MESSAGE FROM THE EXALTED RULER

The definition of Spring is “a time or season of growth or development.” As excited as I am to move into the ER position, I will be depending on our officers, committee chairs, trustees, staff, and volunteers to help me ensure that Lodge 622 continues to grow, develop and be a huge success!

I would like to personally thank Mark Walp, PER, for his exceptional leadership, and for all the hard work that he and the Lodge teams performed this past year. Mark has unsparingly shared with me how our lodge operates, and introduced me to a great number of our members, committee teams, and volunteers. I cannot thank Mark enough for his willingness to share his insights on how we can maintain the great momentum built with the leadership of Libby Dohm, PER, and Mark, PER, over the last three years. I have no doubt that the current team of members, officers, committee members, trustees, staff, and volunteers will sustain this momentum keeping our doors open for continued growth.

I am very lucky to have the support of a number of Elks that will continue in their roles this year: Bob Riggins, PER, PDD, as Esquire; Berlyn Wheeler, Chaplain; and Don Kaufman, Inner Guard. Two individuals that have also given of their time so that I might hit the ground walking, are Lou Schmeltzer, Secretary, PER, PDD; and Mary Beth Chipkevich, Treasurer. They will also continue in their roles. Bill Grimsley will continue as our House Committee Chairperson, supported by his wife Kim – who is also serving as our Tiler. Joannie Coleman-Casey is advancing from Lecturing Knight to Leading Knight. Two new officers are Dana Forney, Loyal Knight, and Tarell Spriggs, Lecturing Knight.

I became an Elks member in 2022 and was elected Leading Knight that next election year. I bring to my new responsibility as ER over 40 years of audit, accounting, budget experience, frequently as an office director. At the same time, I was a co-owner of a small business.

As an Elk, I have had the pleasure of meeting many of you during our Bingo nights. I am the guy sitting beside my wife Denise who sells the Bingo cards, while I continuously count and re-count the prize money.

As Elks we welcome all guests. As a member you should be encouraging your guests to become our new members. House Committee members will be checking member cards and signing in your guests. Please pick-up a membership application at the door. Be sure to see all upcoming House Committee events on the Horn, Website and Facebook.

Exalter Ruler Message continued from page 1

You should have received a letter introducing the Elks Camp Barrett fundraising effort. I encourage you to contribute. The Camp Barrett Annual Spring Family Picnic will be held Sunday May 26th. Please plan to attend as the day is so much fun for the entire family!

I look forward to working with you this year!

Robert Schelin
EXALTED RULER

SECRETARY'S SAY **April 2024/May 2024**

I would like to open by thanking all the Members that have paid their current dues. This is instrumental in allowing the Lodge to continue the good work that we do in the community. If you are not carrying a BLUE membership & key card, you are among the "unpaid". There are, sadly, over a hundred that are in this group. Please send your dues now. Also, for those who are "paid up" check the list on the bulletin board in the back hall and see if there is anyone that you know that you can prompt to pay their dues. By them doing so, they will then be able to join us in the great things that the House Committee is doing for your enjoyment.

Speaking of the House Committee, please be sure to check the website (elks622.com) for updates on all the events that they have planned and the hours of operation. There is also Facebook and our e-mail blast (if I have a correct e-mail address for you) for the latest notifications.

Unfortunately, as of this writing, there were only 15 Members dropped for non-payment of dues on the 31st of March. This is the lowest number that I can recollect & I must think that some of this result is due to the excellent job Chair Bill Grimsley & our House Committee are doing by providing interesting & entertaining events at your Lodge.

The dropped members can reinstate without a fee within 60 days. They just need to pay last year's & this year's dues and they will be reinstated. Please contact anyone that you know that was among those dropped and try to get them back into the fold.

Any Widows that would like a key card, please request one by sending me a note along with \$5.00 and a stamped, self-addressed envelope and I will get it to you.

I will close by again asking that you advise me when you have any changes to your street or email address. I would also ask that all you "snowbirds" please let me know when you return to Maryland as well as when you leave for the winter. You can either call me at the Lodge at: 410-573-0201x3 or email me at 622elks@gmail.com.

Do not forget to join us at the State Association Family Picnic which will be held at Elks Camp Barrett on May 26th. The gates open at noon for kids' games, swimming, beer, lots of food and fun; all for \$20 a person. Plan to attend for an enjoyable time.

I hope to see you at our Lodge soon,

Lou Schmeltzer, PER, PDD
