Happy Mother's Day to all the moms out there. Bring your mom out to the Mother's Day brunch on May 12th, from 7:30 to 11:30am to give her a break from cooking on her special day.

Our hardworking special needs committee will be hosting a fundraiser for their scholarship fund on Friday May 3rd. It will be a fun filled Cinco de Mayo flavored food experience with the added bonus of Karaoke! Speaking of food, do not forget to stop by for some fresh out of the fryer chicken and fish on Friday, May 10th.

Our state Vice President, Jennifer Foster, will be visiting our lodge on the evening of May 7th and attending our regular lodge meeting. If you have not been to a lodge meeting in awhile (like maybe your initiation) then this would be a good night to come on down.

The Grand Lodge has designated May 1-7 as national youth "week". Your lodge will be participating in a couple of ways. On Monday, May 6th, officers will be attending the city council meeting, where the mayor will read and present a proclamation about the Elks national youth week. On Wednesday, May 8th, we will be presenting an award to an outstanding naval cadet at the Washington/Borgia high schools JROTC awards ceremony.

Don't forget about Armed Forces Day on May 18th and Memorial Day on May 27th. Thank an active duty or veteran military member for their service. We are also actively seeking a chairperson for our Veteran's Committee, if you are interested, let me know. No military background is required – just a love for our veterans!

Remember, when you get tired of sweating doing yard work, you can always come down to the lodge to cool off and have a cold drink. Bring a friend and get them to join the greatest lodge in the state.

NOTES FROM THE BOARD

Saturday Lunches are over for the summer. Thank you for your support this past season. Lunches will return in the fall.

As a reminder, members are encouraged to bring guest into the club room to introduce them to our facility and members. Let's not lose site of the intent. It is to encourage others to join our organization. Although our By-Laws do not stipulate a maximum number of visits, a reminder from the Board we are a private club and we should be cognizant of that fact. Our guest should be visiting with the purpose of joining our membership and supporting our organization's mission. Also, visitors are required to sign in at the front foyer each time they enter the club room.

We had some very successful themed events and thank you for your support at our Lodge. Keep your eye out for more schedule events in the Club. It's a great time to enjoy the springtime on our deck. Hope to see you there soon!
