**Elks National Foundation**—We're gonna keep pushing this one. If you haven't made a donation, how about it?

We can take donations at the Lodge, you can do it from your computer at Elks.org. The money supports so many great things we do. Our Community Grants help Vets, Youth, Students and the Community. And, it's a tax deductible contribution! We've had over \$500 from individual members given. We've donated \$1600 as a lodge. Remember all donations help build the future—nothing from the donations are spent—only the earnings.

**Elks.Org**— if you're a member, get online, get active and get in the KNOW. Keep up with Elroy! There are games and lots of interesting news on there. See if you can guess the Mystery Lodge each day.

HEY—YOU—Yes YOU! We need helpers. I still need help with the Bulletin. If you know Publisher—I need your HELP. If you don't know Publisher, but you're willing to help, I can still use you! This bulletin doesn't write itself—help the Lodge—you can even add your own style. We're coming up on 2024! Let's see you do MORE in '24!

**Queen of Hearts!** The Queen is still hiding & we're up over \$9000. Come on out & see if you can find her!

**Bar Bingo**— If you haven't been out to the Lodge on a Saturday night at 7 pm what are you WAITING for? Join in and see if you can win a great prize. The progressive pot got hit in October and November—what a time to play!
