ER's Message

Hello members,

This is my first message from the ER. And I'm looking forward to what I hope to be a great year. I would like to thank PER and now Trustee Greg Collins along with the dedicated officers of the past year. They did an amazing job and our officers this year have a tough act to follow. On March 25 myself and the new officers of the Lodge were installed to our positions. I would like to thank Tom Nardacci, Linda Rowse, and MJ Robison for performing the installation ceremony. It was an honor to have them perform their duties as Grand Exalted Ruler, Grand Chaplin and Grand Esquire. The officers this year are Al Campisano as Leading Knight, Patrick Skelly as Loyal Knight, and Jerry Wendel as Lecturing Knight. Our Chaplin this year is Cheri Pierce Rigsbee, Lodge Esquire is Barry Betz Jr., at Inner Guard is Brian Hedge and Joel Rigsbee in the Tiler position. I'm very happy to have such a talented group of people to help this year run smoothly.

One of my first goals this year has already been achieved which was to have another platform of communication that is more real time. In this newsletter you will find a QR code and link to the text sign up page here you can sign up for direct information that pertains to you. There are also flyers around the lodge that also have the QR code on it for your ease of scanning. I urge you to get involved with this new tool of the lodge. We have many new members that have been

A NEW YEAR

asking how to get involved with the lodge. I believe this is the starting point.

Our next focus this year is member retention, the growth in membership last year was astounding!

Which means that our Sponsoring members are doing great things. I would like to ask one more thing of all that sponsored a new member this past year or plans on sponsoring a prospective member in the future. Please reach out and contact them give them invite to meet with you for a happy hour, Lodge event etc. I would like to call this the gateway to a mentoring program that allows new members to meet established members, and everyone can expand their Elks friendship circle. If we try to do this from now on within 30 days of the initiation of a new member, I believe this is a way to help our lodge grow stronger as we grow larger.

I look forward to working with you all.

Faternally,

Tim Davis

SECRETARY'S CORNER

Lodge dues have increased this year to \$78.00 due to increased Grand Lodge and State assessments.

- Dues for fiscal year 2023 – 2024 went out in the mail beginning in February, so you should have received notice. If you did not, please make sure we have a current mailing address.
- Pay Your Dues Now! If you are delinquent, please pay your dues so you don't become inactive for payment.
- Please remember that only Members current on their dues may enter the building and you may not sign in delinquent members as guests.

There are now two ways to pay your dues:

- Mail in a check: Rensselaer Elks Lodge #2073, Attn: Lodge Secretary, 683 Columbia Turnpike East Greenbush, NY 12061. Be sure to include your membership number in the "Memo" portion.
- Stop In: Come visit me at the Lodge or see the bartender

We have a critical need for help! Please contact the House Committee Chair or ER to find out ways you may get involved. The Lodge only functions because of the hard work of our Members. It isn't fair to tax the same people for all tasks all year long. They need a break!

- Cook chicken wings or hot dogs
- Chaperone a party
- Clean up after an event
- Fill up care packs for Vets
- Volunteer for a youth activity
- Be a server

FROM THE SECRETARY'S DESK: APRIL 2023

Wow,
What a great time we had to finish off the Lodge year.
Our new ER Tim Davis and crew did a fantastic job cooking and serving dinner
Dena Peckham was our DJ for the last karaoke night for the year. Our members had a great time expressing their voice talents
I hope we can bring her back to host some more great music
Jason Rector did a great job keeping our thirsty members drinks filled.
And to top off the night, we had a surprise visit from our own Member Ed Kilgallon who was up from Nashville to attend his induction to Columbia High School alumni, Thank you District Deputy Linda for getting Ed to the Lodge.
Bob Myron and crew brought out some late night snacks which were greatly appreciated.
If this was the way to finish off the year for our now PER Greg, I can surely look forward to another fantastic year under the guidance and leadership of our new ER Tim.

In Memory Of...All Our Departed Members

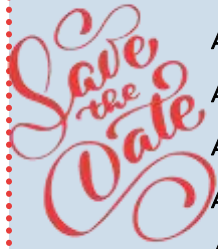

In vain we call. He has passed into the light which is beyond the valley of the shadows of death; the places that have known him shall know him no more. His faults we write upon the sands but his virtues upon the tablets of love and memory.

Rest in peace, dear friends. Until we meet again at the hour of 11...

Vets Stand Down

April begins with the changing of the guard. It is extremely important that the new Officers, Board of Directors, and Trustees work hand in hand to accomplish the important programs in each of your Lodges.

It is crucial to develop a budget for your Lodge that each committee can work with. You must develop a budget that will keep your Lodge financially sound throughout the new Lodge year. Pick out a night and invite all the Officers, Board of Directors, and your committee members and take this opportunity to review your Lodge budget. Discuss ideas to make your Lodge programs even better. Discuss your goals for the Elks National Foundation, your state's Major Project, and any other community activities that your Lodge may be involved with. Listen to what your Members have to say. Always consider their input and be open and flexible to new ideas. Perhaps say, "OK, let's try it."

