Donated AEDs

February is here, bringing our thoughts to hearts. While many of us may focus on our feelings, we should also consider the health of our hearts and those of others in our community.

In October 2021, the Ocala Elks Lodge donated two AEDs (Automatic External Defibrillator) to the Williston Police Department, a small department in nearby Levy County. Our Exalted Ruler at the time and an officer with that department, Mike Rolls, had made the request to the lodge for the units and Chief Dennis Strow, also a member of Ocala Lodge, was pleased to accept our donation.

We don't always hear about when our donation has made a difference. Here is one time that we, as members of the Ocala Elks Lodge, had a direct impact.

In December of 2022 a medical emergency was dispatched to officers of the Williston Police Department. Those officers arrived before Emergency Medical Services. Williston officers pulled an AED from one of their patrol cars and applied the AED to the patient. This helped prepare the patient for transport, saving the paramedics time and facilitating a faster transition to emergency care at a hospital.

This is why many of you become Elks: to have an impact in the community and give back. You never know, something that seems small at the time could have a big impact on others.

The Ocala Lodge has an AED in the hallway outside the lounge.

LODGE 286 NEWS

Thanks to our House Committee and staff the dining options are greater and the quality has vastly improved. We are seeing a greater attendance on both bingo and trivia nights. If you have not had the opportunity of dining with us, please consider it and let us know how you like the new menu, quality of the food, as well as the service. Your opinion is important and your satisfaction is our goal.

The Neil Diamond Tribute is February 26. This is open to members as well as non-members. We should be open for non-members the entire weekend, Friday, Saturday and Sunday, February 24-26. There will be entertainment that Friday, so invite any friends who want to have an enjoyable evening. Most importantly, bring yourself.

Valentine's party on Saturday the 11th and Valentine's dinner on Tuesday the 14th. See bulletin for details. Hope to see you there.

February is an important month for Lodge meetings. Please, when you can, attend Lodge meetings. Your opinions and suggestions are important

The nominations for your Lodge officers is February 9. The election is February 23.

Most importantly, if you wish to become involved in the important charitable functions that we do, but are uncertain how you may contribute, please pull me or any other committee member aside for detailed explanation. The Elks, this Lodge, is always in need of those who are able and willing to help. Review your bulletins for Lodge events.

Thank You for your support,

VETERANS

Hope all has had a good start to the New Year. The Veterans Service Committee started out by taking two Veterans shopping for their new homes. Karen Severs and I first took Vernon C (Army) shopping for the items that were important to him. When we took him back to his apartment, we

were surprised to see Mission BBQ there to serve the Veterans a free meal. They do this on January 9th every year. They close the stores and all employees come to serve. You should try them.

Next we took Cheryl M.(Army). She has two children and they were more important to buy for than herself. These trips are always rewarding for everyone involved. Plus it means one more homeless Veteran is in a home.

Several special Thank You's are in order. Thank You to the American Légion Auxiliary Unit 27 for the \$500.00 donation generated from their Poppy Sale. Also a Thank you for the great efforts of the Cub Scout Pack 197 gathering the food donation for the Vets Helping Vets Pantry. Last by not least, Thank you to the Kash's for the wheelchair donation. It was taken to Veterans Helping Veterans to place with Veteran in need of it. Donations of all items, especially non-perishable food and gas cards, are always appreciated.

Remember the Elk's Pledge, **"So long as there are Veterans, the Benevolent and Protective Order of Elks will never forget them."**

FLORIDA ELKS CHILDREN THERAPY SERVICES

Lettie is an 8 year old little girl who has a medical history of Down syndrome and heart defects. Down syndrome is a medical condition in which a person is born with an extra chromosome. It is also referred to as trisomy 21, as they have an extra copy of the 21st chromosome. Characteristics of Down syndrome can include mental and physical disabilities like low

muscle tone, developmental delays, impulsive behaviors, speech and language delays, and difficulty with attention. In physical therapy we are working on balance, coordination, and muscle strengthening. Lettie is a strong willed little girl, but is enthusiastic to participate in therapist directed gross motor activities. Pictured, she is participating in a dynamic balance activity focusing on single leg balance and strengthening, while also strengthening her trunk and postural muscles. In this activity, she squats down to pick up a colored tube then pulls the tube to expand it. The tube provides slight resistance, which will help to strengthen the muscles in her back and between her shoulder blades. Lettie hope to participate in gymnastics and tumbling classes with her peers, so that is the goal we are working towards!

HELPING ELKS BUILD STRONGER COMMUNITIES

Beacon Grant - Interfaith Emergency Services Shopping

On January 25th, members of Ocala Elks went shopping for non-perishable food items to donate to the Interfaith food pantry on behalf of the lodge. The shopping was funded as part of our lodge's 2023 Elks National Foundation, Beacon Grant. The result was a \$290 /250 lb. donation of food items which was very much needed by Interfaith.

