Greetings,

Happy New Year, 2023! If you haven't been to the Eveleth Elks Lodge for a long time, I hope it is one of your New Years Resolutions to come up for a Burger Nite, a Friday Night Meal or play some Bingo this year. I was happy to see many of our members at our Annual Tom and Jerry Party in December. It is great to see our members having a good time at the Lodge.

Jen Evenson has the best job at our Lodge. As Gambling Manager, she works very hard visiting the sites to put in new games, entering information into the computer and best of all leading the Gambling Committee meetings where we look at donation requests and make the decisions where to donate money. We need to receive letters requesting money. We need to keep our donations up to keep a 4 or 5 Star Rating. Jen and the Committee are always interested in finding more veteran, community, and school activities that we can donate to. She has taken our Gambling operation to the next level. At the Lodge we have a wall that displays pictures of our gambling sites and a banner showing many of the organizations we have donated to.

January 1 is the Vikings vs. Packers game. It is a 3:25pm game so we are planning to have a Chili Cook-off and watch the game together. If you make a great Chili, bring it up and if you just want to come up and watch the game and try some great Chilis. Our 57th Annual Doheny Bonspiel is January 6 and 7 so sign-up at the Curling Club or contact Dave and Mel Hamalainen. We will be serving pasta and meatballs for all the curlers on Saturday as well as dancing with a DJ.

Thanks for all the ways you support our Lodge and its activities,  
Stancy Walters, ER

Happy New Year.

As you may have noticed you are able to view our newsletter a few different ways. Mobile, printed, and by mail in black and white. You are also able to see it online in the members area of the website. The website has so much information, I can see where it can get overwhelming. The calendar will be updated and be able to be seen by members and anyone looking to be part of the Eveleth Elks. It also links to our Facebook feed encase you are not on Facebook. I highly recommend you sign up for all there is be offered on the website. Besides the news our membership gives us some great deals. I know last year money was tight for many of us. Rising prices hit us all. Our site offers discounts, savings, and more for each of the members of the elks.

Speaking of money and rising prices, did you know that the business ads in this newsletter help us pay for the postage and printing? Did you also know the Honor Society at Rock Ridge High School are the ones who get the printed version out to you?

When we give, it teaches others to give in return as a thank you for helping them. In 2023 lets remember to give of ourselves and to pay it forward as much as we can.

I look forward to hearing from each of you about a member you think deserves to be our February Spotlight member. They may not know how they touch so many lives. Remind them. Tell them they are amazing. Have an amazing January everyone and stay warm. So much fun ahead for all of us.

## HAPPY NEW YEAR!!

2023 is here already ~ and we're ready to have another BANNER YEAR!! Charitable gambling has been doing some amazing things lately. I've started compiling year end information for some reporting and in 2022 we donated over \$13,000 to the Rock Ridge School District for sports, academic programs, all night chemical free grad party. And that total does not count the many, many hours of our volunteers during our events we held at the lodge this year. The Track Team Burger Bash in March was well attended and our volunteers worked very hard!! Then we hosted the Girls Hockey group for their cash raffle. From the outside looking in, it looks so easy, doesn't it? But it really it involves so many people who go unnoticed for their contributions to our success. Our gambling committee for helping to count games, meet for donation meetings, and help out with certified inventory. Our kitchen crew is amazing and willing to undertake any task we ask them to. Our treasurer and secretary for keeping our meetings on track and making sure our reporting is all correct, our trustees who deal with more things than even I could list. Our bar manager and bartenders keeping our drinks fresh, our volunteers are amazing and a pivotal part of our organization.

In December we were lucky enough to **give away \$22,500 to our local area.** If you're interested in

who we gave donations to, they're listed on Facebook and there are hard copies at the lodge for all to see. In December we had a lot of donation requests for our local Veteran organizations, toy drives, food programs, area school programs and

so many more worthwhile causes. Writing those checks is honestly the best part of my job!

We've also been brainstorming some winter events that don't involve being cold. Save the date for our first ever designer purse bingo, held on **Saturday, February 25th with bingo starting at 5 p.m.** Advance tickets are recommended. It's sure to be a fun evening. Lindsay is whipping up some creative drink specials for the night and we will have a DJ/Karaoke after by RU Ready Entertainment. Light snacks will be served. It's a great chance to get out and enjoy an evening with the girls - obviously men are welcome too. We will be playing bingo the lodge room and have

lots of room!! Get your tickets soon to ensure a spot. We'll be awarding designer purses from Michael Kors, Coach, Dooney & Bourke. For tickets or more information call the lodge or email us at [evelethelksevents@gmail.com](mailto:evelethelksevents@gmail.com) to request tickets, etc. All proceeds from

the designer purse bingo event will be donated to the Eveleth 4th of July Committee. All are welcome to attend!

