On December 19, 2015 many volunteers from the greater DFW region gathered to lay donated wreath's on the graves of our never forgotten Veterans.

Several Lodge members and their family from our Garland Elk's lodge participated in this heart rendering action. The wreath's are donated by "Wreath's Across America".

We filled my little pick- up truck with boxes of wreath's and went about laying wreaths on graves. Many thanks to all who participated.
