Exalted Ruler's Message

Dear Brothers and Sisters,

If you were not aware the message from your ER has to be submitted by the 15th of the month prior to the Antlers being produced and mailed. Today being the 12th of May I'm currently at the C.H.E.A. annual convention in San Diego representing our Lodge.

The ritual competition this year was at the Chico Lodge. I was proud of the performance and effort put forth by our ritual team.

Also special thanks to PER's Rich Warren, who stepped in at the last minute to take my place, Larry Olsen, for coaching, Dave Arbsland, candidate, and George and Cherylle Waters for assisting with practices.

I'm going to miss the Mexican Dinner this week the food sounded excellent, but I will be back in time for Bill Feeney's Lamb Feed.

The Mother's Day luncheon had a good turn out. At my last count 79 meals were served. The House Committee did another excellent job and the BBQ chicken was excellent. All the mothers received a flower. It was a pleasure to be there to hand out the flowers and the mothers were all pleased.

Remember Brothers and Sisters Charity, Justice, Brotherly Love and Fidelity are the foundations of our order and as American citizens we should guide our course in life by those cardinal principles of our Order. Fraternally Yours, Harold White, Exalted Ruler

Sickness And Distress By Milt Gordon

It is our sad duty to announce the death of our long time member, Brother George D. "Dan" Ellis. Graveside services have been held at our local cemetery. Our sincere condolences are extended to his family.

Also, Ora Argo, widow of our late Brother, Harry Argo and the mother of Brother Frank Argo, of Princeton, passed away late in April in Chico. Ora will be remembered by many for having attended every one of our memorial services, until last December, since the death of her husband. More recently, we were saddened to hear of the death of Eleanore Ward, the wife of Brother Buck Ward, following a short illness. The sympathy of our officers and members is extended to the families of both Ora and Eleanor.

Brother Joe Hinton recently had surgery and is now home and doing very well. We wish him the best and hope for a full and complete recovery.

We reported in one of our recent Antlers that Brother Joe Bach, of Princeton, had undergone inner ear surgery. After a series of follow-up treatments in Sacramento, he is now home and will have future treatments with his primary care physician in Woodland. We wish the best for him.

By the time this issue reaches you, Brother Ed Owens should be home fol-

lowing an extended stay in the U.C. Davis hospital in Sacramento, where he has undergone two neck surgeries. We hope he will have a complete recovery.

Bernice Hiller has been in the hospital for surgery and is now home recovering. We wish her well.

Major Project By Bud Bernard

Our main fund raiser for the year is over and considering everything was very successful—thanks to all of you generous people. We only had 51 people for dinner but those people were great. Thank you to all who attended, donated items, purchased raffle tickets, purchased auction items, turned in piggy banks (Neoma Bailey, Arta Davis, Kaitlin, Marissa & Michael Flowerdew, Richard Gilmore, Robert Mann, Carlene Morgan, Leroy & Barbara Robinette, Mary Lu Walker, Kerri Warren & Harold White) and donated for Century Club certificates (Alan Barceloux, Arta Davis and Bernice Hiller). Also to Kris Wallis for her donations in memory of friends. Again I would like to thank the House Committee for preparing and serving the dinner. The total for the evening (excluding the dinner) was \$2,749.72. Again a big THANK YOU.

The bar pigs were fed \$31.35 in April and the “No Swear” pigs collected \$40.00 for the same period. Thanks also to Dick Pence for his donation (Dick has been giving a donation every month—really appreciate that Dick).

NOTE: - for those of you that have donated with your dues, thank you and if it was enough for a Century Club Certificate those will be issued soon.