Interfaith Emergency Services provides basic needs such as food, clothing, shelter, medications, hygiene items and much more to enhance the quality of life and ease the burden for those in financial distress. Their clients are the homeless, elderly, veterans, disabled, underprivileged children and the working poor. Pictured: Pat Miller and Linda Crawford

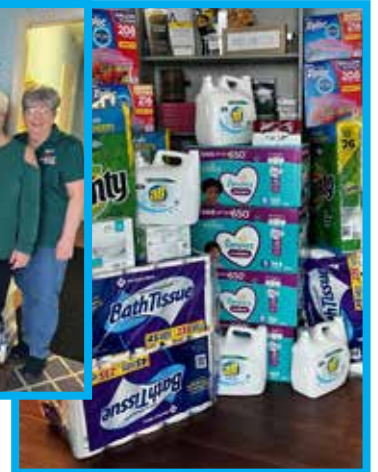

CHARITY & BENEVOLENCE

We are still a little behind in our ENF giving this year. The dollar amount of the grants we can apply for if we meet our goal have increased. We now can receive more than \$22,000 in community impact grants for just making our annual goal.

Last month, using funds from our unrestricted charity account, the Ocala Lodge donated over \$500 worth of diapers paper towels and many other basic daily supplies to Creative Services, a women's shelter here in Ocala. If you know of a local charity that needs some help, please bring us their information to Connie Davis, Sarah Grafor or Emery Shepard.

OLEO

Greetings,

The new year, 2023, is going full force with many activities going on at the Elks Lodge. We had a wonderful attendance at our January meeting. So that really starts the new year out with a very positive attitude. We have added new members to our roster this year; Carol Michaels, Tracy Armstrong, Becky Bunn, Betty Duermeier, Peg McWhirter and Donna Scheirer. We are very glad to have them join our group.

January for the OLEO's was a little on the quiet side for activities but now we are gearing up for our Valentine's Sweetheart Ball. We have a great evening planned for this on Saturday, February 11. This will be a dressy affair. The doors will open at 5 PM and seats will be reserved in both the lounge and the dining room. Dinner is available in the dining room between 5:30 and 7 PM. You will have your choice of a bacon wrapped fillet mignon or grouper with mango-pineapple salsa on the side. The meal comes with salad, rolls, twice baked potato, seasoned broccoli and either red velvet cake or flan, tea or coffee.

Back in the lounge you will be entertained by a group new to the Ocala Elks called "Trish and the Party Train". Come prepared to thoroughly enjoy yourself. For tickets contact Linda Crawford at 352-572-9783; Sandra Harton at 353-895-3042 or see Rusty Gilmore at the Elks in the lounge. Tickets are \$50.00 per person.

At our OLEO February meeting which is on Thursday, the 9th, our nominating committee, headed by Becky Long, will present a slate of officers for 2023-2024, which we will vote on at our March meeting. If you are interested in holding an office and haven't been contacted, contact Becky at 352-572-6987 or me as soon as possible.

Once again, the OLEOS will be participating in the Widow's Luncheon on Tuesday, February 14. We look forward to making that day very special for our widows. If you are a widow, please contact the Elks Lodge, (352-732-7091, ext.1) so you can be put on the list of attendees.

Saturday, March 18, we will once more have our Bunco event. We hope you will all come and participate. If you have never played, you will catch on really quick. All you do is roll dice and keep score. We have great prizes for first Bunco, most Buncos, more wins and even if you are the biggest loser you win. We have great appetizers and desserts for the event.

April not only brings showers but our Spring Fashion Show on Saturday, the 1st with the Bead Strand of Ocala and Fashion Labels of Leesburg providing the clothing. Once again, great models to show off the wonderful new items of clothing.

Happy February birthdays to: Jacqueline Walker (5th); Barbara Nicholson (15th); Stephanie Wolfe (21st); Judy Branan (22nd); Mary DeFrenn (24th).

Sincerely,

Sandra Harton, President

STATE PRESIDENT VISIT

January 27-28th was the visit of the State President to the North Central District. Unfortunately because of health challenges that Danny Tabor is facing, he and his wife Rachel were not able to attend. Representing Danny was current State Vice President at Large Joe Cooper and his wife Allie.

Friday night was hosted by the South Lake Lodge, with standing room only. There was a great dinner and the entertainment featured Music Bingo. Saturday night at the Winter Garden Lodge, Ocala Lodge received a \$500 President's Grant and T. J. Flint from Eustis Lodge was awarded the Elk of the District for his service to the community and lodge.
