounting personnel so they may prepare your 990s and 990Ts for your Lodge shortly after April 1. Once completed, you will need to upload them to [elks.org](http://elks.org) and file them with the Internal Revenue Service.

I know that all Lodges are actively involved in their communities. You are encouraged to establish at least one community project that emphasizes the charitable work of our Order. The Grand Lodge Activities Committee also has a Community Projects Contest. The Committee will award first, second, and third place within the six membership categories. This award will give your Lodge national recognition to show your Lodge is actively supporting your community. You have done the work, now fill out the form and submit before the May 1 deadline.

By this time, your District Deputy Grand Exalted Ruler should have informed you of the place and time for their Spring District Deputy Clinic. This is a great learning opportunity to gather with other officers within your district. It is also the time that your District Deputy will help you and your officers get the year off to a good start.

Finally, good luck to you during this Elks year. Being a Lodge leader has some work involved. However, it can be lots of fun and a truly rewarding experience for you and your Lodge. If you need anything, your Past Exalted Rulers, local District Deputy, state leaders, and other Grand Lodge committee members are there to help and guide you. You just need to ask.

**A Message from ENF Chairperson,  
LINDA WILLIAMS, PER**

Hello everyone,

I would like to thank each of you who have donated to ENF throughout this fraternal year. Thanks to all of you as of 3/21/2022 our lodge members have donated \$16,270.22 (\$22.98/per member) during this year! This is well above the GER goal of \$4.80/member and is very impressive. Now it is time to move forward into the new fraternal year that starts on April 1st, 2022.

There are so many things that we as Elks do for our communities, and ENF is the backbone of the support for everything we do. It provides us with grants to for our Veteran activities, Youth activities and scholarships and other community support programs. Each year the ENF establishes a budget that funds not only programs for the local lodges and their respective communities, but also provides funds for our Major Project of the California-Hawaii association - "Purple Pig".

Over the past two years as a lodge, we have made great leaps and bounds in our donations and it is reflected in the grants we receive as well as all of the things we do for our local community. I would like to challenge us as a lodge to once again have an exceptional year of supporting our efforts by setting a Lodge Specific Goal of ENF Donation of \$24/member over the course of the year. I am sure if we all work together we can accomplish that mild increase in per member giving that would achieve that goal!

You can donate in many ways, including designating an amount during your Annual Dues payment, donations through the lodge office at any time throughout the year, or go to Elks.org and donate on-line. An easy way to donate is to join the Fidelity Club with a routine, pre-set amount. Thanks to all of our members who donate so we can continue to support our community.

I look forward to a wonder new year and to seeing everyone soon!

Fraternally,  
Linda Williams, PER  
ENF Chairperson

**A Message from Lodge Secretary,  
LINDA LEE, PER**

Thank you to all the volunteers who worked in the office to get the 2022-2023 Membership Cards in the mail. Due to a glitch, some of the Spouses Cards were not printed. We will be mailing them out as soon as possible.

I am also the chairperson for the Food Pantry Project: NEEDS in North Redondo. Due to the rise of food prices, more families are having to go to the food pantry for their meals. Please help as much as you can so fellow people in our community can be well fed. If you have any questions on how you can help, please contact me.

Here's to a great and fulfilling year in Elksdom.

**A Message from Grant Coordinator,  
MICHELLE VANLERBERGHE**

Hello fellow members,

I am happy to report that with our Focus Grant of \$10,000 we were able to support 24 veterans. The grant money was used to purchase requested household items such as small appliances, linens, cleaning supplies, clothes, and beds to help these vets set up their new housing as they transition from homelessness. We worked with 2 organizations, US Vets and 1736 Family Crisis Center's Veteran Families Program. I am writing the final report very soon and plan to submit an article to the Elks Magazine.

We were also able to use our Freedom grant of \$2,500 as a direct donation to the 1736 Family Crisis Center's Veteran Families Program. This money was used to purchase food for veteran families in need. Some of those families we also helped with the Focus Grant.

I would like to thank everyone involved with these programs. It is so rewarding to help those in need.

This is what Elks do!

## A Message from CHEMPI Chairperson, GAIL HARRIS

Thank you to those members who turned in their Purple Pigs for PIGAPALOOZA. 26 pigs were donated between March 1 through March 19 totaling almost \$5000!!!!

Thank you to all and to the new 52 Club, Century Club and Millennium Club donors.

Please come by the Lodge and pick up your Purple Pig from the credenza outside of the Member South Bar and take it home to collect your change, bills and checks. Remember "All donations are TAX DEDUCTIBLE!"

The **California-Hawaii Elks Association CHEA** is best known for its support of children with disabilities. The Purple Pig - Major Project - CHEMPI, is the fundraising arm of this charitable work and serves as a reminder to the membership that our greatest joy is in **giving to and helping others**. By filling your Purple Pig with the **"A Coin A Day so they can Walk, Talk, See and Play"** is one of the many ways to support the children and their families who may have had little hope without the CHEA intervention.

