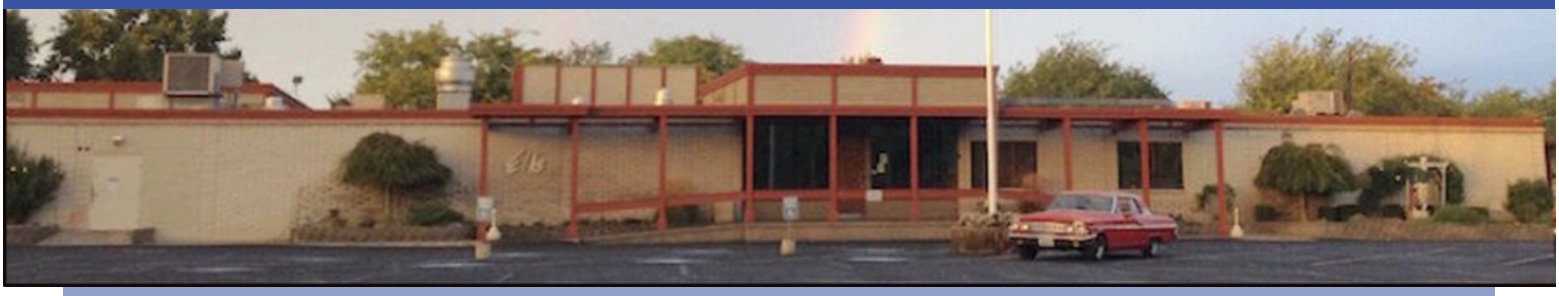
ELKS LODGE 318

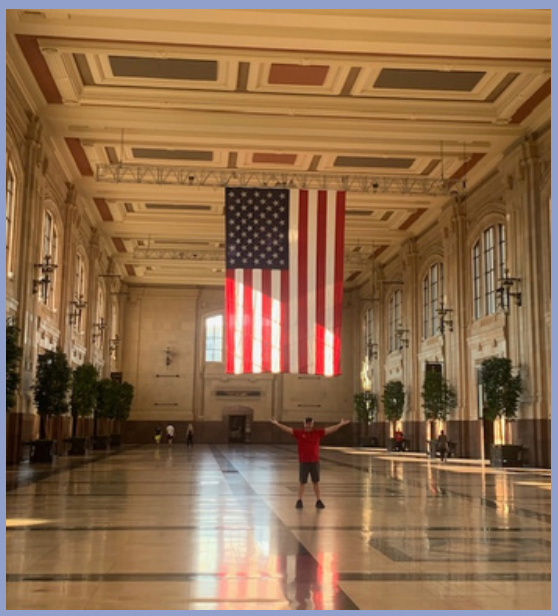
TRUMPET

THE CALL OF THE YAKIMA ELK

JUNE 2025



Exalted Ruler's Message



Salutations 318 family,

It is with great honor and privilege to report to you from Kansas City Grand Lodge Convention. The heart of Elkdom beats strong with pride, especially during this month of July. The 2025 opening ceremony was on point with an excellent flag presentation, represented by all six military branches of which we owe tremendous gratitude and respect for the freedom we cherish. A special thank you shout out to the West Valley JROTC for their excellent participation in our very own Flag day presentation! Those fine gentlemen did a wonderful job.

The motto of our new Grand exalted ruler is "Be the difference." Our lodges work together in many ways to support our veterans, active military and their families, yet there are many more things that can be done. I encourage everyone to become involved in the efforts that support our incredible group of armed forces.

We welcome all of our new members and look forward to seeing everyone at the lodge. Please be sure to update your information with Tamara in the front office so you will be sure to get updates. Invite a friend or family member to come see what the Elks is all about and remember...Elks never forget, Thank a vet!

Have a wonderful time celebrating Independance Day,

Perry Peltier

Want to Be Featured in the Trumpet as a Sponsor?

We love highlighting the amazing businesses and individuals who support our lodge –and we'd love to include you!

If you're interested in becoming a sponsor and having your ad featured in our monthly community newsletter, reach out to Tamara at the front desk. She'll get you all the details you need to get started.

Join the other incredible sponsors who show their Elk pride each month in the Trumpet!

Events Committee

The Elks Events Committee Wants YOU!

Love the Elks? Love a good time? Even better–love helping make the good times happen?

Our Events Committee is already off and running, but we're looking for more creative, motivated, fun-loving folks to join the crew! We organize all kinds of events –from family-friendly hangouts to adults-only nights out–and we'd love your help making them even better.

Bonus: the events we put on help raise money for clubhouse improvements and support Elks Charities–so you get to have fun and make an impact.

We meet the 2nd Wednesday of each month at 6 PM in the bar. Swing by, grab a drink, and let's plan something great together.

Our Kids

Washington Elks Therapy Program for Children, Inc.
Our State Major Project

Meet Bryce, who has been receiving services from the Elk's Therapy Program since April of 2024. Bryce is on the autism spectrum and has global development delays. His insurance only covered a limited amount of outpatient occupational therapy sessions; hence he was referred to our program for in-home therapy services.

Bryce's parents share, "We are both very pleased with the progress Bryce has made over the past 9 months since starting to work with our Elks therapist. Bryce has made considerable progress in terms of his social skills and ability to form bonds with individuals outside of us (his parents). "

"Bryce has also shown substantial improvement in his tolerance for different sensory experiences. He enjoys putting his hands on various textures and has transitioned from being mostly sensory avoidant to finding sensory experiences very pleasant. He loves listening to music and smelling candles. He now seeks out these diverse sensory experiences (Orbeez, Play-Doh, dirt, mud, etc.) instead of avoiding them. He still needs to work on tolerance for different vestibular sensory experiences but has made some progress with tolerance for sitting in the back seat of the car with less motion sickness".

"Bryce has also grown in his ability to perform some fine motor tasks and is showing more patience with attempting to complete fine motor challenges. He can now string beads on a pipe-cleaner, turn a sink faucet on and off, open most door handles, pull up his pants, do some of the steps of brushing his teeth and hold a small crayon with a more appropriate grasp some of the time. He does continue to need to work on self-care skills but has the ability to complete some of the components of these essential tasks. We are so pleased to see him developing in this realm".

"We are very appreciative of the Elks Organization for providing us with this opportunity to work with a wonderful occupational therapist in our home. This assistance has been so important for allowing our son to work towards his full developmental potential".
