From Our Ladies of the Elks—LOE Hello from the LOE! Hope everyone had a great summer. Personally, I am happy to see those 90+ degree days over. I know, in January I'll be griping about the grey, rainy days.

The LOE had a sort of busy summer with Friday night dinners and a few memorials but nothing like what is coming up the next couple months. In October, we will be hosting the Breast Cancer Awareness Brunch on Saturday, October 14. We will have a guest speaker from the American Cancer Society, raffle prizes, silent auction items, and great food. Mark your calendar and RSVP to hold your spot. More details to come soon.

October 20's Friday night dinner will be the always fabulous Linda Stepp's Swiss Steak Dinner. The next Friday, October 27, will be the annual Cal Bogar Oktoberfest. We also have a memorial for Don & Iris Schriever on Saturday, October 7<sup>th</sup>. The LOE is an important part of the Lodge so please come out and support us. And please call in your reservations early. It is necessary for planning the number of meals to serve. With a smile, of course!

President Patti Graham

**ER Corner** Hello ELKS, Wow we are done with summer already and boy did it go by way too fast. I hope that everyone enjoyed the weather and events that we had. I know I did. We have also gained great information and tips from the DD Clinic that we just had, and we are looking forward to the great events that our lodge has to offer. Our membership is continuing to grow and that is so exciting, keep up the great work. Our LOE is still working very hard so please make sure to thank all the wonderful ladies. Also, our SEAHAWKS club is back, and the crowd is awesome. It is not too late to join them, and they would be happy to have you there. Please remember we would like to hear your ideas and thoughts on what you think can help our lodge. We are also always looking for volunteers and would like to have your help in an area that you are interested in. Feel free to let one of our officers know what you would like to do, and we will get you to do what you would like. Veteran's Day is Nov 10th, we would like to thank all of our Veterans with a free dinner. I am so proud of our ELKdome in our lodge. ER Gloria Sanders 2023/2024

**Secretary Happenings** The rains have returned and the Holidays are quickly approaching. Your Lodge is planning many events in the coming months. We have initiated several new members in the past couple of months and several more in the coming month as well. Our Lodge is growing. Last month Jim Olsen, Steve Weidenhammer and I attended the DD Clinic at the Kelso/Longview Lodge. This is where we learn about the programs available to Elks in Washington State as well as nationally. It's exciting to learn about the many ways Elks can make more funds available to our communities, especially for Veterans and children. Then on the drive home thinking about how to get more of our members involved so that we could make them happen for our people. We always have so many potential projects just waiting for Someone to step up and say "I will take the lead and make this happen" You could be this Someone! Looking forward to seeing you at Your Lodge soon. Lori V. Benton, Secretary
