

2022

Seguin Elks Service to our Community

Veterans

Thanksgiving Dinner

The first half of our Beacon Grant from Elks National Foundation (ENF) went to host a very special Thanksgiving dinner for our Veterans and their families. We hosted 60 people on this Sunday and it was a wonderful way to express our gratitude to those that have served our county.

Veterans and First Responders Breakfast

Each third Saturday of the month our volunteers gather to prepare and serve a delicious hot breakfast to our veterans and first responders, free of charge. This is our small way to show our appreciation for all they have done and continue to do.

Kettle Campaign

Santa's "Elks" came out this year to ring that bell for the Salvation Army Kettle Campaign. We took a six hour shift and had it covered throughout the day with our awesome members.

2022

Seguin Elks Service to our Community

Practicing Charity

A young woman reached out to our Lodge in need this holiday season. The response to help this family was over the top. We were able to give them enough food for the foreseeable future, buy winter clothes for the children and make sure they had wonderful presents under the tree.

Kids with Special Needs Christmas Party

The second part of our Beacon Grant from Elks National Foundation (ENF) allowed us to give some very special children a wonderful Christmas party. Both the kids and parents were so happy to be a part of this event. Your donations to ENF allow these amazing events to take place.

Holiday Parade

Our Members came through once again with the donations to help us get our first ever Holiday Parade Float together. Our Elk made quite an impact and was thoroughly enjoyed by all. This allowed us to let the community know we are here; still doing what we love- giving back to our community.
