EXALTED RULERS MESSAGE

**June
2024**

Richy Smith

To All Our Members,

Summer is almost upon us and I hope all are well. As the weather gets nicer I hope many of you will come and enjoy our beautiful lodge. In my opinion the nicest lodge in Ny.

First, I would like to wish all the fathers in the lodge a Happy Father's Day. Also to remind you all that the Flag Day Ceremony will be held on June 9, 2024 at 11^{am}. Please come out and enjoy it with us. The Grill room will be closed until the Ceremony is over, it's only about an hour. There are a few different organizations helping us out with it.

Last month the Chairs attended the NY State Elks conference where we all attended workshops to learn new things. I also turned 50 at this conference. Where better to turn 50 than with hundreds of Elks. We met many new friends. Including our new State President Tania DeFrank from Liberty lodge #1545. Great time had by all.

On June 1st we will have Per Tom Schaub's Testimonial lunch on the deck. Come on down and thank him for his service. Again, Tommy we say thank you.

Keep an eye on the upcoming events and come down and enjoy.

I hope all our members took the time to remember those men and women that gave all to protect our freedoms on Memorial Day. The Chairs and Club 877 President Linda Perry had the privilege of attending the Memorial Day Ceremony at Mount Repose held by Leo Laders American Legion Post 130. It was a moving Ceremony. Linda and I placed the Bouquets at the foot of the monument. What an honor.

Let's all have a safe and happy June. Hope to see you soon.

Fraternally Yours,

Richie Smith Exalted Ruler

Haverstraw Elks Lodge #877

Exciting News

Members All,

We are proud to announce that at the recent 110th Annual Convention of the New York State Elks Association, held in Callicoon, New York. Past District Deputy and Lodge Secretary **John P. Lawless** was selected as the Endorsed Candidate to become the next **President** of the **New York State Elks Association** for the fraternal year 2025-2026.

The last time this prestigious honor was bestowed upon Haverstraw Lodge was over 100 years ago when Past Exalted Ruler and future Postmaster General of the United States James A. Farley was installed as the NYSEA President for the fraternal years 1924-1925, in Buffalo, NY.

John has been a member of Haverstraw Lodge for 33 years, he served as Exalted Ruler in 2013-2014, became the Lodge Secretary in 2015 a position which he still holds today, he was a NYSEA State Trustee from 2016-2019, State Vice-President in 2019-2020, District Deputy Grand Exalted Ruler in 2021-2022 and 2022-2023 as well as serving the NYSEA as the Memorial Day Chairman from 2019-2023.

The position of State President will require the Lodge to provide resources, both leading up to his Installation as President and during the year he serves in that role. The Lodge will be conducting a raffle fundraiser to assist in that endeavor, and we ask that members please assist us in our efforts.

Once again, we congratulate John on this significant and prestigious nomination. We know that John will serve the New York State Elks Association with the same pride and dedication that he serves Haverstraw Lodge.

Fraternally and sincerely yours,

Patrick Walsh

LADIES CLUB MESSAGE

June 1, 2024

Dear Ladies Club Members:

I am going to take a second stab at writing this month's newsletter. I wrote what I thought was a very inspiring letter and somehow lost it between devices. (So much for technology). But life sometimes throws you curves, and you just must bend with them. So here goes!

We have had a busy few months in the Ladies Club #877. We held a successful installation, many of our members attended the Installation of Richie Smith, our New Exalted Ruler. At our last meeting, we voted in two new members who will be initiated at our July meeting. We are looking forward to welcoming them to our organization. At this meeting, Richie Smith presented me with a plaque that he so graciously accepted on our behalf at the recently held NYS Elks Convention. We were presented with a plaque for the money we raised for CP last year. Thank you, Richie, for accepting this award on the Ladies Club's behalf.

We have a busy few months ahead with the lodges PER Recognition Party for Tom Schaub on June 1st, Flag Day on June 11th, our upcoming Deck Party and Cake Auction (July 14th), and our Initiation of new members at our next meeting in June. At our June meeting, we will also be receiving the families of the scholarship winners. Those awards will be announced at the Senior Awards night on May 30th. However, as of the writing of this letter, they have not yet been announced so I do not want to spoil the surprise. Letters will go out to the recipients after Thursday, May 30th Award's Night, and they will be invited to attend our meeting where we will present them with the award.

Our Deck Party last year was highly successful and much needed fundraising occurred that day. We need your help to make this event a success one. Please consider baking a cake or two to donate to the event as our homemade delights really spur the giving. If you are not a baker, consider teaming up with one of our members who are and donate the funds to purchase what is needed to bake that special cake for our raffle. We also need volunteers for the event and a sign-up sheet will be available at our next meeting.

If you hear of one of our members in need, in the hospital, sick, or who suffers a loss, please reach out to our new Sunshine Chairperson, Michele Vinci. Michele can be reached at 914-262-8557.

We will begin working on the calendar for next year in the coming months so if anyone has any ideas to share on ways we can fundraise, please reach out to one of the board members. Until next month, have a good month with your families, enjoy the summer weather and if you are traveling, please stay safe.

Ours in Service & With a Volunteer's Heart,

Linda M Perry

President, Ladies Club #877

Volunteering is at the very core of being a human. No one has made it through life without someone else's help.

Veterans Corner

By Tom Carroll

U.S. Sen. Joe Manchin, D-W.Va., a member of the Veterans Affairs (VA) Committee, has applauded the passage of 10 bills from the VA Committee.

