Dear Fellow ELKS,

I am happy to report that the roof repairs will soon be underway if they are not already. I want to thank Mike Klapec and past members for their efforts that contributed

greatly to the funds we needed today. I also want to thank our members who donated their money towards the roof fund as well as all of our volunteers and PERs that have worked hard on fundraising to get us to this point. I also want to thank LaWayne Bennett for overseeing this project and all of the work he has put into securing bids, contracts and keeping this project on track. This is no

small project and probably one of the largest financial purchases we have made in years. Due to our collective efforts, the money that has been raised will help to offset the amount we have to use from our savings and we will still be in pretty good shape. We will not be touching our main bank account and we do not have to take out a loan. The money we get from

Dear Elks Members,

Thank you to everyone who is volunteering at the lodge. Your contributions are greatly appreciated. The lounge remodel

is nearing completion and it is looking excellent. We have a full schedule for July with all the Thursday and Friday guest chef nights booked. If you are interested in being a guest chef, please contact me as we welcome guest chefs any day of the week.

Several members have inquired about using the grill in the backyard. Yes, you are permitted to use it. If you would like to come out on a Saturday (or any day without a guest chef) to barbeque, please feel

free to utilize all the facilities the lodge offers. As members, you are entitled to use the lodge.

We are also seeking entertainment for the lounge on guest chef nights. If you know of any reasonably priced bands or performers, please contact me. Thank you again to all the volunteers and donors for their support of our lodge.

Sincerely,
Jessica Myers

THANK YOU!

Elks showed heart, made 2024-25 a special year

Happy Independence Day, the Fourth of July. We live in the greatest country on the face of the earth. We, as proud Elks, want to uphold the virtues of Charity, Justice, Brotherly Love, and Fidelity in order to honor our great nation.

This is the perfect time for me to reflect on this amazing year of travel to meet all of you. We could never in our wildest dreams have thought that we would have this great honor. We want to thank each and every one of you for your love, hospitality, and support in fulfilling our year as Grand Exalted Ruler and First Lady.

It was easy to stay enthused by visiting each unique state convention. But there truly was a common

bond in all of our visits: Heart.

Everyone has to serve others to show what the Benevolent and Protective Order of Elks are truly about. You are the reason we are 800,000 Members strong. You are the reason that we have more than 1,800 successful Lodges. You are

the reason that we are the greatest charitable organization in the United States of America. We are strong, mighty, and blessed to be citizens in our great country, and I want to express my gratitude for your service to others.

We would like to thank our family. We truly missed them during our travels, but they were always gracious and encouraging when we missed special events. We are so thankful for having such a loving family.

God bless our family, the Elks, and God bless the United States of America. I believe that my motto, "Elkdom's Heart for America" will live on for many years to come. Remember we are 157 years young!

fundraisers, the morning Pilates group, hall rentals and donations will go right back into our savings account so that we can get it back to where it is now. With that said, there are other projects that need to be done as well and we are continuing our efforts to get them done one project at a time. Your patience is appreciated. I want to thank Roy Medina for maintaining our yard and the time and effort he puts into it. I also want to mention that Forrest Lanmon, aside from his duties as Sweet Heart has been helping out repairing and fixing the chairs in the lodge and his time is also greatly appreciat-

ed. We celebrated Flag Day and Father's Day last month and I want to also recognize the boy scouts for their service and patriotism. Well done, Scouts!! Last and certainly not least I also want to thank PER and House Committee Chair Jessica Myers for her efforts in fixing up the lodge, making sure our kitchen is in tip top shape and motivating our staff members and the great job that they are doing as well. She already has guest chefs lined up for July and is looking for volunteers in August.

Fraternally,
Ted Figueroa / ER
