## Kevin's ER Corner

Hey Y'All

For those that don't know me, I'd liked to introduce myself first. I am honored to be an Elk and doubly honored to have the responsibility of being your ER for this upcoming year. A special thank you to Steve McKay for first appointing me to be Tiler and to Jeff Lawhon for nominating me to be a chair officer. I'd also like to recognize Richard and Maria Stiles for guiding me on my Elk journey, as well as to Frank Kerby and Kevin Doult on keeping me on the straight and narrow.

A big thank you to Avan for guiding the Lodge through this past year. You have been great to work with and I hope to be able to fill your tiny shoes! Another thank you to all the officers, committee chairs and volunteers for the work they put in over the past year. Your efforts are seen and appreciated.

In this upcoming year, I am going to look at a few words to guide my actions and my interactions with the members: Unity, Compassion and Courtesy. Throughout this next year I will be encouraging the expression of these themes with the new officers and our membership and I hope we can take these words to heart as we continue to represent our Lodge with honor and dignity. Let us never forget the foundation and groundwork of our Order: To do unto others as we would they should do unto us.

Throughout this year my main goal is going to be pushing for greater participation in the events of this Lodge. Please review the newsletter and other media for what is coming up and make the effort to participate. And when you do see something you will be a part of, bring someone else along! If you have an idea for some other event or activity you would like to have at the Lodge, let's get it going! Reach out and let's try it.

Respectfully submitted,  
Kevin Etris, Exalted Ruler
