## FROM THE EXALTED RULER

## MEET YOUR LODGE OFFICERS

### We are.... **THE ELKS!**

#### Happy New Year!

Our daylight hours are getting longer! This means spring is around the corner.

I hope January wasn't too hard on any of you despite the strong storms we had. Annie and I had some generator issues that hopefully will have been resolved by the time you read this.

Hopefully some of you came to the Initiation ceremony on January 25th. I always enjoy meeting our new members, introducing them to the amazing Benevolent Protective Order of the Elks and what we believe in. If you haven't been to an Initiation ceremony recently, or maybe even since your own, please watch for our next one and plan on attending.

February brings lots of important things to the Lodge. We nominate the next Elk year's officers, have Past Exalted Ruler night, continued Sunday breakfasts, Saturday lunches, and the Lodge favorite Mardi Gras! What zani-ness will the gentlemen and ladies come up with this year? Will Tony maintain the crown for a third year? I hope you all come and enjoy the fun on the 24th!

Please come to the meetings, hear what's going on, have your voice heard and be more involved in your lodge.

See you 'round the lodge!

*Craig*

## LODGE SECRETARY

Leon "Mac" McCreary

February is here, and that means it's time to begin preparing for the coming year by opening nominations for lodge officers for 2024-25!

By statute, nominations open the first meeting of February, the 8th for us. Any uncontested seats after that process, meaning those with a single nominee,

will be set that evening and no further nominations needed afterward. For those positions with multiple nominees, the election will be conducted two weeks later on the 22nd. For those positions without a prior nominee, nominations will be accepted again this evening and again single nominees will be confirmed that night. This is an important process for our lodge, and the elected positions to be confirmed are Exalted Ruler, Leading, Loyal and Lecturing Knights, Secretary, Treasurer and Five-Year Trustee.

Once the elective offices are selected the ER-Elect will be looking for motivated members to fill the Esquire, Chaplain, Inner Guard and Tiler positions. These aren't directly involved in lodge Corporate operations, but are involved in the twice-monthly meetings, and a good position to begin to learn more about the fraternal and business aspects of our lodge.

It's expected that some of the current officers will move up, while other positions will need filling anew, but you members are strongly encouraged to try for any of these positions so vital to the continuing health of both our lodge and our lounge. We cannot operate either without involved members to make up the fraternal and corporate officers. See ER Craig or me to find out more about stepping up to the fore of the Bath membership.

Yours, *Mac*

Our proposed *Beacon* and *Gratitude Grant* combination was approved for \$6,500. We will use our combo grant to continue our support of the *Midcoast Youth Center*. This Bath community organization strives to meet the needs of underprivileged and needy kids with a safe environment, food, clothing, and hygiene products and includes helping make connections to professional services (medical, dental, mental health) including giving rides to appointments. They also provide food to take home for those in need. Most of the youth supported are in the middle school and high school age range. We plan to work with *Midcoast Youth Center* to cook a hot meal at the center bi-monthly or as needed by the center. We will also be available to support them with clothing donations or other needs that may arise. The goal of the project is to support our local youth and help them grow healthfully. This will make our community a better environment as the youth are the future of our community. We will know the success of our support with frequent communication with the organization.

Our *Spotlight Grant* activity centered around supporting the *Bath Area Food Pantry*. Our lodge has a long-standing relationship with the *Bath Area Food Pantry* and we also assist with their needs outside of this grant. If they have a specific need our members have been able to donate. The goal of the project is to assist the community with food insecurities. It's difficult to see our success in helping our community this way, but we can see the lines at the food bank and we know there is a great need that we are helping to meet in our community. Through this grant, our lodge is providing \$2,000 to the food pantry, and for every \$1 we donate, they can leverage \$5-6 worth of food!

