### Exalted Ruler's Message

This month we open nominations for the 2026-27 Lodge Officers. I want to say thank you to everyone that has help not only our officers and our Lodge but also me this past year. **On February 11<sup>th</sup> at our normal Wednesday night dinner I will say a "few" words about many of the members that have been a tremendous help for the success of our Lodge in 2025-26.** I heard a great acronym at winter convention. **TEAM – Together Elks Accomplish More!**

That is truly an understatement of what we do nationally and in our local community. There are still a lot of volunteer opportunities in the next few months so please come out and join us at the lodge.

I hope everyone saw the notes about the scam email that went out in January. Please always check the email and not just the display name. Neither I nor any other officer would ever ask anyone to purchase anything via email. When in doubt always call and verify, especially if the information says they cannot talk. It is just a ploy to keep you away from contacting someone. This happened across our nation to several ERs and this was not the first time it has happened. We still do not know how our members were targeted.

Continue to spread the word and share your experiences about the Elks. For up to date information tune into our Lodges Facebook page <https://www.facebook.com/OHELKS2362>

### Beautification:

Well it is that time of the year to start cleaning and trimming the exterior of the lodge. If you are free please stop by at 9am on 15 February to help. Bring gloves, trimming tools, rakes, and brooms. Come out and give Doc Morgan a hand, he will be supervising the exterior while I clean equipment, ducts and light covers inside.

## Coin Box Thanks

Awesome!!!! Thank You

We held our annual coin box dinner on Jan. 9<sup>th</sup>. You amazing people donated \$4,726.36 to our State Major Project.

Jennifer Braden, our district representative, introduced Ray Perry, our therapist, who walked us through what he does and what the program has meant to him. He has been involved for 30 years. He then introduced us to Amele's parents, Steve and Janet Rutz, who had a power point program that showed how their daughter has been part of this program for 16 years.

I would like to thank Rachel for cooking a great spaghetti dinner. ER Mike brought dessert, picked up plates and then washed them. Others who helped were: Kerry, Rob An-

glesea, Ed Sem, Gary Karg, Dale Sandri, Myra Thomas and my wife Jeanette.

On Saturday morning we rolled all the coins. Helping were: Luis and Mary Ferrer, Rob, Dale, John Vega, Gary, Bruno Bechtholdt and Jeanette. Mike Campbell took them all to the bank.

I would like to remind you to put your name on any coin boxes you bring to the Lodge. We had a couple that had no names, therefore the credit goes to the Lodge vice that individual person.

I would like to thank you all for your continued support of the Washington Therapy Program for Children.

Art Sem  
Lodge Therapy Chair

# KERRY'S KORNER

Happy Valentines Day to all of the Sweethearts out there!!

So, thank yous! To Ted & Paula, Rick & Kevin, Donna, Cheryl, Del, Cindy and Sue...our wonderful bulletin crew! Man, o man, when they come in with that many helpers, they are done in absolutely NO time!!! Our first Fish Fry of the year is coming up so we'll be back to thanking that group of very dedicated individuals starting in next month's bulletin!!!

January was a nice quiet month to take some time to catch up, clean up and just take it easy for a few weeks. We will be off and running with rentals again starting this month and moving forward into the new year. Again, if you wish to hold a family celebration here at the lodge, just swing by and we can review dates and see what we can do to help you out.

I've been asked by several different members why our Wednesday night dinner attendance seems to be so low as of late and my answer is, "I don't know!" I'm not sure if folks just don't care for the variety of specials that we offer throughout the month, they don't care too much for the regular menu items, or they are just not interested in coming here for dinner! We've had wonderful "guest" chefs come in and work their magic for dinners, and I truly appreciate them!!! The offer is always open for a member to come in and whip up their favorite meal for a "special". All you have to do is let me know what you want for ingredients and I'll get your stuff here and have it ready to go for when you want to come in and take over the kitchen. Wes and I try to work up the menus about three months at a time, but we can always change things up if you get pressed for time and want to do something sooner than later!!!

