## From The Desk of the Exalted Ruler

Hello Everyone! 2015 seems to be flying by! I can't believe it's already February! While starting to reflect on my time as Exalted Ruler, I stop and think about the things that we have accomplished as well as the things and ideas that we all need to continue to work on together. One thing that really stuck out with me, was about the time commitment that many of us spend keeping this lodge and organization running. Also, the time that we take away from our lives and our loved ones. Many times, we ask a lot from ourselves and each other to keep activities and functions happening, all the while, our spouses and our family sometimes take a back seat. I know a lot of the time I ask my husband to fend for himself for dinner or to do extra things around the house because I can not be there to get things done. Between meetings, cleaning nights and the many food nights, it seems like a lot of us are at the lodge many nights of the week. Please remember this the next time you come to an event. Please try to thank someone for their commitment to this lodge and for all that they do. Also, please try to become more involved. Even one night a month would be wonderful. Hope everyone has a wonderful Valentine's Day and don't forget to tell someone that you love them and appreciate them! Have a great month!!

See ya at the lodge,

Fraternally,

Erin Yount

**Elk of the month: Kyle Yount** - Kyle currently serves as one of our trustees. He is also one of our resident handy-men and is always there to help with anything that is asked of him. Whether it is taking out trash or fixing toilets, he is always busy with something. Thanks Kyle for all of your hard work and enjoy your parking spot this month.