**A Grant Bonus is on the Horizon.** A new Gratitude Grant bonus is coming in FY25! The new bonus, called "*The Fundraising Increase Bonus*" is earned when a lodge raises 10% more than it raised in the previous fiscal year. Worth \$500, the bonus can still be earned this year to be applied toward FY25's Gratitude Grant. Our lodge has exceeded the GER's current per-member giving goal (\$4.80) this year, which means

## New Officers elected, PERs honored in February

*Randy P. Shook, Grand Exalted Ruler*

A small group of actors and entertainers began this great Order on February 16, 1868. Look where we are one hundred and fifty six years later: We are still here to serve those in need, proving that “*Elks Care—Elks Share.*” What a journey!

February is a very busy month for us as Elks. Only two months remain in the Lodge year. If you still have goals you haven’t met, it’s not too late. Get to work on them, they can still be accomplished. Use the next two months wisely and you certainly can get a lot done. It would be quite an accomplishment to announce to all of your Members that you have successfully reached the goals you set almost one year ago.

February is when new Officers are nominated and elected for the new Lodge year. All Lodges in our Order should elect leaders who are going to be dedicated to the affairs of your Lodge and community. The success of your Lodge programs will depend upon their leadership. Lodge Secretaries should note that February is when you must upload the Lodge directory into the CLMS2 web page. This information is extremely important so that updates are done in a timely manner.

This month we recognize our Past Exalted Rulers. We must let them know their leadership and experience is invaluable to us. A Past Exalted Rulers Night is a great way to honor them for their contributions to your Lodge. Make them feel proud of their accomplishments.

During February, we recognize American Heart Month. This is when we get our Lodges and communities together in raising awareness to prevent heart disease. Proudly wear red during this month to show Elks care about cardiovascular health.

In addition to Presidents’ Day on February 19, we also celebrate Valentine’s Day on February 14. We remember the people we love and those who make a difference in our lives. To my wife, Wanda, thank you for being my valentine for the past forty one years.

Remember: “*We Are THE Elks.*”

God Bless our great Order, our troops, and the United States of America.

## Jingle Jam Chairman's Follow-up

The Bath Elks 8th Annual Jingle Jam was held in the members' lounge on Saturday December 9th.

MC Dave with *8th Street Entertainment* kicked off the festivities at 3:00 pm with a mix of Christmas tunes & karaoke. Members and guests had a ball, bidding on almost fifty items (*donated from local businesses and supporters*) in our silent auction, and munched on Jeremy's famous pulled pork sandwiches fresh out of the kitchen.

A second event, *A Night Of Giving* was held Friday December 15. Live music from *Loneheart Bluegrass* rocked the members' lounge all night, with Dewey's delicious burgers cranking out of the kitchen.

All the support and Christmas cheer for those in need this year totaled a little over \$5,000! With your help our lodge was able to assist eighteen mid-coast families and a local youth shelter for Christmas.

A *HUGE* thank you goes out to manager Robin Hart and the Board of Directors, as well as our lodge members who supported another successful fundraising season, coming together as one for those in need within our community. It takes a village.

**Together, we CAN make a difference!**

See you next December,

*Shannon*

## Hoop Shoot Teamwork

*Ron Nygaard, Committee Chairman*

On December 27th some Bath Elk's members helped the Brunswick Elks with their Hoop-Shoot Contest at the Brunswick Rec Dept. They had a great turnout and everything went very smoothly.

It was a team effort by both Lodges to make this happen. I would like to say *Thank You* to the Bath members who pitched in, including Brian Champagne, Pete Hudson, Fred Mitchell and Tim Lee. We also had lots of help from Maggie Lee and Camdyn Johnson.

The six Brunswick winners will move on to the District Hoop-Shoot at the Bath Middle School in January.

The Coastal District Hoop Shoot was originally scheduled to take place on January 9th, but with the snow storm moving into the state it was preferable to reschedule the event rather than ask families to be out travelling along the coast. The next step in the process was moved to Sunday, January 21st at the Bath Middle School. We'll have more information in the March POINTS.

*Business Continued from page 2*

- Recommend the lodge donate \$250 to *Special Olympics of Maine*. Approved on the lodge floor.
- Still waiting the formal proposal from the city concerning installation of an emergency generator on a small piece of our Lambard Street property behind the Davenport Memorial.

