

## Elk of the Month

The Elk of the month for January is **Beth Impson**. Beth wears many hats in the Lodge including the current Esteemed Loyal Knight. Beth also orders the majority of the food for Wednesday and Friday night meals along with any of the other events taking place at the Lodge and can be seen in the kitchen the day of the event doing the meal prep. Beth's dedication and attention to detail is evident in everything she does. She is also there helping out at Wednesday's game night. It gives me great pleasure to award **Beth Impson** the Elk of the Month for January 2024. Thank you, Beth, for all you do.

## Volunteer of the Month

The Volunteer of the month for January 2024 is **Barbara Wilson**. Barb has been our "Pie Lady" for several years at almost each and every Friday night dinner. Barbara is also in the Lodge several times per week to be sure the washing of aprons and towels is completed. Barbara can also be counted on to attend the Lodge business meeting. It gives me great pleasure to name Barbara Wilson as Volunteer of the month for January 2024. Thank You **Barbara** for all you do.

Happy Birthday!!!

### RED SHIRT FRIDAY'S

Our idea of showing solidarity and support for our troops with dignity and respect is by wearing RED SHIRTS on Friday's. Let's get the word out and lead with class and dignity, by example, and wear something red every Friday. Everyone who loves this country should share this with acquaintances, co-workers, friends and family.

### Building character, community spirit through Antlers

By Ronald A. Mangone, Committee Member

Community service plays a key role in building strong, connected, and vibrant societies. In today's fast-paced world, it is imperative to get our youth actively involved in serving their communities. Encouraging our young people to participate not only benefits the community, but it also has an impact on their growth and development.

Today more than ever, our youth are bombarded with everyday distractions. Encouraging them to engage in their community helps to instill a sense of responsibility and belonging. It is an excellent opportunity for our youth to develop essential skills such as communication, teamwork, and problem solving. In addition, they are exposed to many diverse backgrounds.

This is why the continuation of our Antlers Program is so important. Our Antlers bring a new energy and a fresh perspective in recognizing and addressing the issues in their community while keeping with Elks' traditions and virtues active.

I continue to offer assistance in establishing Antlers Lodges. I encourage your Members to check out our Lodge Activities website at [elks.org/grandlodge/activities](http://elks.org/grandlodge/activities)

I would like to thank everyone who stopped by the Lodge Activities Booth in Minneapolis, especially those who I had spoken with prior to going to Grand Lodge. I was happy to put a face with your name and to hear about your Antlers Lodge. Please continue to let me know the types of events your dedicated Antlers have planned and share photos with me. At next year's Grand Lodge Convention your Antlers photo might be featured on our wall.

Finally, I leave you with these words: Empowering our youth can create a society where the spirit of service is ingrained in their hearts. Our involvement with our youth is just another example of who we are and what we stand for, because "We Are THE Elks."

The annual car show will be March 16, 2024. Please tell your friends and neighbors to come and join us for a day of bringing back old memories as you look at the classic cars on display.

We will be serving breakfast sandwiches and coffee in the morning, and lunch will include FRESH made hamburgers, cheeseburgers (not frozen) jumbo hot dogs or brats, fried onions, french-fries, pies, all the condiments and soda. The bar will be open for members and their guests.

There will be a 50/50 drawing. All the proceeds go to help our VETERANS.

Thank you for your support!

## **Project Update Committee** **WE NEED YOUR HELP!** **"BUY-A-CHAIR"**

First a little history about the Project Update Committee. At the beginning of the year, the committee prioritizes a list of projects. Monies collected for the projects is put into the Project Update/Building Fund. Last year the committee completed more than \$10,000 in improvements.

Our first projects last year was to paint the Elks sign on the outside of the building and to purchase automatic paper towel dispensers for the restrooms. Because of the declining condition of the lounge chairs, the Project Committee's next priority is to purchase 60 new chairs.

The cost of a chair is \$309, plus shipping. Monies collected through donations, social events and games has given us a good start. Your purchase of a chair will help to off-set the cost.

**Buy-A-Chair for \$250,**  
**which will include an engraved nameplate to be**  
**placed on the arm of the chair**
