Childrens Easter Party – Flat Rock Elks #1731

March 24, 2024, Flat Rock Elks 1731 held their annual member's Kid's Easter Party from 1-3 pm. This year, we had 65 kids attend with their parents, grandparents, and older siblings, and the total attendance was approximately 168. This does not include the 20 volunteers who ensure the kids and their families are well attended to and cared for. The event was held in the Lodge Hall, with the Easter Bunny making a special guest appearance to spend time greeting the kids and taking photos with them and their families.

Activities for the kids during the party included the opportunity to complete two craft projects to take home with them at the end and the Wolf's Petting Zoo, which is always a big hit with the kids (and the adults). The kids (little and big) could pet goats, rabbits, and a tortoise and then pet or hold baby chicks, snakes, and a Kinkajou.

Food was also provided for the kids and their families right after the petting zoo, including hot dogs, mac & cheese, chips, cookies, and pop. After their meal, we did an Easter egg hunt for the kids 3 and under and then handed out pre-bagged candy to the kids 4-10. We also ran two fundraisers during the party: a 50/50 raffle and raffling off two Fire pads to offset the costs of the party.

Based on all the positive feedback received, this year's party was a big hit and enjoyed by all. Many thanks to all who donated and the volunteers who helped with the party in one form or another; the party would not have been successful without your support!

Happy Easter

As you have seen from all the preceding pictures the Children's favorite was the Petting Zoo and the Big White Rabbit. Well, the adults enjoyed the zoo just as much, my favorite was the Kinkajou. Thanks again to everyone that came and volunteered for the Children's Easter Party.

Happy Easter Everyone, Dale