The legislation passed addresses veterans' mental health, including a suicide prevention bill to help prevent veterans from dying by suicide.

The legislation now goes to the full Senate for consideration.

Highlights from the bills include:

S. 785 Commander John Scott Hannon Veterans Mental Health Care Improvement Act of 2019 is a landmark bipartisan bill and a comprehensive, aggressive approach to connect more veterans with mental health services. Key sections of the bill include:

- Extends Veterans Affairs (VA) health care eligibility to transitioning veterans for a full year after their separation or discharge from the Armed Forces.
- Provides financial assistance to certain entities to provide and coordinate the provision of suicide prevention services for eligible individuals and their families.
- Updates clinical practice guidelines for assessment and management of patients at risk for suicide.
- Establishes Department of Veterans Affairs and Department of Defense of Clinical practice guidelines for the treatment of serious mental illness.
- Conduct study on effectiveness of suicide prevention and mental health outreach programs of the Department of Veterans Affairs.
- Requires VA to create a staffing improvement plan for the hiring of mental health providers, including the number of positions and where those positions are located, that need to be filled in order to meet demand, and what regional-specific steps are being taken to address the shortages.
- Provides funding to expand existing or create new partnerships that increase the number of locations that VA telehealth care is available at a non-VA facility.

S. 2336 Department of Veterans Affairs Information Technology Reform Act will require VA to institute much-needed reforms to its planning, management, and budgeting processes to improve the department's transparency and operation.

S. 2864 Sergeant Daniel Somers Veterans Network Support Act of 2019 establishes a pilot program to encourage members of the Armed Forces transitioning to civilian life to designate 10 people as a support network. This support network will be sent information about assistance and benefits programs. Sgt. Daniel Somers was an American soldier from Arizona who died by suicide in 2013.

S. 524 Department of Veterans Affairs Tribal Advisory Committee Act of 2019 will focus on evolving issues to Tribes related to VA programs, communicate committee findings and recommendations to the secretary. Provides guidance to the secretary regarding issues relating to Tribal and Indian affairs. Facilitates, but not supplants, government-to-government consultation between the VA and its administrations, and tribes.

S. 2594 Veterans' Preference Parity Act modifies the eligibility criteria for certain veterans to qualify for a preference in the federal hiring process. Specifically, an individual who is honorably discharged from active-duty service is eligible for a veterans' preference, if the active duty service was performed for more than 180 total days (currently, consecutive days). Additionally, a retired member of the Armed Forces is eligible for a veterans' preference, even if the retiree (1) is not a disabled veteran and (2) retired at or above the rank of major or its equivalent.

S. 850 Highly Rural Veteran Transportation Program Extension Act (Committee Print) directs VA to develop a national protocol for administering medical exams to volunteer drivers and directs GAO to study the effectiveness of the volunteer driver program operated by VA in conjunction with VSOs. Extends the authorization of funding for VA grants to veterans service organizations for highly rural veterans' transportation for medical care until 2021. Makes permanent VA's authority to transport individuals and eligible family members to or from VA facilities or other locations for the purpose of receiving care, vocational rehabilitation, or counseling. The current authority is set to expire on Sept. 30, 2020.

S. 3110 Identifying Barriers and Best Practices Study Act of 2019 requires a GAO study within 36 months on the disability and pension benefits provided to Guard and Reserve service members. The study will focus on the period between Jan 1, 2008, and Dec. 31, 2018, and provide a comparison between the active and reserve components as it relates to percentage of each group of such veterans with service-connected disabilities, and the number of veterans in each group with each disability rating.

S. 123 Ensuring Quality Care for Our Veterans Act is a third-party review of appointees in Veterans Health Administration who had a license terminated for cause and notice to individuals treated by those appointees if determined that an episode of care or services which they received was below the standard of care.

S. 450 Veterans Improved Access and Care Act of 2019 (Committee Print) is an expansion of quarterly update of information on staffing and vacancies at facilities of the Department of Veterans Affairs to include information on duration of hiring process. Modifies MISSION Act Section 505 to require additional information when providing quarterly staffing and vacancy, broken out specifically for VA health care providers.

S. 3182 Helping Expand and Launch Transitional Health for Women Veterans Act is a continuation of the women's health transition training pilot program of Department of Veterans Affairs. Requires VA to carry out the Women's Health Transition Training pilot program through at least fiscal year 2020.

MONDAY, JUNE 17TH

PHILIP J. ROTELLA GOLF COURSE

Sign-up sheets will be available at the Lodge Grill Room starting April 5th. As I do every year, I am asking that you use these sheets to sign up, include all members of your foursome, and at least one phone number. If you are going to just put your name in and indicate the others will be named later we will need all the names by May 5th. If you are a single, indicate that on the sheet and we will try to hook you up with a group.

Please do not:

- Assume your group, or you, are in because you played in a prior year's outing.
- Assume someone else in your group put a sheet in.
- Ask a bartender to tell either me or Richie.
- Anything else besides filing out a sheet and putting it in the envelope behind the bar.

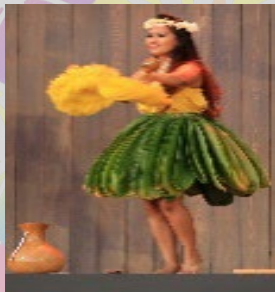

Right now the cost is going to be \$160. As I mentioned in a previous article, the increase will be necessary if we do not have a 12th hole "Beat the Pro" contest. So far, no one has volunteered to take it over.

Seems like interest in the golf club raffle has been declining over the past few years. We may or may not have one this year.
