Message From Your Exalted Ruler

What does it mean to be an Elks member?

The Elks is a fraternal order founded in 1868. It is one of the largest and most active social and charitable organizations in the United States. The Elks have a long history of community service and support. We are best known for our work with veterans, first responders, children, and the community.

The Elks have a simple motto: “**Elks care, Elks share.**” This motto is at the heart of everything the Elks do. We are a group of men and women who care about our communities and the people in them. We are committed to making a difference in the lives of those who need it most. Being an Elks member means being part of something bigger than yourself. It means being part of a brotherhood and sisterhood of people who care about their communities and the people in them. It means being part of an organization that has a long history of giving back to those in need.

What are the benefits of joining the Elks?

Benefits of being an Elk include access to member-only events, discounts on travel, lodging and more. Just log into **Elks.org** and click on **Our Programs** and **Elks Member Benefits** to see all the great offers. You also get exclusive access to the Elks Magazine. Additionally, members can take advantage of the Elks Foundation, which offers college scholarships and grants for need-based programs.

In addition to the above benefits, members of the Elks also have the opportunity to give back to their communities through the Elks National Foundation. The Foundation provides funding for a variety of programs and initiatives that support veterans, first responders, children, and the community.

Do you know someone that would enjoy being an Elk member?

We are always looking for new members to help us with our mission. If you know someone who would be a good Elk, invite them up to see the lodge. Bring them up for a drink, a Wednesday night meal or one of our many activities. **The growth of our lodge relies on you to help bring in new members.**

A message from Michael Buckley, Leading Knight

Camaraderie

Camaraderie is a feeling of trust, friendship, and goodwill that develops between people who spend time together. It is a sense of belonging and mutual support that can help us navigate life's ups and downs. Camaraderie can be found in many different settings, from the workplace to social clubs to sports teams. However, it is especially important in organizations like the Elks, where members share a common goal of serving their community.

One of the key benefits of camaraderie is that it can help us feel less alone. When we are part of a group of people who share our interests and values, we are more likely to feel understood and supported. This can be especially important during difficult times, when we may need extra help and encouragement to get through challenging situations.

Another benefit of camaraderie is that it can help us build stronger relationships with others. When we spend time with people who share our interests and values, we are more likely to form deep and meaningful connections with them. These connections can help us feel more fulfilled and satisfied in our lives.

Finally, camaraderie can help us achieve our goals. When we are part of a group of people who share a common goal, we can work together to achieve that goal more effectively than we could on our own. This can be especially important in organizations like the Elks, where members work together to serve their community and make a positive impact on the world.

In conclusion, camaraderie is an important part of our lives. It can help us feel less alone, build stronger relationships with others, and achieve our goals. As members of the Elks, we have the opportunity to experience the benefits of camaraderie firsthand. By working together and supporting one another, we can make a positive impact on our community and the world around us.

What are some ways that you can think of to help improve camaraderie at the West Des Moines Elks lodge. Feel free to email me at j.m.buckley@icloud.com if you would like to share them.
