Exalted Ruler's Message

Greetings!

Lodge Officers for next year were elected and appointed at the last meeting. I will be Exalted Ruler for another year to give our Leading Knight a chance to deal with a busy work year. I am grateful for all the Officers and Committee Chairs who stepped up to serve our Lodge last year and for those who will be on the team in the coming year. Please consider joining us for the **Installation of Officers** on Sunday March 17th at 11am where we will acknowledge some of the accomplishments of this last year and welcome the new team of Officers. After the ceremony we will have lunch and golf for those who want to play. I hope to see you there and maybe share a Guinness or an Irish coffee.

Members voted to change the By-Laws last month in favor of increasing the number of House Committee members from 5 to 7, thereby adding the Building Committee Chair and the House Chair as voting members. In addition, the dues increase passed to help us sustain the operational needs of the Lodge. The "Gym Pass" proposition for 16-20 yearolds did not pass. We have had complaints all year of youth sneaking into the gym without their parent members and must consider another way of addressing this issue.

Have you seen the flyer for the **Elks Bay District Poker Rally** for Saturday March 16th? This is a collaborative effort of all 7 Lodges in the Bay District to raise money in support of the Purple Pig/Major Project, the Bay District Past Exalted Ruler Association, and the CHEA State President-elect Marty Mellow. The Poker Rally journey includes travel to all the Lodges where each car will receive a playing card for a poker hand. Any ties will be broken by timing of the rally (no speeding allowed) and breakfast, lunch, and dinner will be provided at the various Lodges. The rally ends with dinner and Casino Night at the Fremont Lodge. Tickets are available for just dinner and the Casino Night, if preferred. Cars from around our District should be arriving at our Lodge about 1pm. Let's be welcoming of our guests! Please consider joining the Rally and/or Dinner/Casino Night to support this worthwhile cause. Participate and have a great time!

I want to thank you all for the support this year as I found my way serving as your ER. I hope the additional year will provide more opportunity to improve our Lodge and most importantly to have fun and create great memories.

Fraternally Yours,

Anne DeBattista
Exalted Ruler

Thanks for all who joined us at DeLaveaga, especially our guests Dominic Ascani, Derrick Britt, and Earl Koberlein.

Our first flight winner was Tom Pintarelli (67), with Kevin Booker (72) finishing second followed by Tyler Booker (75). The second flight was won by Eric Olson (67), with Bill Devaney (73) taking second via tie-break with Ed Cox (73). For the third flight, Ryan Blake (68) took first place, followed by Ken McLaren (69) and Al Cuevas (78) in third place.

The low putt competition was a duel between Tim Small (29) and Kevin Booker (29), with Tim Small taking first and Eric Olson (30) placing third. Tom Pintarelli chipped in to finish his day on #18. The long drive was again captured by southpaw, Kevin Booker. The closest to the pin winner on the front was Ken McLaren (4' 9") and Earl Koberlein (12' 1") for the back nine.

Our next tournament will be Los Lagos on March 2nd, beginning at 9am. The updated 2024 Club Match Play Championship standings are attached.

About Our Organization

The Benevolent and Protective Order of Elks is a 155-year-old non-profit fraternal organization. There are nearly 1,800 Elks Lodges across the country.

Elks Lodges bring so much more to their communities than just a building, golf course or pool.

They are places where neighbors come together, families share meals, and children grow up.

Elks invest in their communities through programs that help children grow up healthy and drug-free, by undertaking projects that address unmet

need, and by honoring the service and sacrifice of our veterans.

The Elks spend more than \$80 million annually for benevolent, educational, patriotic community-minded programs, scholarship programs, and youth activities.

About Our Lodge

The Redwood City Elks #1991 was instituted in 1956 and has served the greater Redwood City, Woodside, and San Carlos communities for over 67 years.

Our 30-acre property, at the top of Jefferson, features a

9-hole golf course, 18-hole disc golf course, two tennis courts with pickleball lines, swimming pool and patio, gym and saunas, large BBQ picnic area, and our Lodge buildings, with dining room, lounges, game room, and offices.

Members and their families enjoy events, such as dinners, dances, and family nights, as well as having many charitable opportunities to give back to the community.
