FROM YOUR EXALTED RULER

Greetings Elkdom,
Ten years ago, in 2016, Riverside Elks Lodge #643 had 414 members.
Today, 1,015 members call Riverside Lodge #643 home.

Take a moment and think about that. In just ten years, our membership has grown by more than 600 members, an increase of approximately 145%. We have more than doubled in size and today have the distinction of being the largest Lodge in the Southeast District.

Those are numbers worth celebrating. But the numbers alone don't tell our story.

We didn't reach 1,000 members because of one person, one committee, one Exalted Ruler, or one administration. This milestone has been years in the making. It belongs to the members who came before us, those who kept our Lodge moving forward during challenging times, and those who continue to give their time and talents today.

It belongs to the members who invited a friend to join. To those who welcomed a new face at the bar or invited someone to sit at their table. To the volunteers who cook our meals, run Bingo, organize events, maintain our building, serve on committees, raise money and step in wherever an extra pair of hands is needed.

Every one of those moments has helped build Riverside #643.

This year makes the milestone even more meaningful as we celebrate 125 years of Riverside Elks Lodge #643 and 70 years at our home at 6166 Brockton Avenue. Imagine the generations of Elks who have walked through these doors over the years. What would those members think if they could walk into the Lodge today and see more than 1,000 members carrying forward what they helped build.

I think they would be proud.

But reaching 1,000 members isn't the finish line.

With growth comes opportunity and responsibility. Having more than 1,000 members means more ideas, more friendships, more volunteers and a greater ability to serve our veterans, our youth and our community. It also means making sure that the newest members who walk through our doors feel every bit as welcome and valued as the member who has called #643 home for decades.

Membership isn't simply about putting another name on the roster. It's about giving people a reason to come back, become involved and eventually invite someone else to become part of what they've found here.

From 414 members in 2016 to 1,015 today, Riverside Lodge #643 has come a long way.

Where we go from here is up to all of us.

Thank you to everyone - past and present- who helped us reach this incredible milestone. Here's to the next chapter of Riverside #643 and to continuing to prove what we've known all along:

Stronger Together.

With Gratitude,

Julie

FROM YOUR LEADING KNIGHT

Do you know a kid who will be age 8–13 as of April 1, 2027? A grandchild, neighbor, niece, nephew, friend—or maybe that kid who is always shooting baskets in the driveway? **Get them to the Hoop Shoot!**

The Elks Hoop Shoot is much more than a free-throw contest. It can be the beginning of a journey that gives kids experiences, friendships, recognition, and opportunities they may never have imagined. Just ask **Jacobi Lafferty**. Jacobi made it to the National Finals in 2015 in the 8 & 9-year-old boys division. Two years later, in 2017, he returned and became the **National Champion in the 10 & 11-year-old boys division!** During his Hoop Shoot years, Jacobi and his family received travel assistance to contests outside their local area, and his name is now permanently inscribed in the **National Basketball Hall of Fame**. But Jacobi's Hoop Shoot story didn't end there. In 2023, he received a **Legacy Scholarship** toward his four-year college degree program—an opportunity he learned about through his involvement with the Hoop Shoot. And now, in 2026, Jacobi has come full circle as a member of the **Hoop Shoot Alumni Advisory Board, known as “The Backboard.”** As a Backboard member, he will serve at the National Finals as a volunteer, leader, and role model for the 72 young athletes who make it that far.

And we don't have to look far from home to find Hoop Shoot stories. **One of our own newer members, Randy Webb, is a Hoop Shoot veteran himself.** Growing up in Ohio, Randy competed in the Martins Ferry Lodge #895 Hoop Shoot for multiple years. Now, years later, we're lucky Randy has become a member of **Riverside Elks Lodge #643**—and even luckier that he's bringing his experience back to our program. Randy will be helping with our upcoming Hoop Shoots, giving our local kids their shot.

