If you've been to any of the functions or meetings at the Lodge over the past few months, you must have noticed that one particular woman walking around looking more and more like she was smuggling basketballs for Caitlin Clark!!

Well that beautiful woman is none other than the First Lady of the Waterloo Elks Lodge, Baileigh Brickman. And on Thursday, July 25th, the new prince arrived!!

While the King and Queen are a bit shy releasing specifics, word has it the Crew will be full of energy in the incoming days. Please take a minute to email Cody and Baileigh to congratulate the on the birth of their first born! I've attached their email address below.

Email Cody Brickman.

It is with much regret we need to inform you that our 2nd Chef, Robin Wright, is resigned for health reasons. Robin has been the creator of some amazing meals and lunches for Elks Members. We wish her all the best and trust her health issues will resolve themselves. We will be sending her a card thanking her for her years of service. If you would like to sign it or leave a small message, please contact Gayle, as she will be sending out the card.

Great story about Pete and Ann Fuller's son, Dave Fuller

WE NEED YOU!

We Need YOU to help us recruit new members! The goal this year is for every member to propose one new member to the Lodge. That would go a long way to meeting our goals! Please help!!

Gatsby's and the Park Ave Lounge continues to serve our members with comfort and amazing food.

Friday is Happy Hour from 4:30 pm - 6:00 pm where you purchase your first beverage at regular price and receive the second for 1/2 price?

Just another way to say thank-you for being an Elk and spending some time with us!

Volunteers!!!

You ROCK!!

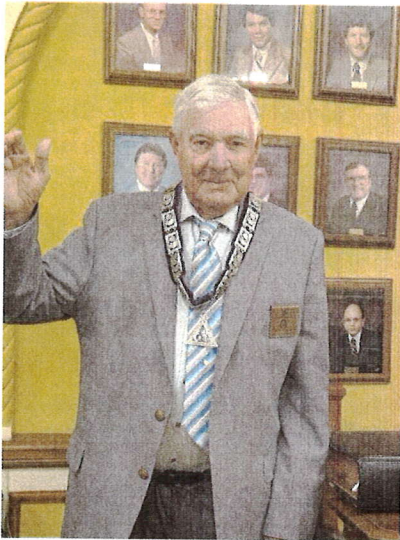

Have you looked at the wood trim around the Park Ave door??

Our new member Brent Boevers has spent hours working on scraping, sanding and repainting that trim to add back the elegance of entering the Elks Lodge while PER Charles Wheeland stepped up to cover the cost.

Also, Virgil Haley and Steve Crouse spent a number of hours pounding, prying and sawing to get the old chair platforms from the Lodge Room and sent to the landfill!

Neither of these jobs was easy and a HUGE thank-you goes to all of them.

Until you can be better paid....THANK-YOU.
