

# THE VETERANS COMMITTEE DELIVERS ANOTHER WELCOME HOME KIT

Kansas City Northland Lodge #2376 received a request from the *Center for Development and Civic Engagement* to provide a **Welcome Home Kit** for a veteran that has been homeless. He now has been able to get the assistance from Social Worker Wendy Tschirhart, of the Housing and Urban Development-VA Special Housing (HUD-VASH) Department at the Kansas City Veterans Hospital. The veteran in question, Edward, is moving into a permanent residence for the first time in over 18 years. The **Welcome Home Kit** of required household items has been delivered by the Lodge Veterans committee.
