ER's Message

Hello Members,

With Ground hog day behind us and moving ever onward towards spring . We have events to look forward to Friday night fish dinners are fast approaching and volunteers are needed to keep this long tradition moving forward. There is a music night in the works featuring the GCE " Greg Collins Experience " slated for early March . Keep an eye out for the details via an email blast. Thank you all that came out for the super bowl tailgate fund raiser Mike G. And his team of fundraising bandits knocked it out of the park again. The proceeds fund all of our kids programs throughout the year . We appreciate their dedication and hard work.

Keep an eye out for the sign up sheet for the St. Patrick's Day bash featuring Triskele. This party was over the top last year with special guest appearances from people like our one and only Mayor Jimmy Walsh on the bag pipes . We have lots to look forward to and be thankful for . If anyone has suggestions for lodge events please don't hesitate to contact me.

Fraternally yours,

Tim Davis

Previous Officers can assist the next generation

We did it. We finished.

The retiring Officers deserve the thanks of all the Members for the successful way in which they have handled their duties in the past year. The work that was accomplished is a tribute to their leadership and effort. It is our hope they will continue to assist the incoming Officers with the work in which our Order is engaged. The fact that each one was a member of the leadership team marks each of them as one of the Lodge's most valuable Members. The experience and knowledge each of you possess has been, and will always be, invaluable to your Lodge.

Congratulations to the new Officers of every Lodge throughout our great Order. The Members of your Lodge placed their confidence and trust in you and your abilities; you should be very proud. You should consider it an honor to be chosen to be a leader within your Lodge. As the new leader of your Lodge, it is extremely important to put together a dedicated group of people, to create a plan and set the necessary goals for each committee to

achieve success. The committee members are the people who work to make your Lodge a success in your community.

Never be afraid to ask questions. Your best source of information is the former Officers whose knowledge and experience is at your disposal, just for the asking. They have been there, done that, and can give you excellent advice.

March is also a time when many Lodges participate in St. Patrick's Day celebrations such as parties or community parades. Please be safe during these celebrations. Wanda and I want to wish everyone Happy Easter. Finally, check your calendar for awards, citations, and contest deadlines. Remember "Elks Care — Elks Share" and "We Are THE Elks." God bless our great Order, our troops, and the United States of America.

Happy Birthday B.P.O. Elks (February 16th 1868)

(History of the Jolly Corks taken in part from elks.org)
by Cheri Pierce Rigsbee, Chair
Fraternal Committee

Pictured to the right is Charles Algernon Sidney Vivian, who is credited with founding the Jolly Corks, and The Benevolent and Protective Order of Elks of the United States in America.

The Jolly Corks consisted of 16 entertainers. While the Jolly Corks meetings were held regularly, they lacked form and substance, except for the adoption of a toast to members not in attendance. Hence, the eleven o'clock toast.

After the death of one of its founding members, who left behind a destitute wife and children, the Jolly Corks decided – in addition to good fellowship – they needed a more noble purpose of not only serving their own, but others in need as well.

A few months later, their purpose statement and set of rituals were created. They also wanted a symbol of strength that was an identifiable animal of stature and indigenous to America. Out of the 15 remaining members, 8 voted for the elk, and 7 voted for the buffalo. So, the elk was adopted as their symbol of strength and the new fraternal order was launched.

“The rest is ELKS history.”

The Legend of Saint Valentine

Where did Valentine's Day originate? The history of the holiday, and its patron saint, is shrouded in mystery.

February has long been celebrated as a month of romance -- but who was Saint Valentine? Saint Valentine was a clergyman -- either a priest or a bishop -- in the Roman Empire who ministered to persecuted Christians.

One legend says Emperor Claudius II decided that single men made better soldiers than those with wives and families, so he outlawed marriage for young men. Valentine, realizing the injustice, defied Claudius, and continued to perform secret marriages for young lovers. When discovered, Claudius ordered that Valentine be put to death.

Others say, it was emperor Aurelius who imprisoned Valentine in 272 AD for continuing to marry young lovers in secret.

Yet others say it was Saint Valentine, while imprisoned, cured the blindness of his jailor's daughter and the pair fell in love; hence, 'love at first sight.'

Other stories suggest that Valentine may have been killed for attempting to help Christians escape harsh Roman prisons, where they were often beaten and tortured.

It's said the imprisoned Valentine actually sent the first "valentine" greeting himself after he fell in love with a young girl—possibly his jailor's daughter—who visited him during his confinement. Before his death, it is alleged that he wrote her a letter signed "From your Valentine," an expression that is still in use today.

Although the truth behind the Valentine legends is unclear, the stories all portray St. Valentine as a sympathetic, heroic, and romantic figure.

Cupid is a whole other story!

Happy Valentine's Day to All!

Veterans Services Committee Announcements

by Cheri Pierce Rigsbee, Chair

Welcome Home Mr. & Mrs. D.W.!

An elderly Veteran and his wife were referred to us as they transitioned into an apartment after living on the streets and in and out of motel rooms for 4 months. The couple was taken to Walmart to purchase items through Grand Lodge's Welcome Home Kit Program.

Thanks to Diana Murphy for connecting Nassau Resource Center donors with us to help the couple. On the second day in their new apartment, the couple received a delivery of a sofa bed, accent chairs, rug, and 4 kitchen chairs. Additional combined deliveries resulted in a TV, end tables, kitchen table, microwave, decorative items, and kitchen items. We have a Queen bed, mattress, and box springs lined up, if anyone would like to offer a truck and assist with moving those items. Please call/text Cheri at (518) 598-3067, if you can help; thanks!
