## “Thanks for Lending a Hand”

Brother and Sister Elks,

As 2024 has kicked in, we have hit the ground running, but no complaining here.

We managed to make three out of the four District Hoop Shoot Contests held in the month of January. What a show. It was an incredible experience to witness the physical maturity of our youth and the mental focus displayed by the young participants. A tip of the hat is due to the Lodges for their extraordinary participation this year. I know Hoop Shoot Director Gregg Boyce appreciates the efforts by all concerned. Now, we are on to the State Hoop Shoot Finals on the 10th of February in Apache Junction, Area 7 Shoot in Boulder City, NV on February 23-24 and then on to Chicago for the National Finals. We have a host of really strong shooters this year, so come out and root our kids on.

Exalted Rulers, you have two months remaining to complete the programs, to achieve the goals, you set out to complete at the start of your terms. Congratulations to you, your officers and members for making this a great year.

January has also witnessed the completion of Leading Knights' Clinics in three out of the four Arizona Districts. The Clinics were well-run by the District Deputy Grand Exalted Rulers and provided a wealth of information that will be helpful to our incoming Exalted Rulers. Speaking of which, February is one of the more important months of the year as the nomination and election of Officers will be conducted. It is my deepest desire that all Lodges find an abundant supply of members willing to experience the joy of being a Lodge Officer. If you have the slightest inclination towards a leadership role, take a chance, step forward and help build and lead a Lodge organization of which all members can be proud.

As we coordinate the election of officers for the new Lodge year, we take a moment to recognize, to celebrate, the accomplishments of our Past Exalted Rulers as PER Night approaches. Thank you, Past Exalted Rulers!!

Brenda and I want to thank all of you for the confidence you have placed in us to be representatives, ambassadors, for the great State of Arizona. Sometimes the joy of the experience can be overwhelming as we have witnessed the fruits of your, our, labors. We have often realized that we have received much more than we have given. On January 5, 2024, Brenda and I, Special Deputy Grand Exalted Ruler Jerry Grimes and wife Linda as part of a contingent of proud Elks journeyed to Mesa-Buckhorn Lodge #2656 to welcome an energetic group of young ENF scholars that journeyed to Arizona to complete its annual service project. These are students that are current and prior year recipients of the ENF Most Valuable Student Scholarships. It was a pure joy, as we mingled and visited with the students, as their enthusiasm and vigor so easily rubbed off on us. The youngsters were here to provide service and relief to the veterans of Arizona.

## "Thanks for Lending a Hand"

Continued from Page 1

Hats off to Mesa-Buckhorn Lodge, its officers and members for the hospitality extended to the students and to the Arizona contingent of Elks. Also a big thank you to Linda and Special Deputy Jerry, members of Mesa-Buckhorn Lodge and members of Chandler Lodge #2429 that helped host and coordinate the veterans service element of the visit.

We are in the homestretch of the Lodge year. In terms of net membership, we are well on the way to another plus membership as of the Grand Lodge Membership Report of 1/11/24, as follows:

Gains	3,365
Losses	(1,371)
Delinquents	(1,986)
Awaiting Initiation	<u>642</u>
Net	650

We are having another extraordinary year, membership-wise, as the latest report shows we are number 7 in the nation. And, you know the routine: a) Let's contact our delinquent members and find out why they are not paying dues or what we can do to help, if needed, and encourage them to renew, b) Let's actively inspire our existing members to invite friends, family and acquaintances to join our great Order, c) Let's invite our membership, by specific and detailed invitation, to attend our fundraising events and to help with Hoop Shoot, Visiting the Sick, supporting our Veterans, etc., d) Let's review our Stray Elks lists, contact those potential members that have moved into the jurisdiction of our Lodges and invite them to come to a Lodge Meeting or an event, e) Let's welcome our winter visitors back and encourage them to renew their dues; and f) Initiate, Initiate, Initiate!

Brenda and I are already coordinating the many details of the May Convention with our life-savers, Janet and Ed Leuer of the Meetings Committee. We hope you will find this to be a fun and enjoyable convention. Please let us know if you have any special requests with respect to the meeting or the facilities.

Please remember that the Arizona Elks Association and its officers are here to lend a hand in most any facet of Lodge operation, without repercussion, if you desire. Please feel free to consult with any of us, regardless of the request.

Don't forget to supply evidence of our substantial and many accomplishments for publication to this AEA Newsletter, to the Grand Lodge Magazine and to local news.

In closing this month, I want to express a debt of gratitude and affection to my friend, my wife, lover and rock of support as Valentine's Day approaches on February 14th. I love you, Baby.

Brenda and I are proud to be of service to all of you and to this great Association.

May God bless our troops, our first responders, our families and all of you.

Thanks for Lending a Hand!

Fraternally,

Al Kayal, President  
Arizona Elks Association

## “Elks Ladies Keeping Spirits Bright With Jewelry Project”

In the true spirit of Christmas, a trio of Elks Ladies, with a visit from Steele Research staff Lori Castro, distributed refurbished items of jewelry to the young patients at Banner Children's Specialist Clinic in Phoenix. Over two separate dates, the volunteers distributed a total of several hundred gift-wrapped jewelry items to 120 children to be used as Christmas gifts for their mothers, grandmothers, aunts and family members. In this holiday season, Arizona Elks Ladies have distributed thousands of pieces of beautifully-refurbished items of jewelry to hundreds of child patients throughout Arizona.

