April ER Message

Happy New Elks Lodge Year!!!

As I write this we are getting ready to embark on a New Lodge Year.

First, I would like to thank all the exiting officers from the past year for your service and all the accomplishments of the past year. All of your work and efforts help keep this the best Lodge in the district.

I would also like to thank all of you for the Honor of being Exalted Ruler this year. I look forward to serving as part of a great team of officers. We have many new faces on the team and it will be a learning curve for all of us. Jay Miller will be joining the trustees, Robert Dardinger is our new Loyal Knight, Kevin Mullet is our new Lecturing Knight, Dianna Dardinger is our new Tiler, Kathy Nocera is our new Inner Guard. Tammy Byrd has taken over as Secretary with Therese Gillespie staying as Treasurer, Charlie Sheldon as Chaplin, and Todd Mosley as Esquire.

There are some exciting new things coming up including a special needs prom April 29th. Along with some other exciting events in the works.

Once again I look forward to the new year.

It's a great day to be an Elk.

Jim Miller
Exalted Ruler

What the Elks are all about

So long as there are veterans, the Benevolent and Protective Order of Elks will never forget them. Our Order has a glorious history in supporting our veterans. The Elks built a 700-bed hospital in Boston and donated it to the federal government as the first VA hospital following WWI. Our order also established the first GI loan
Cerebral Palsy major charity of Elks Ohio.

Elks Care. Elks Share.

Cerebral palsy (CP) is a group of disorders that affect a person's ability to move and maintain balance and posture. CP is the most common motor disability in childhood. *Cerebral* means having to do with the brain. *Palsy* means weakness or problems with using the muscles. CP is caused by abnormal brain development or damage to the developing brain that affects a person's ability to control his or her muscles.