An observation....again with the moving of furniture....I know that our rooms are "always in motion" due to our lodge happenings as well as the rentals that happen throughout the week. What I'm hoping to see happen is, when I get done with a rental event, I'm going to work harder at making sure the room (s) get put back to what we would consider "normal"! When an officer, a chairman or anyone doing something out of the ordinary get done with an event, you as well, will make sure to reset the footprint of the room that you are in.... as close as possible. Don't leave stacks of chairs just wherever, tables up and in the way, carts all cattywampus instead of lined up out of the way, chairs scattered all over a room instead of tucked nicely around a table...little things that you probably think are rather petty, but, for some of our members navigating around obstacles can be rather tricky when using walkers and/or wheelchairs.

We've been very blessed to have many, many new members and again, welcome to the Elks. If there is something that you enjoy drinking and don't find that we have here in the lounge, please feel free to let our bartenders know what that may be and we'll work diligently to try and make it available....and please, try to remember to drink that item when you do come in!!

Take care, Kerry

## OUR KIDS

### Washington Elks Therapy Program for Children, Inc. Our State Major Project

This is Alex who is a sweet and active 11-year-old boy who has been seen by the Elks Therapy Program for Children by 2 Elks therapists. When we met his mom was so happy to know she would have reliable care for her child again.

Alex has gone through a lot of changes over the last 2 years and most recently underwent bilateral lower extremity surgery to assist with mobility. Besides Downs Syndrome he also had a CVA shortly after birth affecting his right side, both upper body and lower body. To assist in regaining the active range of motion in his forearm and wrist we have been using stimulation with good results.

Some of the other areas we have been working on have been feeding, visual perception, fine and gross motor control and regaining active range of motion in his upper right arm which will further assist him with his overall function and his ability to complete more functional tasks independently.

Alex lives with his mom and she is constantly striving to get the best care possible for her son, he has 5 grown brothers and sisters who also spoil him as often as possible. He spends time with his dad as often as he can and loves to facetime with him on the phone.

One of his biggest issues right now are his recurring seizures which can occur at any time. His doctors are modifying his medications as he grows to assist with his seizures.

Alex is most thankful for his family and the Elks Therapy Program for Children, thank you to all the Elks for helping me!

Thank You!

Thank You!

February is a month of love—and for the Benevolent and Protective Order of Elks, it's also a time of celebration.

On February 16, we mark 158 years of service, generosity, and dedication to our communities. Guided by Grand Exalted Ruler Bryan Klatt's call to Be The Difference and the Elks National Foundation's mission of building stronger communities, we honor the spirit of Elkdom that has carried us through the decades.

From scholarships for students to aid for veterans and support for neighbors in need, our work reflects the love and care we celebrate

this season. Every Member makes a difference. Each new face strengthens our foundation, expands our reach, and ensures that Elkdom remains a vibrant force for good.

To keep that heartbeat strong, it is vital that every candidate is initiated before March 31 so that your Lodge can achieve a membership gain. Growth not only secures our future but also opens the door to fresh ideas, new opportunities, and greater ways to serve.

This February, let's celebrate love, legacy, and growth by choosing to Be The Difference. Whether through a kind act, welcoming a new Member, or joining a Lodge event, every effort keeps Elkdom thriving. Here's to 158 years of service, love, and the enduring spirit of Elkdom!

### Baked Potato Bar!!!

Yes, we have one more baked potato before the big “Sock Hop” in March. Before I get to the details for this month, I have a few thank yous. First to Dave H., the ONLY RSVP last month! :( Also, a huge thank you to my Brother Brother (Blood and Lodge) Tom, who jumped in with both feet and two spoons to help get the December feed put together; and of course, my loving wife, Liz, who is always there for me.

Just a few weeks ago, we had our Mid-Winter convention, and the State Association voted in Dean McCoy from the Forks Lodge to represent the West District as our Vice President. What that means to me/us is that now my campaign is officially full speed-ahead. So here are the details for February. The 6th of February will be our next, but not our last, Baked Potato Bar. As with most of our meals, we will start about 6:00 pm. A baked tater, with all kinds of stuffin's, and salad(s) for a requested donation of \$10.00.

As mentioned above, the “Sock Hop”?!? Yes, next month, the 6th of MARCH will be a fun old school sock hop dance. Dinner will be a cheese/hamburger or hot dog with fries and root-beer floats! Of course, there will be some healthy stuff too because this is 2026, not 1956, and we are NOT 19 years old anymore. Start getting your costumes together and buy those new socks, and let's have some fun. Spoiler alert, Davey Barber from Oak Harbor will be our spin master for the night, so “be there or be square”.

Fragternally,  
Marc deLeuze