## “Veterans Never Forgotten at Phoenix Lodge #335”

From December 13-17th, Lodge 335 volunteers helped lay 18,000 wreaths on the headstones of our deceased military in the National Cemetery on Cave Creek Road in Phoenix, honoring those who diligently protected our freedom over the years. On January 6th and 8th, we volunteered to clean up all the wreaths laid.

## “Sierra Vista Lodge #2063 Hosts Haunted House for Charity”

The Ghouls and Ghosts (plus a few zombies, clowns, and witches) were out in force at our Annual Haunted House (26-29 October 2023). We had another successful year, and made a total of \$3,100—\$1,100 in cash, and \$2,000 in food. Due to the Mid-Year convention, we were only able to host the Haunted House over 4 days, instead of our standard two weekends in October. Based on how we did, we crushed previous weekend totals. All food and monetary donations collected were presented to Peach's Pantry Food bank. They provide weekend meals for children on the school lunch program.

We ordered and packed the food for the Veterans Stand Down Day. The packing party was on Saturday, 20 January, where we had quite a few Lodge members show up to help. We finished all the bags in about 2 hours. It was awesome to see how we all came together, jumped right in and got the job done. We gave the remaining Veteran’s Stand Down bags and some crocheted blankets to the Disabled American Veterans and the Warrior Healing Center, which had emptied our shed, only to fill it again with all the bags from the Freedom Grant.

### DOD Expands Pilot Program to Renew USID Cards Online

Jan. 16, 2024 | By [C. Todd Lopez](#) , DOD News |

As part of an expansion of a Defense Department pilot program that kicked off in February 2023, most Uniformed Services Identification, or USID, card holders can now renew their cards online and receive them in the mail, instead of having to schedule an appointment at an ID card office.

Before this expansion, only sponsors with a common access card could request online renewals, but now most retirees and non-CAC holders are eligible.

The ongoing pilot program allows family members, retirees and others to avoid making appointments at a pass and ID card office. Instead, they can renew USID cards online via the [ID Card Office online](#), or IDCO, website. It's important to note that the pilot program is for renewal of the USID card only — not for the initial issue. Also, the pilot is limited to cardholders within the United States, though expansion to non-US addresses is in the works.

#### [Spotlight: Taking Care of Our People](#)

Mike Zarlenga, with the Defense Manpower Data Center, said that DOD currently issues about 4.5 million ID cards each year. About 2.5 million of those are USID cards, and of those, roughly one million are renewals eligible for online renewal. The pilot program, Zarlenga said, is meant to make life easier for family members and retirees.

"We think modern capabilities like renewing a driver's license online make it easier for people to get what they need when they need it without burdening them with having to take a trip somewhere," Zarlenga said. "We're excited about this, and it sounds like people see online renewal as making their lives easier, based on the feedback we're getting."

The pilot program also enhances the DOD mission by freeing up appointment slots at pass and ID offices for active duty military personnel and civilian government employees who need to apply for or renew a CAC.

"We want to enable the ID card sites today to better service the CAC holders who are our mission enablers," Zarlenga said. "We want to make sure that people visiting that office can get an appointment when they need one, and they can get their CAC and resume their mission or duties with minimal impact to them or to the department."

More information about the online USID card renewal pilot program, including restrictions and requirements, is available on the [cac.mil website](#).

**New Officers elected, PERs honored in February**

A small group of actors and entertainers began this great Order on February 16, 1868. Look where we are one hundred and fifty six years later: We are still here to serve those in need, proving that *“Elks Care—Elks Share.”* What a journey!

February is a very busy month for us as Elks. Only two months remain in the Lodge year. If you still have goals you haven’t met, it’s not too late. Get to work on them, they can still be accomplished. Use the next two months wisely and you certainly can get a lot done. It would be quite an accomplishment to announce to all of your Members that you have successfully reached the goals you set almost one year ago.

February is when new Officers are nominated and elected for the new Lodge year. All Lodges in our Order should elect leaders who are going to be dedicated to

**Message from the Grand Exalted Ruler**  
**RANDY P. SHOOK**

the affairs of your Lodge and community. The success of your Lodge programs will depend upon their leadership. Lodge Secretaries should note that February is when you must upload the Lodge directory into the CLMS2 web page. This information is extremely important so that updates are done in a timely manner.

This month we recognize our Past Exalted Rulers. We must let them know their leadership and experience is invaluable to

us. A Past Exalted Rulers Night is a great way to honor them for their contributions to your Lodge. Make them feel proud of their accomplishments.

During February, we recognize American Heart Month. This is when we get our Lodges and communities together in raising awareness to prevent heart disease. Proudly wear red during this month to show Elks care about cardiovascular health.

In addition to Presidents’ Day on February 19, we also celebrate Valentine’s Day on February 14. We remember the people we love and those who make a difference in our lives. To my wife, Wanda, thank you for being my valentine for the past forty one years.

Remember: *“We Are THE Elks.”*  
God Bless our great Order, our troops, and the United States of America.

*“Sierra Vista Lodge #2065 Veterans Parade and Shed Dedication”*

Our Lodge decorated and participated in the Sierra Vista Annual Veterans Parade on November 11, 2023. After the parade we hosted a BBQ for Veterans and their families in our community. Later in the afternoon we dedicated our Veteran’s Committee’s shed to the late LTC Earl Devine. He was the driving force that started and built the Veteran’s Committee to where we are today, not only in our Lodge, but within the community. The Veteran’s Committee is alive and well and it is a true honor to be dedicating the Veteran’s shed in his name.
