THANKS to our regulars who help and no one seems to know..... Virgil, Kent, Cody, doing about everything. Thanks Reid for all you do! Thanks to devote member Rick Chase who along with his sweet wife did some seriously needed raking.

Thanks to Gayle for outside building work and keeping the popcorn machine ready for fresh to be popped! To Chef Gary who came in the nick of time before Gayle went into the dumpster WITH the leaves. Same thanks Dillion for all of Gayle rescues. Staff Lisa being the best artificial tree fluffer!

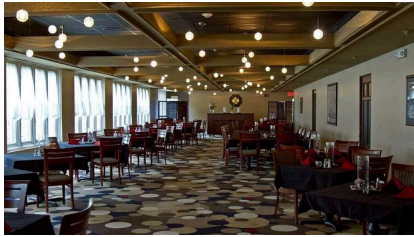

Calling all Elks volunteers!

Anyone interested in helping Gayle clean the Brass Lounge before New Years Eve?????, dust, vacuum, lots of glass and mirrors! Give her a call or text 319 290 3916 or gandglark3@gmail.com ASAP ! Times are flexible as is the amount of time you can give. If everyone took one small thing to do for the Lodge upkeep helps! Once a week get your steps in by checking on grounds for garbage or things needed for our beloved 100 year old building.