## FOOD/KITCHEN COMMITTEE RECOMMENDATIONS

On November 2, 2021, the initial proposed committee members were approved on the floor of the lodge and data was requested to begin the review of the food service and kitchen management. During the course of the review of available documents, investigation into the average cost of Industry Kitchen Rentals in the area, assessing how food service is being provided in other lodges in the area, and reaching out to other potential companies to outsource food provision to a variety of opportunities to improve were identified. The following are the key recommendations for the provision of food service for our members and guests are listed below:

- Have a key person in charge of the food and beverage service who serves as the "advocate/manager" and monitors compliance with all regulatory requirements for food service (and if outsourced to a vendor) the elements of the contract by the food provider as well as the lodge. In addition, serves as the liaison between the food provider, lodge officers and lodge as a whole.
- Establish a routine monitoring tool/checklist to be completed on a monthly basis to ensure all regulatory requirements (and if outsourced) elements of the contract are in compliance with the food provider and the lodge as a whole.

- Cameras – in the hallway from the bartender office out the side door as well as from the North Dining Room looking into the kitchen.
- Deep cleaning to be scheduled with an outside provider, by the lodge on a monthly basis to ensure ongoing cleanliness and increase compliance with food safety.
- Coordinated access to the kitchen when as a lodge kitchen access is required.
- Placement of asset tags on all of the equipment of the lodge present in the kitchen.
- If it is decided to outsource the provision of food service, establish a contract and relationship with a food provider that ensures all regulatory compliance is maintained, all required licenses and certifications are in place throughout the term of the contract.
  - Rental of the kitchen to be no less than \$2500/month (including storage – cold and dry).
- Consideration of metering the gas line into the kitchen if food service is outsourced.

The options for provision of food service to be voted on by the members of the lodge at the first meeting of the fraternal year on **Tuesday April 12, 2022**, are as follows:

1. Food service to be provided internally by our members with cooking ourselves or having food brought in by local vendors, that our members/volunteers would serve.
2. Food service to be provided internally via hiring our own staff for the provision of food (It is noted that this option would take time to budget for, hire staff, and implement.
3. Outsource our provision of Food to Uncle Larry's Cuisine and Catering via contract. See his sample menu below (he plans on running weekly specials for diversity):

### SOUPS

Tomato Basil (daily), Chili (daily), Soup of the day (varies daily) \$6

### APPETIZERS

Buffalo Wings w/ Ranch or Bleu Cheese \$10  
Fried Vegetables w/ Ranch or Bleu Cheese \$10  
Chili Cheese Fries w/ Ranch or Bleu Cheese \$8

### SIDES

Garlic Mashed Potatoes, Fries, Green Beans, Baked Beans, Wild Rice, Au Gratin Potatoes (\$1 more), Brussel Sprouts (\$1 more)

### ENTREES

Burger w/ Fries \$10  
Veggie Burger w/ Fries \$10  
Chicken Sandwich (grilled or fried) w/ Fries \$9  
Salmon (2 sides) \$16  
Fried Shrimp Dinner (2 sides) \$18  
Slow cooked BBQ Rib Dinner (2 sides) \$25 full, \$15 half

The final comprehensive report is on file in the Lodge Office for your review. We look forward to seeing you on **April 12, 2022**.

If you are not receiving Elktivities, weekly e-blast, and have received it in the past, check your spam or junk mail filter and make sure it is not going there. Gmail has recently been channeling Constant Contact emails to spam or junk mail, so check it and let me know if you are still not receiving it.

If you have not been on the e-blast list but want to receive the emails, please send your request to the Lodge Office or to [michelleelk1378@gmail.com](mailto:michelleelk1378@gmail.com) and we will make sure you are added.

### SENIOR BENEFITS

**SENIOR PARKING METER PERMIT:** If you are 62 or older and drive a car currently registered in California, you can purchase a parking meter permit for \$25.00. The permit allows you to PARK FOR FREE in City Lot 4 adjacent to the North side of the Lodge and the Esplanade parking lot in front of the Lodge – between the Lodge and South Catalina Avenue. You can obtain an application or go directly to Redondo Beach City Hall at 415 Diamond Street and ask for an application.

## REDONDO BEACH ELKS SOUTH PARKING LOT

Elks Members are welcome to use the South Parking Lot when our Lodge is not open, and when the parking lot is not rented out. Place your valid membership card on the dashboard of your car. This will allow us to identify non-members using our parking spaces and take appropriate action.

When we do rent out our parking lot, we will notify our members via the weekly email blast, Elktivities, the date the parking lot will be closed. If you have any questions, please contact our Exalted Ruler, Paul Redgriff. Thank you for your cooperation.

### ELK RV WEBSITES

Did you know that there are 391 Elks Lodges across the U.S. that have RV Parking? Check out **Elks Lodges RV Database** online at [elkslodgesrv.com](http://elkslodgesrv.com) or click on [Elks Lodges RV Database](#). They also have an App that you can download on your smartphone. Search for **Elks RV Parks**.

There is also a Facebook page for Elk campers. Search for **Elks Lodge RV Camping**. This is a private site and you will need to ask to join this group. On this Facebook page, Elks members share information about their travels and RV experiences at different Lodges.