And then there's **Kyla Lea**, who represented **Riverside Elks Lodge #643 at the 2022 National Finals** in the girls 10 & 11-year-old division. Kyla **won her division and became a National Champion!** Today, as a high school sophomore in Mission Hills, California, she's making a name for herself as a standout basketball player. Her journey is another reminder that the Hoop Shoot can be the beginning of something bigger.

Who knows where the next Hoop Shoot journey might lead? You may know a kid who could be the next Jacobi, Randy, or Kyla—or a kid who simply needs an opportunity to discover what they can do. **Don't let a child you know miss out because nobody told them about the Hoop Shoot.**

Our Riverside Elks Lodge #643 Hoop Shoot will be held **Saturday, October 24th**. Start practicing those free throws now! The Hoop Shoot is **nationwide and open to all kids** in the eligible age groups. **They do not have to be related to an Elk.** If a child you know doesn't live nearby, contact their local Elks Lodge or check **elks.org** to find a Hoop Shoot contest closer to home. And if you would like to volunteer at a Hoop Shoot, contact Tina Sydow at 951-992-9432.

Get them to the Hoop Shoot. You never know where that first free throw might take them!

Yours in service,

Saturday Prince

FROM YOUR LOYAL KNIGHT

Greetings Fellow Elks,

As we continue through the year, I have been thinking about what we want our lodge to represent not just today, but in the years ahead.

Every lodge has traditions, history, and ways of doing things that have been passed down through the years. Those traditions are important, but a strong lodge also continues to grow, listen, and look toward the future.

What is our vision for Riverside Elks Lodge #643? I believe that is a question we should all have an opportunity to consider.

Justice begins with listening and taking the time to hear one another. When we listen, we better understand different experiences, ideas, and concerns. That understanding can help us make thoughtful decisions and find ways to move forward together.

Our lodge belongs to all of us. Longtime members bring valuable experience, while newer members may see opportunities that others have not considered. **Both perspectives are important, and every member has something to contribute.**

Your Voice Matters and All meetings are open to members

You do not have to hold an office or serve on a committee to attend any of the meetings listed on our monthly calendar. You are welcome to attend simply to listen, learn, or to share a concern or an idea. **There is no pressure to take on a position or responsibility, simply being present and having a voice is meaningful.**

As we look ahead, I would like to hear from you:

- What would you like to see more of at our lodge?
- What could we do differently?
- What activities could bring members together?
- How can we better welcome newer members?
- What ideas do you have for strengthening our Veterans, Youth, and community programs?
- What would make you want to spend more time at the lodge?

Not every idea will be possible or work for everyone, but that should never keep us from listening.

Sometimes a simple idea can lead to a great opportunity or help us see things from a different perspective. **Let's continue to listen, learn, and build our lodge together.**

Fraternally,

Tina Sydow

FROM YOUR LECTURING KNIGHT BROTHERLY LOVE

🍂 Fall Into Elkdome! 🍂

Greetings Brothers and Sisters in Elkdome,

October is here, bringing cooler evenings, pumpkins, Halloween fun and plenty happening in Elkdome—including the always-anticipated Elks Rally in Hemet!

But whether you're heading to the Rally, attending an event at our Lodge, volunteering in the community or simply stopping by to enjoy some fellowship, have you ever thought about how much goes on behind the scenes to make it all happen?

There is so much more to Elkdome than what we see when we walk through the Lodge doors.

Throughout our Lodge, members are working to serve our Veterans; support our youth through Hoop Shoot, Drug Awareness, Scholarships and other youth programs; provide hoodies, backpacks and dictionaries to local children; promote Americanism; organize weekly Bingo that helps raise funds for charitable causes; plan activities that bring us together; strengthen relationships within our community; and share the story of Elkdome through public relations and social media.

And behind all of it are our volunteers.

Someone plans the event. Someone shops, cooks, decorates, serves, takes pictures, creates a flyer, makes a phone call, welcomes a Veteran, helps a child, reaches out to our community, cleans up afterward—or simply asks, “How can I help?”

