# Exalted Ruler

Hello Brothers and Sisters,

As I write this article, I have just attended the first Business Session representing our Lodge at the California-Hawaii Elks Association State Convention. I have been to a few of these conventions, and the pride I feel being in a room full of fellow Elks, sitting with other Brothers and Sisters from our District as we sing the National Anthem, never ceases to amaze me.

This month, I am particularly proud of our Lodge. On April 27th, we held the Southeast District Ritual Competition at our Lodge. I was amazed by the number of people who told me how beautiful the Lodge was and how welcoming our members were.

In the competition, several individuals from our team did very well. The Chaplain and Inner Guard took first place in their positions and the Esquire and Exalted Ruler not only took first place in their positions, but they also took the two "most impressive" awards that were given out. In addition to the Team competition, I personally won the 11 o'clock toast and Flag Salute Presentation awards and will be representing our Lodge at the State level. I hope to do us proud.

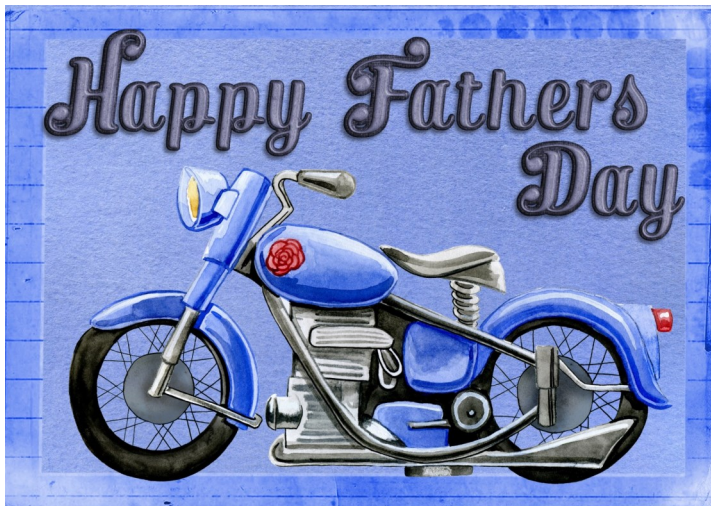

If you haven't visited the Lodge lately, I urge you to come and witness the positive changes we've made. From the moment you step through the front door, you'll see the upgrades we've implemented in the last few months. These changes are a reflection of our commitment to making the Lodge a place you can be proud to be a member of and want to actively participate in its activities. Your presence and participation are crucial in maintaining the vibrancy and spirit of our community.

If you want a reason to come, I recommend grabbing your family and friends and bringing them to our Casino Night on May 31st. All money raised will benefit both the California-Hawaii Elks Major Project and the Lodge.

Also, coming up on Monday, June 3rd we will have our CHEA Association Vice President Visitation. This is where the Lodge raises most of the money that we pass on to CHEMPI. This is a fun evening and a great way to help support us in doing what Elks do; help kids walk, talk, see, and play.

That's all for now, make it a great month, and I look forward to seeing YOU at YOUR San Bernardino Elks Lodge.

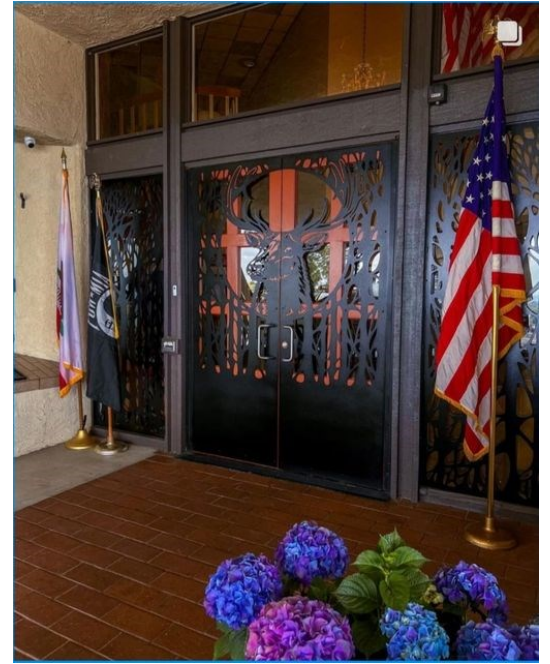

**Sarah Rangel, ER**

### **Elk of the Month**

This month, I would like to spotlight a 15-year member of our Lodge, Ken Pruitt. We have Ken and his son, Kenny, to thank not only for the amazing new front door covers at the Lodge but also for the equally nice new wall decoration in the Lodge Room. When we needed help covering the damage done to the front doors by a stray dog, Ken stepped up and came up with a truly beautiful solution.

