

STEP IT UP

Mission

Each year, Step It Up seeks to provide new tennis shoes to hundreds of children in Elgin and surrounding communities as they enter into the new school year.

Since its beginning, Step It Up has provided over 14,000 pairs of shoes to children in our community - a number that we are blessed to see continue to grow year after year.

We are able to provide these shoes through partnerships with other congregations, businesses and through donations from caring individuals. Through this ministry we meet a need in the community and share God's love with those close to home.
