

# NEED AIRPORT TRANSPORT?

**Guests are responsible for booking transportation. There are plenty of budget-friendly options to get to and from Chicago's airports!**

**Take a taxi! Cabs are plentiful and prices are regulated.**

**Ride sharing services like Lyft or Uber are available at both airports in designated areas.**

**Use public transportation. The L is cheap and easy. The Orange Line services Midway and the Blue line services O'Hare.**

**If you have questions, please contact the Hoop Shoot office at [hoopshoot@elks.org](mailto:hoopshoot@elks.org) or 773/755-4758.**
