Membership Matters

- May is our Membership Matters month. Our members are the heart of our organization.
 - Elks Lodge membership matters because it offers a blend of community, philanthropy, and personal benefits.
 - Members gain access to a network of local and national lodges, fostering social connections and opportunities for volunteerism and support.
 - The Elks also contribute significantly to charitable initiatives, like scholarships and veteran support, while offering members exclusive discounts and benefits.

By the Way . . .

Did you know Elks LOVE children? We do!!

We'd love to see your children and grandchildren come in with you. Bring them for dinner or how 'bout some family fun on a Pizza – Game night?

Elks memberships become family legacies passed from generation to generation. What greater gift than showing your loved ones as an Elk You Care / You Share!
