### FROM YOUR EXALTED RULER - JAMES HALL

Hello to all. My apologies for missing last month's bulletin! This past month has been very busy, we have had multiple events that were very successful and a couple not so much. I would like to thank all of you that have been helping out!!

One thing that has come to my attention is that the auxiliary will be disbanding. One of the weekly items that the Auxiliary normally handles is Bingo Concessions. The concessions during bingo are vital to the bingo players and bingo makes good money for the lodge. Even with over 300 lodge members, we do not have enough volunteers to keep everything running as we are used to and we are running out of people who are willing to help. As members of the lodge, part of our obligation is community service. So please if you are available for anything it would be greatly appreciated to have your support!

### FROM YOUR LECTURING KNIGHT - AUDIE BLACKWELL

Brothers and Sisters of the Antlers,

As we turn the page to July, we celebrate the heart of summer—a time of warmth, community, and patriotic spirit. With Independence Day at its center, this month reminds us of the freedoms we cherish and the responsibilities we hold, both as citizens and as Elks.

As your Esteemed Lecturing Knight, I reflect on the cardinal virtue of Brotherly Love. It's more than a kind word or a warm smile—it's the commitment we make to stand by one another, to uplift those in need, and to serve with humility and pride.

Let this summer be a season of connection. Attend a Lodge event, bring a friend to the hall, volunteer for a local project, or simply reach out to a fellow member you haven't seen in a while. Our Lodge is only as strong as the bonds we share.

May your July be safe, joyful, and filled with the spirit of Elksdom.

### FROM YOUR CHAPLAIN - NOBLE HARRIS

I hope everyone is enjoying the summer. Here are some fun July facts for you to enjoy!

- Around 150 million hot dogs are consumed on Fourth of July.
- When the Declaration of Independence was signed in 1776, 2.5 million new people lived in the U.S. Now 243 years later, 327.2 million people live in the U.S. per google 2018.
- Americans spend \$1 billion on fireworks annually.

## FROM YOUR LEADING KNIGHT - DELVETA WEST

Hello my fellow Elk family and friends, Hope all is well with you. This is going to be nice, short, and sweet. Well, here we are starting the month of July. Boy does time fly..... All is going pretty good alright with our Page Elks Lodge. We could use a little more volunteers with Slingo, wing nights, Friday night dinners. Yes, we all get burnt out from volunteering but take a little break and come back refreshed with energy to help out again. It was a nice Lodge clean up on Saturday, June 28th. Thank you to everyone that came out and helped. Please take care of yourself, we need everyone to stay healthy. Lastly, thank you for our continuous volunteers in and out of the kitchen and bartenders. If you have any suggestions, please let an Elks Lodge officer know so we can make it better. It's been a pleasure being your Leading Knight!

## FROM YOUR LOUNGE MANAGER - KATELYNN KRING

Happy summer, fellow Elks! I hope all is going well. We currently have over 300 members, but only about 25 to 30 active volunteers who consistently step up. I truly cannot thank these members enough for everything you do.

Thank you to the wing crews, Friday dinner crews, Slingo callers and cashiers, bartenders, bingo workers, shuffleboard leaders, PER taco night teams, lodge cleanup crews, yard maintenance helpers, and anyone else who has pitched in recently. You know who you are, and the lodge wouldn't be what it is today without your support.

There are always multiple events going on at the lodge each week, and I'd love to see more members come up and help out. No matter your ability or availability, there's a way to contribute.

Need a seated job because you're not able to be on your feet much? We've got options for you. Try calling Slingo or Bingo, running the register on a meal night, or helping prepare bulletins and table tents at the start of the month.

Prefer to move around and stay active? We have that too. Consider helping as a money runner at bingo, bartending, cooking a meal, mowing the lawn, pulling weeds, or working bingo concessions.

Not a chef but want to help in the kitchen? No problem. Some Friday dinners are simple to prepare and only require 2 or 3 people with little to no cooking experience. I'm not asking anyone to commit every week or even every month, but if more members pitched in just once in a while, it would give our regular volunteers a much-needed break.

In June alone, over 883 volunteer hours were logged by just about 30 members. That averages out to slight more than 29 hours per person. It's no wonder some of our volunteers are feeling burnt out. A few more hands could make a big difference.

The truth is, if we don't get more help soon, some events may have to be cut. That's the last thing any of us want. Please consider giving just a few hours of your time every now and then. If you're interested, call or text me directly at 928-713-4017.

And to all of our current volunteers...thank you again for everything you do!

## SUCCESSFUL LODGE CLEAN UP!

On Saturday June 28<sup>th</sup> we invited all member to come to the lodge to assist with some projects to keep the lodge in tip top shape. It was very successful and we got ALOT of much needed projects done! Special thank you to Scottt, Kelly, John, Cody, Mandy, Travis, Belinda, Margret, Delveta, Mike, Mark and Richard to coming to the lodge and helping for a couple hours. Our lodge looks great! Thank you for helping.

The large pine trees that were interfering with some of our rental RV parking spots are trimmed up nicely. You will also notice that the giant pile of brush and dried weeds that has called our dirt lot home for far too long is now gone. This is all special thanks to Randy and his grandson! Randy and his grandson spent hours, and multiple trips to the dump, to get these two HUGE projects completed after we were unable to get to them at the last few lodge cleanup days. Thank you Randy!
