

Newark Elks News

Founded 1911

Greetings-

It's hard to believe that September is over. We've had a very good month. Thank you to all of you who have made this possible. During September we had our per-visitation and our visitation. We hosted the State President for breakfast at our Lodge. We also initiated 7 new members: Steve Martin, Steve Bagshaw, Richard Jenkins, James Miller, Andrea DeCola, and Donald and Deborah Hollister. Please welcome them into the Lodge.

Wednesday night pizzas are back and so are our every-other-Thursday night dinners. **Note there will be only one dinner in November. ** As always these are eat-in or take-out. Please come down and support your Lodge.

I recently attended the Fall Convention. Unfortunately, the State Association has found it necessary to raise our assessment by \$2 per member next year. The good news is that our district is going to start a District Ritual Team. Anyone who is interested should talk to me for further details. It doesn't matter if you have competed or won previously.

December is fast approaching, that means Memorial Sunday on December 4th, Children's Christmas Party on December 18th and helping those in need Veterans, Families in Need and Cerebral Palsy.

Fraternally Yours,
Paul Golding
Exalted Ruler

ENF (Elks National Foundation) ~~~ MP (Major Projects)

Please remember that we support ENF and Major Projects. Our Major Projects is cerebral palsy; we help many families who are living with this. ENF supports many things such as hoop shoot, scholarships, and grants, of which Newark has received many to benefit our community.

GRANTS - FROM ENF (NATIONAL ELKS FOUNDATION)

Paul Golding, Exalted Ruler at the Newark Elks Lodge, Amy Pauley, Director of the Survivors Advocacy Center, and Susan House, past Exalted Ruler.

Pokie Parker, Lisa Barrett, Director at the Food Closet, a volunteer from the Food Closet, and JoAnn VanLiew, a member of the Elks Club.

Recently the Newark Elks Lodge received a Beacon Grant in the amount of \$6,000. \$4,000 was allocated for the purchase of equipment such as car seats, strollers, inflatable beds, etc., for families in crisis. The Elks purchased the needed items for the Survivors Advocacy Center who, in turn, distributed them to families in need. The remaining \$2,000 was used to purchase food for the Food Closet, which will be distributed by the staff there.

Your yearly donations to ENF make these grants possible. We receive more money than we contribute. So, thank you - and please keep up the good work!

ELKS CARE - ELKS SHARE

There are collection boxes at our Lodge for the Humane Society, the VA, and the Food Closet. We have members who will deliver the items to these organizations. Please consider donating to 1 or more of these organizations. There are lists at the Club detailing needed items. At the 200-club dinner \$150.00 from the 50/50 raffle was donated to the homeless veteran services at Canandaigua V.A.

A TIME OF GIVING

This year we will again be adopting families in need for Christmas. We will post the ages and needs of the children as soon as we are informed. We will also be donating to Veterans at the Canandaigua VA Center. They are requesting \$10.00 gift cards for Walmart and or Dunkin Donuts. There will be an envelope behind the bar for donations.

SCHOLARSHIP

If you have a high school senior in your family, have them go to ELKS.ORG to apply for the MVS scholarship and or the ELKS Legacy scholarship. The deadline is January 31, 2023. There is a local ELKS scholarship for Newark High School Seniors application information is at Newark High School Guidance Office.

DEER HIDES FOR VETERANS

The Elks collects deer hides to raise money for local Veteran's needs. Hides can be taken to Brennessel's deer processing. Hunters can pick up a form at the club to receive charitable donation credit for income tax purposes.

Trees for Troops 2005-2022

Be a part of the team ---- Join in the Spirit

Trees for Troops is a program of the Christmas Spirit Foundation. Since the program's inception in 2005, Christmas tree growers from across the US have generously supported military families by providing fresh cut Christmas trees to military families.

Last year, Trees for Troops delivered over 18,000 trees to 79 bases across the US. The deliveries covered every branch of the armed services during the first two weeks of December. This year we should reach the 300,000 tree mark.

To keep this special project going, we need your help.

Darling's Tree Farm has been participating in this program since 2005. We have helped send trees to the 10 Mountain Division at Fort Drum in Watertown, West Point and many local National Guard units throughout the state along with many other bases across the US. We could not do this without the support of our community, organization and individual contributions.

Once again, we are asking you to participate with us. You can support Trees for Troops by giving \$40 per individual tree. In the past some have donated for one tree and some have opted to give more to pay for additional trees. Any amount you can give will help support our soldiers and their families.

To Our Soldiers: *Please come home safe and until then, we will support you the way we know best: giving you and your family a farm-fresh, made in the USA Christmas tree.*

Thankfully,

Dick and Mary Ellen Darling