April 1st we will have another great fundraiser you won't want to miss. All of the details haven't been shaken out

yet, but we will be holding another **"Food Bash"** - not sure if it'll be burgers again? This time, we're helping the Rock Ridge booster clubs'

outfit their concession stands. Everyone needs everything this year. New popcorn poppers, hot dog rollers, nacho machines, freezers, etc. If we make enough on this event then the money the booster clubs make during games can then go back to help the students. Cowboy Angel Blue will be playing at this event. So, mark this one down too.

By the time you read this letter, we'll be hopefully all settling in to the new year healthy and happy. The rush of the season will be over and the spring planting catalogs will soon be arriving in the mail. Don't forget to mail in your donation requests. We have given to everyone in our area that has asked and will continue to do so as long as we can.

Bingo starts again the first Friday in January, which is also our Doheny weekend!! Sign up your team today. See you at the lodge soon! ~ Jen

When you give to the Elks National Foundation, you're doing more than funding the Drug Awareness Program, the Hoop Shoot, the various Scholarships, the Veterans Service Program, you are also supporting Elkdom in Minnesota.

During the 2021-22 Lodge year, Minnesota Elks donated \$180,415.59 to the ENF. ENF will be giving Minnesota back **\$206,900.00** or \$1.29 for every \$1 donated. And that doesn't include funds sent to local lodges for the Community Investment Program, of which for 2021-22, \$174,500 was provided to 22 Minnesota Lodges, of which our Eveleth Lodge received \$10,500 to help our communities and veterans.

So, when you receive next year's dues statement, don't forget to include a donation to the Elks National Foundation.

# **What Starts out in a Mouth And Ends up on Your Tie?** by Mike Kelly Grand Lodge Historian

Well, in most cases, it's either soup or some other part of your diet. But within the borders of that strange and mystical country known as YESTERELKDOM, in many cases there was absolutely no answer more acceptable than your Elks Tooth, mounted simply or ornately, given to you as a token of appreciation by a grateful Lodge or bestowed by a proud Elk father on his son at Initiation into the ancestral Elks Lodge.

The increasing reappearance of these dental ornamentals has provoked considerable interest among the younger members of our herd who instantly recognize in them windows back to the Order's golden past. Aside from the provenance of each individual piece, the question invariably arises as to what point in time and circumstances surrounded the birth of this uniquely Elkian tradition.

Pursuit of an answer to this mystery has found no specific incident or responsible personality in today's files at the Chicago headquarters; thus, for the time being it must be left to our Order's "Historians-in-the-field" to uncover the who, when and why of the first Elk who picked up an elk tooth and started carrying or wearing it in connection with his membership in the Order.

Given the strong and expressed emphasis on "ALWAYS CARRYING YOUR CORK" in the Jolly Corks from whence we spring, it is almost certain that on Day One of the Elks, a similar practice was adopted, especially since it would be many years before the advent of the official membership card (the only proof of membership in good standing was simply a Lodge receipt for the paid dues -- very tacky looking).

You can also reasonably assume that many variations were tried, since the cork does not have a simple and clear equivalent in relation to our revered animal. One or more of our founders carried an elk's ear, tail, or items made from elk hide or horn before the teeth were settled on by popularity.

Wearing the elk teeth as decorations may even have been appropriated by west-bound Elks upon seeing the ceremonial clothing worn by American Indians in various touring Wild West shows bedecked with hundreds of teeth, adopting the practice as a fashion fad. In the early 1900s, Elk members then had to defend themselves from charges of decimating western elk herds just for teeth, and easily did explain that the supply from Indian trading and a vast stockpile existing long before the Order came into being precluded killing a single animal for decorative purposes. Although not as common since the '30s, showing off your grandfather's elk tooth seems to be on the rise again, with these heirlooms being seen more often at state and Grand Lodge gatherings where they become instant conversation pieces. The favorite hunting ground to acquire these is any antique store or flea market within driving distance.

Once you have an elk tooth pin, ring, fob or whatever, it's your choice to just enjoy wearing it or to trace its history from inscriptions or information obtained from the seller. With literally millions of elk teeth items having been created, any member, young or old, should have no difficulty in finding and wearing an authentic piece of fraternal history, but think twice before you commit your time and energy to tracking down its origin. As hundreds of jewelers were involved in the manufacture and sale of these "fraternal calcium oddities," tracking down the particulars for your personal piece of elk tooth jewelry just might be a case of "biting off more than you can chew."