Ken has been a San Bernardino Resident for over 25 years, and he loves to spend outdoors with his kids and grandkids; he also owns the company Dirty Dino Metal, which designed and created the door coverings. Thank you, Ken, for helping our Lodge when we sorely needed it and helping to make the outside of our Lodge as beautiful as the people inside.

### **Volunteer of the Month**

It's impossible to choose just one volunteer for this month. I have instead chosen who I consider to be the Lodge Restoration Crew. This consists of Jason Valenzuela, Candace Valenzuela, G Guerrero, Holly Guerrero, and Ralph Rangel. Over the last month, these five have spent countless hours at the Lodge getting everything looking amazing in preparation for the Ritual Competition and for us to open the Lodge up to the public for BINGO starting in June. And have they ever achieved their goals? The Lodge is looking better than it has in as long as I can remember, and according to what other members have said, I'm not the only one who thinks so. Thank you to all who have made the Lodge a source of pride for all members.

## Secretary

My Fellow Members,

As you know summer is approaching. "Everything good, and everything magical happens between the month of June through August". So, let's get out and enjoy the beautiful sunshine. But continue to stay safe.

Birthday Dinner's for the month of June: Come and enjoy your birthday dinner at the Elks Lodge on June 07, 2024. Please look for your dinner coupon in your bulletin along with the drink coupon.

Remember to bring it to the Lodge on birthday Friday to receive your dinner & drink. It's also Karaoke Night so come and sing.

**Bless all**

**Rudy Vargas, Secretary**

## Veterans News

Due to some scheduling issues, the date for the golf outing had to be postponed, but I am pleased to announce that on Wednesday, May 1, ten (10) Veterans from the LINKS Program at the LLVAMC joined our Elks Golf Group at Shandin Hills

Golf Course for a round of golf. After their morning on the course, they went to the Lodge for lunch. Lodge Golf Chair, Tom Poole, hosted the event and reported that everyone had a great time!! LLVAMC Lead Recreational Therapist, Aaron Hunt, organized the Veterans that played and as he reported back to me, we agreed that this should become an annual event. YAY!!!

Just received word that the VA Loma Linda Veteran Baby Shower is going to be held on July 26, 2024. They are requesting that ALL donations be delivered to the Voluntary Services Office during the **last week of June**. This will give them time to inventory their donations and prepare the gifts for the new parents. They have, once again, given us a very extensive "Wish List", but I would like for our donations to be specific to what we do BEST...

Diapers – Newborn to Size 4

Baby Wipes

Diaper Bags

Receiving Blankets

If you would like to donate any of these items for the Veterans Baby Shower, please bring them to the Lodge by **Wednesday, June 19**. If you would like to donate cash, I will shop for you. Thank you for your continued support,

Beth Alexander, Chair, Lodge Veterans Committee

# Emblem Club News

**Business Mtgs first Wednesday of each month - 7:00 pm**  
**Bunco is the third Wednesday of each month—12:30 pm**

Summer is coming, and hopefully, we can all take advantage of the warm weather. As always, the Annual State Convention was fantastic. President Pamela Stein brought a lot of good information back to our club. We welcome Jackie Still, from Eureka Emblem Club #298, as our State President for the upcoming year. The Lost Children's Room/Lost and Found was a huge success as a fundraiser and a great benefit to the Orange Show, parents, and children. Chairman Terry Gamson did a great job again this year!! The Mother's Day brunch was as beautiful and delicious as ever!! We are excited to play more BINGO and have enjoyed it so far!! Come out on the third Wednesday of each month and play BINGO with us. Everyone is welcome!!
