

Membership in the ENF's Loyalty Club is Now Five Consecutive Years of Giving!

The ENF is changing Loyalty Club requirements to five years from 10, because 10 years is too long to wait to thank our most reliable donors.

Elks
National
Foundation, Inc.

The ENF created the Loyalty Club to encourage and reward annual giving. We appreciate your consistent support!

Any donor with 5, 10, 15, 20, and 25 years of consecutive giving under their belt can expect a pin and member card sticker in the mail next fiscal year as thanks for their commitment to the ENF and our programs.

Why is the Change to 5 Years Better for You?

You don't have to wait as long to be recognized. Plus, if you miss a year, hopping back on track for Loyalty Club membership will be much less daunting.

The primary purpose of the Loyalty Club is to thank our most reliable donors. We just want to send our thanks a few years earlier. So...

THANK YOU!

Thanks for coming back year after year. The continuous generosity of our Loyalty Club members allows us to build stronger communities.