Governing Body met and reports:

- Discussion of recent trends in inappropriate behavior in the lounge. ER Johnson and Chairman Oliver will be meeting with individuals to clarify expectations of proper conduct within our facilities and toward staff, fellow members and guests. Consequences of *Conduct Unbecoming an Elk* can include exclusion from our club facilities for up to one year, or even expulsion from the order.

Dinner will be served at 5pm, free to members (NO to go meals, in-house dining only) and music & karaoke with 8th Street Entertainment starting at 5pm to rock us into the night. Look for details on dinner to be posted in lounge. Don't forget to save the date & bring your sweetie for a night to celebrate love at the lodge!

*Thank you for your most generous donation of \$250 for our Annual Morse High School All Sports Boosters Auction on November 11, 2023.*

*As a result of your donation, we are able to continue to provide uniforms, equipment, conditioning, summer camp opportunities, and other essential items for all Morse High School athletic teams.*

*Once again, many thanks for your generous support of Morse Athletes and Morse High School All Sports Boosters. We are exceedingly grateful for your generous donation.*

ENF continued from Page 3

we're eligible to apply for a Gratitude Grant next year and eligible to earn the \$500 bonus by meeting these goals:

- If our membership support reaches 15%. Currently, only 4.68% are donors.
- Two members are Fidelity Club members, we're there! Five of our members are Fidelity Club donors!
- Fundraising Chair score exceeds a score of 550. My current score is only 415.208, but I'm working on it.
- A 10% increase in donations over last year. Currently, we are at \$2,488.00, and last year we topped out at \$2,581.45, so only \$352 more would do it!

We are sending our many thanks to our members who support ENF this fiscal year. We have seven new donors: Linwood Bibber, Kenneth Black, Steve Fava Jr., Joseph Hahn, Michael Hart, Maureen Loveitt, and Richard Pohopek. Also, we have two second-year donors, Margaret Ligotti and Matthew Kiernan, and four third-year donors: Wende Chapman, Douglass Goodwin, Jonice Oliver and Robert Stevens. Fifteen donors have renewed their ENF donor status: Dawn Burton, Kevin Campbell, Nancy Campbell, Fred Denson, John Fitzpatrick, Harry Leonard, Craig Johnson, Richard Jordan, Leon McCreary, Lyni McCreary, and Richard Pelley, Paul Sargent, Raymond West and Jackie White. Sixteen have reactivated their ENF donor status this year: Charles Burnham, Donald Coby, Richard Cummings, Juliene Hart, John Harvey, Lloyd Jacobs, Peter Kelley, Susan Moshier, Paul Patterson, Kenneth Pelikan, Alvin Presby, Stanley Roberts, Betty Smith, Michael Smith, Hayden Temple, and William Thomas. This donation activity reflects an 9.8% participation rate as it includes all donations. The 4.68% cited above includes only those who donated \$10 or more this year. In addition, I know others made donations to ENF in December, but those names and statistics haven't made their way to the ENF online reports yet. Stay tuned, and **THANK YOU!**

## Did You Know?

February 14th - Celebrated as (Saint) Valentine's Day around the world, is now one of the most widely observed unofficial holidays on which romantic greeting cards and gifts are exchanged.

The earliest description of February 14 as an annual celebration of love appears in the *Charter of the Court of Love*. The charter, allegedly issued by Charles VI of France at Mantes-la-Jolie in 1400, describes lavish festivities to be attended by several members of the royal court, including a feast, amorous song and poetry competitions, jousting and dancing. Amid these festivities, the attending ladies would hear and rule on disputes from lovers. No other record of the court exists, and none of those named in the charter were present at Mantes except Charles's queen, Isabeau of Bavaria, who may well have imagined it all while waiting out a plague.

In 1868, the British chocolate company *Cadbury* created *Fancy Boxes* – a decorated box of chocolates – in the shape of a heart for Valentine's Day. Boxes of filled chocolates quickly became associated with the holiday. In the second half of the 20th century the practice of exchanging cards was extended to all manner of gifts, such as giving jewelry.
