Elks Support Veterans

September is here and summer is over. The Elks have been very busy over the past month, and we have a lot of great things coming up. Before getting into all of that I want to give a big thanks to Canepa & Sons Drilling and Dave Ballard for their donation of a fair pig to be raffled off at our Lodge. We are raffling off two halves. Each ticket is only \$1, and because I am the Great Exalted Ruler, I am offering 20 tickets for the low, low price of \$20. No thanks necessary.

Just a reminder that the Big Bucks Dinner is coming up on October 1st. Tickets are \$100 for two people and only 100 tickets are being sold. Raffle prizes will be monetary and, at least in my opinion, worth winning.

We also have the District Deputy visitation coming up on Wednesday, October 12th. There will be hors d'oeuvres and dinner. Since this is an important event for our Lodge I would really like our members to turn out for this event. In addition, please remember that we, the members, will be supplying the hors d'oeuvres. We have always received many

For 2022-23, the Elks National Foundation allocated \$2.8 million to fund the Most Valuable Student scholarship program, which includes 500 four-year scholarships ranging from \$4,000 to \$50,000. Kaden Oqueli-White (sponsored by Slidell, L.A., Lodge 2321) and Breana Fowler (sponsored by Salisbury, N.C., Lodge 699) were the recipients of the top ENF scholarships. They both earned \$50,000 scholarships.

Kaden plans on attending Columbia University to study astrophysics and pursue a career in academia. Though he is focused on the vastness of the cosmos, he seeks to have an impact much closer to home by using his education and experiences to engage diverse populations, specifically encouraging Latino students to pursue STEAM careers.

Breana will start at Spelman College this fall, where she will study education. She hopes to open her own boarding school and to influence education policy and curriculum by becoming the secretary of education, but that is a dream for the future.

Your donations to ENF help fund these scholarships. Please consider a donation this month - every little bit helps!

MAJOR PROJECT

Members & Guests, I'm supposed to be writing about ushering Fall in, but today (8/15) it's going to be in the mid nineties. Perhaps when you read this the temperature will have dropped.

I have a new current list of donors that were recently tallied, with one new "Century Club" and two "52 Club" donors. Our "Century Club" donor is Manfred Kehr. The "52 club" donors are Dan Roberts and Bert Abreo. Their certificates be ordered and delivered to them. The other donors are: Paul Heavenstan, Jerry Marshall, Gary Johnson, Mark Clark, Chris Masselas, Marty Smith P.E.R., Devin Townsend and three "Unknowns". Remember to always put your name in or on your pigs so we can properly acknowledge your donation.

I still have \$10.00 Commemorative Purple Pig coins available for sale. The profits all go toward the Purple Pig. See me if you're interested.

We have our world famous "Pig Races" coming at our Pork Loin Dinner scheduled for September 23rd. These races will be run by our own infamous Ringmaster Doug Buck P.E.R. Bring your dollar

compliments on the amount and variety of hors d'oeuvres. Finally, just a reminder to please contact the office with reservations for each event. It's especially important for our dinners since our chefs need to know how many people to plan for. Your understanding is much appreciated. Fraternally,
Jake Jacobs, ER/PER

Americanism

Throughout the history of the Benevolent and Protective Order of Elks there have been many famous members including business leaders, political leaders, sports figures, and entertainment celebrities.

The song "**God Bless America**" was written by one of America's greatest songwriters, Irving Berlin, and was introduced on national radio by Kate Smith during her weekly Kate Smith Hour on November 1938, to mark the twentieth anniversary of the Armistice that ended World War I. The song was heard by millions of radio listeners. What most people do not realize is that Irving Berlin was an Elk. He joined New York Lodge No. 1 when he was 40 years of age and remained a proud member until his death at age 104.

Like Elks members then and now, Irving Berlin had no desire to cash in on his patriotism. In 1940 he established the **God Bless America Foundation** with all royalties from the song and its performance earned by either Berlin or Kate Smith going to the Boy Scouts and Girl Scouts of America. That arrangement exists today because, "*The complete non-sectarian work of the Boy Scouts and Girl Scouts is calculated to best promote unity of mind and patriotism, two sentiments that are inherent in the song itself.*"

Irvin Berlin, like all proud Elks, demonstrated even long ago that **Elks Care - Elks Share.**

bills and take your chances at winning great pork and pig related prize before dinner. The dinner flyer is elsewhere in the newsletter. See you then!

You can bring your pigs in anytime and give them to a bartender, the office or to me, and they will go into the office pen to be counted. ALWAYS, ALWAYS put your name in or on them so they can be acknowledged.

Remember, "A coin a day & they'll walk, talk, see, & play!

Fraternally,

Skip Hoy PER, Esquire & Purple Pig Herdsman.

Mother Lode Rollers

Reports are in that the August Minden Rally went well, with 10 members having a good time gambling and dining in the casinos, sightseeing, shopping, and enjoying each other's company during daily happy hours.

One substantial disappointment - rally hosts Mike and Marian Mahr had to cancel as the result of scheduling problems involved with Mike's medical needs.

So far September is a stay-home-and-save-your-money month, preparing for our October rally at the Vineyards RV Park, near Vacaville.

Our next business meeting is scheduled in the East Lounge at 5:30 p.m. on Friday, September 23. Happily, this will coincide with the Friday night pulled-pork dinner at the lodge on that date.

Come early and socialize!

House News

The House Committee is currently evaluating repair and improvement projects for the Lodge. We are hoping to tackle a couple of smaller projects inside during the heat of the summer and take on outside projects in the fall when the weather cools down. To accomplish this, we will need **volunteers**. Please contact the office and let Bev know that you are interested in volunteering. Even a couple of hours can be a big help! Thank you!
