Message From Your Exalted Ruler

HEY! WHERE ARE YOU GOING?

Every year the lodge loses several good members. A few have moved, a few don't feel they have the time and others we never find out. Have you proposed a member and haven't seen them in a while? If so, reach out to them and see how they are and invite them up to the lodge. If you are interested in who the missing members are so you can reach out to those you know. Please get in touch with Toby Charloe the lodge secretary and she can help you with the names.

If you're on the fence and unsure about staying an Elk, please reach out to me or any other officer. We hate to see you go and would like the opportunity to find out why and what we can do to get you to stay as a member of the West Des Moines Elks family.

It's that time of the year for your Exalted Ruler to pack a bag and head up the road to Minneapolis MN for the Elks 2023 Grand Lodge Convention. I am very proud to be representing our lodge this year. I am looking forward to meeting and making friends with ELKS from every corner of the USA. It will be four days filled with information, fun and friendship. Though being in meetings on the 4th of July will not be as much fun as celebrating with family and friends, we'll still manage to celebrate our nation's birthday.

July 4th or Independence Day is the annual celebration of nationhood. It commemorates the passage of the Declaration of Independence by the Continental Congress on July 4, 1776. Did you know that congress had voted in favor of independence from Great Britain on July 2 but did not actually complete the process of revising the Declaration of Independence, originally drafted by Thomas Jefferson in consultation with fellow committee members John Adams, Benjamin Franklin, Roger Sherman, and William Livingston, until two days later? Everyone have a Happy and Safe 4th of July and with any planned travels you have in July!

See you at the Elks!

Fidelity

Greetings, fellow Elks! I am honored to share with you some thoughts on one of our cardinal principles: Fidelity. Fidelity means loyalty, faithfulness and devotion to our ideals, our country and our fellow members. It also means being true to ourselves and living up to our obligations. Fidelity is not only a virtue, but a duty that we owe to ourselves and to others.

As Elks, we pledge to uphold the Constitution and laws of the United States of America and to promote the welfare and happiness of our fellow citizens. We also pledge to support our Lodge and its activities, to attend its meetings regularly and to contribute to its growth and prosperity. We pledge to respect and obey the rules and regulations of the Order and to conduct ourselves in a manner that reflects well on our character and reputation. We pledge to be faithful to our spouses, our families and our friends, and to cherish the bonds of brotherhood that unite us as Elks.

Fidelity is not always easy, but it is always rewarding. It strengthens our character, enhances our dignity and earns us respect. It fosters trust, cooperation and harmony among our members. It inspires us to serve our communities and our nation with pride and gratitude. It makes us proud to be Elks!

I hope you will join me in celebrating Fidelity as one of the pillars of our great Order. Let us renew our commitment to this noble principle and strive to live by it every day. Let us be faithful in all things, for fidelity is the essence of Elksdom!

Thank You, to Michael Buckley for driving and pulling the trailer and to Chrissy Ellis, Tim and Grace Pettit, Roger and Karla Fiori and Kevin Marean for talking to the people and passing out candy.

**Flag Day
Ceremony on
June 14th was a
big success!**

Local Elks Lodges throughout the United States, Guam, Puerto Rico, and the Panama Canal celebrated Flag Day on June 14, 2023. The Benevolent and Protective Order of Elks is the only fraternal organization to require a formal observance of Flag Day.

In July of 1908, the Elks' Grand Lodge provided for the annual nationwide observance of Flag Day on the 14th of June each year, making it mandatory for each subordinate Lodge in the Order. June 14 was officially established as Flag Day by a proclamation by President Woodrow Wilson in 1916. Flag Day was not a national observance until 1949—President Harry Truman, himself an Elks member, was inspired through his Lodge in Independence Missouri, to sign an act of Congress that dedicated June 14 to the symbol of our country.

On June 14, 2023, The West Des Moines Elks had their Flag Day Ceremony. It was well attended by our members and their guest. Thank You, to Larry Cramer for bringing along his bugle to play Taps at the end of the service.

Letter from our State President: State Major Project Research Team

Dear Exalted Ruler, Lodge Officers & Members,

As many of you know or don't know, The Iowa Elks Association's Major Project is the Fire Safety Initiative. The Elks Fire Safety initiative promotes fire safety across the State of Iowa. Many people know that the Fire Safety Trailers help children learn how to get out of a burning building and/or the ongoing partnership with the State Firefighters Association, but how many of us knew that the Fire Safety Initiative included teaching both children and adults how to recognize fire hazards in their homes, dial 9-1-1, install and check smoke detectors, and severe weather awareness? The Fire Safety house has two programs: One is how to call 911 during an emergency and the second one is what you should do during a tornado or severe weather.

The Elks' Mission through fire safety instruction is to prevent death, personal injury or harm, and any personal property damage caused by fires. The main goal for the State Major Project is to teach today's youth about the importance of knowing fire safety and being safe in severe weather.

While we are very proud of the many lives saved & the work that has been done to promote this program, there has been much discussion about supporting a new major project as the current project is not getting much enthusiasm from the local lodges. This project has two more years left with us financially supporting the Blank Hospital's Fire Trailer. This does not mean we would abandon the Fire Safety Initiative completely, but transition it to making it more of a State Committee instead of the State Major Project.

At this time, we are currently seeking a Research Committee to look into possible State Major Project ideas. We would like to put a team together to research what the other States are doing for their projects and see what we could do that would get more excitement and support from all of the members in Iowa statewide.

So, if researching Elks.org and the internet for the different State associations websites to see what their Major Projects are sounds like something you may be interested in doing, or if you have an idea of something the Iowa Elks could get behind for a State Major Project, please contact me, Chris Elsberry at hwksw1n@gmail.com We would love to hear your ideas & would appreciate your support if you volunteer to be on this Research Committee!

Once the research is complete, all of the projects will be reviewed and will then be narrowed down to see what ones may work for Iowa. We want to make the biggest impact in giving back to communities all across the state as well as get the momentum going with excitement and more membership involvement.

The State Association would like to have each lodge read this letter at your Lodge meeting. In addition, please put this request out in your newsletters. We want ALL of your membership involved in this input! We want to know what you and your membership care about and what we, as Iowa Elks can do to make the biggest difference in your communities.

Fraternally,

Chris Elsberry
