

Meet Wish Kid Grant

Grant is a busy 12-year-old boy who lives in St. Charles, MO with his mom, dad, and twin brother. Grant's parents describe him as lovable and a good reader.

Grant is most happy when he is reading or swimming. Some of Grant's favorite things are kids YouTube songs, gummy bears, McDonald's french fries, and mac n' cheese.

"Grant's medical journey has been eye-opening. Grant's wish experience gave us some fun and make memories that don't include Grant's medical needs." - Grant's mom, Amber

Thank you for partnering with Make-A-Wish Missouri & Kansas® to help support all of the children we serve throughout our region. You truly are helping us take a step toward our vision of granting the heartfelt wish of every eligible child.