Another area of critical focus at the onset of a new Elks year is membership. Work with your appointed Membership/Membership Retention Chair as a team. All of your Lodge Members are

New leadership pushing forward with positivity

a part of your membership committee. It is important to reach out to delinquent Members in order to bring them back into your Lodge. It may only take one phone call. There is a chance that by speaking with the delinquent Member, you may get them to renew their dues and become an active Member again.

Your Lodge Secretary plays a very important role for Members who were dropped for nonpayment of dues. I encourage you to review Statute 14.180. This Statute is very clear that your Lodge Secretary shall advise the unaffiliated of his/her rights to reaffiliate within 60 days.

Make +1 in membership a priority during your term. I know our Grand Lodge Membership Marketing Manager Rick Gathen would be very proud to say your Lodge achieved a +1 in membership. With the leadership team you have put together, I know how hard you will be working on "Promoting Elkdom With Enthusiasm."

April also is the month when families get together for Passover and Easter. Helen and I want to wish you and your families a wonderful holiday celebration.

In closing, thank you for your continued leadership this year by working hard within your communities to show that "Elks Care — Elks Share."

God bless each of you. God bless our troops, past and present. And most of all, God bless America.

Bruce Hidley, GER

House Committee Report

Let me introduce myself. I am Marylou (ML) Hedge and have been asked to be the next house committee chair. With so many new faces I reflect back to when I became a new member. Many of you don't know I was house chair the first year I was a member. I was eager to volunteer and there was a job that needed to be done. I had no idea how important the job was to the club and how huge it was. So now 12 plus years later I was asked once again to be the House Chair. In having so many new members I wanted to let you know what the house committee does and how you can volunteer to make our club even better.

The House Committee basically runs the house. There can be up to 13 members they make decisions reflecting the club when it comes to food, drink, and venues and volunteer for the events at the lodge. We are in need of house committee members that like to cook. House committee meets once a month on the first Tuesday of the month at 6:30pm. (meeting should be about 1 hour) One of the ways we make money to give away to other organizations is to rent our house out and catering services. Other members can also volunteer and help out so it doesn't all rest on the house committee. Sign up for our text system.

So, I want to develop teams to assist us. What I have noticed is friends want to work with friends. If are new to this, those with experience will show you the tricks we have learned along the way. Learning the kitchen and certain tips really help. I will also put together procedures so those that like instructions and lists will feel comfortable. We have an event google calendar that everyone can have view access to so you can figure out what event you would like to help with. If there are folks already working that event, it will be in the description. I know everyone is busy with their families and friends. We have events on the calendar about 3—4 months ahead of time, so it really easy to say I can help.

Another opportunity – We have two positions that are paid in the lodge. Bartender (don't need any additional at this point) and Dishwasher. We try to leave the dishwashers to children or grandchildren of members. You need to be at least 14 years old with working papers. We could use some adults as well to fill in for late parties or Elk events. The pay is based on the size of the event. Communication for Dishwasher is usually done by text. If you are interested or have a young person (over 14 with working papers) who is interested please text – Brian H. at 518-813-1833.

You can reach me at housecommitteechairman@gmail.com also 518-221-9000. I would be happy to meet with you and see where your interests falls.

Welcome to the new Members of Rensselaer Elks Lodge 2073!

Elks National Foundation and Observations

First, I wish to thank ALL who made a contribution to the ENF last Lodge year. We received \$8,585.50 in contributions. While not the most money we have ever received, but it was the most donations. A total of 25.11% of our membership donated to the ENF for a per capita of \$12.73, We did outstanding this past year. On behalf of the Elks National Foundation I thank you ALL.

Since CHARITY is the greatest of all the virtues, I ask all who donated this past Elk year to donate this year, A donation of \$10 for each member is not asking too much for how well we have been a member of this Lodge.

I ask that the 180 new members who were initiated this past Lodge year to also join the ENF. I also encourage all members to join the Fidelity Club for ENF.

The Elks National Foundation supports the national Scholarship program, Elks Drug Awareness, National Veterans Service, the National Hoop Shoot and State major Projects. Also the Community Improvement projects.

So, please see me, Larry Rowse, and make your donation.

Fraternally,

Lawrence E. Rowse, PDDGER

Chairman, Elks National Foundation

Request For Life Membership

I have received a letter from Member Tom Grant requesting Life Membership.

Having met the requirements for Life Membership (At least 30 years as a member and obtained 65 years in age), Member Tom has met these requirements. The vote on this request will be taken at the first meeting in May 2023.

Thank You, Tom

Donate old Sneakers (or new Sneakers)

The sneaker donation box is returning. The box will be back in the lounge around the middle of April. As in the past, we are collecting all kinds of sneakers – new, old, tennis, basketball, soccer sneakers with rubber cleats, baseball sneakers with rubber cleats. Wearable sneakers are worth more than unwearable, but, we also collect unwearable sneakers. The only exception is the sneakers must be a matching pair. All proceeds will be donated to the lodge. This program is supported by Got Sneakers. Wearable sneakers are donated to people in need. Unwearable sneakers are recycled to programs that can use the materials used in sneakers.
