

ELKS NATIONAL VETERANS SERVICE COMMISSION

SERVING OUR NATION'S VETERANS

Every night, thousands of veterans are without homes. Each with a different story, they all shared a common pledge: to support and defend this country. Their service is done. Now, it's the Elks' turn to serve.

In partnership with the Department of Veterans Affairs, the Elks National Veterans Service Commission has pledged to help end veteran homelessness, and ensure that every veteran has the safe, stable home they deserve.

Most veterans move into their homes with nothing. Elks help veterans establish their homes by building Welcome Home Kits. Generally, this kit would include some small furniture, kitchenware, and cleaning supplies. Items can be new or used, donated or purchased.
