

Dear Elks Members,

Our tennis courts have become more popular lately (perhaps due to the recent renovations), which is great! We love seeing people out there using them for both tennis and pickleball!

In an effort to add some organization/structure around the use of these courts we are rolling out an online reservation system using SignUpGenius. This will allow members to reserve a court (or courts) for certain periods of time and also make others aware when they are in use, so people (ideally) won't show up and have to wait around too long for an open court.

This will also allow us to be aware of the times in which the tennis instructors are using the courts for lessons or their summer camps (starting shortly). We will also be able to make people aware of any "open court" times that are scheduled for all members to come out and play in a casual format and get to meet other Elks members/players.

The SignUpGenius format allows us to schedule two weeks of activity so a new schedule will be rolled out every two weeks and a link will be posted/available in the Tennis section of our Lodge 1991 Home page (elks.org), see below.

## Lodge Facilities

### **Emerald Hills Golf Course**

*"Toughest 9-hole Course in Northern California"*

Emerald Hills Golf Course is located in the hills of Redwood City. Our beautiful par 3, 9-hole course is ideal for your short game practice. Most of your shots will be uphill or downhill, so you must chose your club wisely. Although we are the "Toughest 9-hole Course in Northern California", hole #6 has the most hole-in-ones in Northern California. Hole #6 is downhill 120 yards, with a bowl like green, which gives you a perfect opportunity for your ace. We have two practice greens and a mid-sized practice cage, perfect for warming up. Our Pro Shop offers sodas, snacks, and "the coldest beer in town".

If you scroll down, you can find the Tennis section (see below)

## Tennis Courts/Pickleball

We have two newly repaired and resurfaced tennis courts, with additional striping for pickleball. Check-in at the ProShop, show your valid Redwood City Elks membership/spouse card to get the key to the courts. You will be asked to leave your drivers license or credit card to get the key. The courts are for members, spouses, and their guests... the courts are not for public use.

Tennis camps for kids and lessons are available for players of all ages. Contact Ed Adams or Cici Louie @ 714-767-2549 or 714-381-7953.

We have also created a new E-mail address to field questions about use of the courts, to hear feedback/suggestions and to help organize a distribution list for (potential) future events/tournaments and other communications. This new E-mail address is 'courts@elks1991.org'.

As with anything new, there will be some learnings with these things, but we ask that you bear with us during these growing pains. This is your Lodge, and we look forward to input from all involved who want to make the use of our courts a smoother and more organized operation.

Thank you,

Elks Lodge Court Committee
