

Indiana Elks Provide Christmas Cheer for Homebound Vets

One of the missions for the Elks is to provide support to veterans. One project our Lodge proudly accomplishes each year is to give holiday gifts to all veterans living in nursing and personal care homes throughout Indiana County. This year, Maple Valley Personal Care Home shared a few photos of residents opening and enjoying their gifts.

Our thanks to committee volunteers: Colleen McGinnis (Committee Chair), Maureen Bash, Lea Ann Kunkle, Mary Morgan, Ginny McGinnis and Diane Daskivich. Bill and Marianne Bird provided help with gift preparation and delivery. Special recognition to Ginny McGinnis and Jan Cikowski for contributing homemade afghans to 36 of the Veterans.