That's the real treat of Elkdome: there is a place for everyone.

This fall, I challenge you to try something new. Attend an activity you've never attended. Volunteer for an hour. Join a committee. Introduce yourself to a new member. Or ask one of our officers or committee chairs where an extra pair of hands is needed.

You don't have to do everything. Just find the part of Elkdome that speaks to you and get involved.

You never know—you might discover a whole new side of Elkdome.

No tricks required! 🍂

Fraternally,

Pam Elias

# A JOURNEY of REMEMBRANCE

*Submitted by Tina Sydow on behalf of the Veterans Committee*

Riverside Elks Lodge #643 is proud to recognize **two of our own veterans, Randy Rouse and George Swift**, who were selected to participate in an **Honor Flight to Washington, D.C.** on September 25, 2026. Their journey concluded with a special Homecoming Celebration on Sunday, September 27.

An Honor Flight is a special journey to remember, it takes American Veterans to **Washington, D.C., to visit the memorials built in their honor.** Veterans travel at no cost and are accompanied by guardians and volunteers. During their trip, Randy and George had the opportunity to visit memorials including those dedicated to World War II, Korea, Vietnam, Arlington National Cemetery, Marine Corps War Memorial, and others sites. These visits provide veterans with a chance to reflect on their years of service, remember friends and fellow service members, and see the gratitude of a nation they helped protect.

For many veterans, an Honor Flight is more than a trip, it can be a long-awaited opportunity to receive the recognition and appreciation they deserve. Along the way, veterans are welcomed and thanked by volunteers, fellow veterans, and members of the public.

One of the most touching Honor Flight traditions is **Mail Call**, a surprise that recreates the experience many veterans remember from their military service. As the veterans begin their journey home, the announcement of "Mail Call" brings back memories of receiving letters from family and friends while serving far from home. Each veteran receives a collection of personal messages expressing appreciation and gratitude for their service.

Members of **Riverside Elks Lodge #643**, along with other members throughout our district, took part in this special tradition by writing personal messages and words of appreciation in a **personalized journal for Randy and George.** As they traveled home after visiting the memorials, they had the opportunity to read these heartfelt messages from their fellow Elks. Each page was a reminder that their service is remembered, valued, and appreciated by their Lodge family. **We are honored to celebrate this special journey with Randy and George and grateful for the years they dedicated to serving our country.**

# SCHOLARSHIPS

October is the time when our area high school seniors are already thinking about their futures and their college choices.

For our Elks National Foundation MVS scholarship competition, I've been sending out emails and flyers to all our local high schools - any student can apply through our lodge. We have six weeks until the deadline of November 12.

Thanks so much to Ray Allala and Sherry Andrews, who gave me two high schools for outreach that we haven't contacted before!

And for our Lodge members, here's the link for Legacy Scholarships, which are great!

**The 2027 Legacy Awards contest opened on September 1!** Exclusive to high school seniors who are the children or grandchildren of dues-paying Elks, these \$6,000 scholarships give students the opportunity to continue their Elks family legacy while making their own mark in the #ElksFamily. For eligibility requirements and other important details visit [enf.elks.org/Leg](https://enf.elks.org/Leg)!

## Elks Rally

The Elks Rally is a fabulous 3-day fundraising event for the Purple Pig, raising money for children with special needs. Last year we raised over \$101,000.00. The dates are October 8th – 11th at Golden Village Palms RV Resort in Hemet. You can camp, stay at a hotel or come for the day. Check out “Elksrally.org” for the daily schedule of events, they will be posted in the near future. Our Kamper Klub helped our lodge become the number one lodge, donating over \$15,000.00 last year with their hard work before and during the Elks Rally. Chris Johnson, Kamper Klub Treasurer and Karen Holte, Kamper Klub Secretary, have been instrumental in our success along with many other Kamper Klub members.
