

House Committee News

Happy Spring!

Thanks to all those who helped at the St. Patrick's Day fundraiser.

It took an army to accomplish serving 91 takeouts and 114 eat in dinners.

Besides our volunteer Elks, we had some students from SHS pitch in . They were a great help.

Thank you to the volunteers, all 27 of them, their names were read at the last meeting, and thanks to those who donated goods.

Mary Hunt donated green aprons, green imprinted cups and 2 door prizes.

An anonymous donor paid for the ingredients for Kathleen to bake 40 loaves of Irish Soda Bread, paper plates, and 118 packages of cookies for the takeouts. Kathleen donated the use of 20 of her tablecloths and the placemats.

The North Sea Lions lent us their Irish centerpieces.

As you can see, it took a tremendous amount of help and generous people to pull off this event!

You are all appreciated !

March 25th, we had our Installation of officers followed by a luncheon.

Thanks to those who helped Kathleen. Kathy Foster, Patty Foster and Brian O'Gara were wonderful! Everyone seemed to enjoy it, and we congratulate our new officers and trustees!

Thank you also to those who served these last few years, we appreciate your service.

On **May 6th**, the State President will visit and on **May 25th** we will host the graduating students entering the military.

Help is needed for both events.

We will not be able to host the students without volunteers. If you are free during the day, please let me know. I'll need someone to use the grill and fryer.

****We are talking about having a **POLISH NIGHT**. A few people have expressed interest. **If you would like to be involved in helping to prepare the food and serving, please let us know.** It could be a fun party!

Please stop by the Lodge, we are open every day. On Sunday's ,**Grill 1574** is open , come down for a bite to eat and socialize! The Grill will be closed on Easter in observance of the holiday.

Wishing you all a very blessed Easter!
