Tip of the Antler

Tip of the Antler to ... Madison Conti, Michele DuBrey, Laura Zeigler and all the volunteers for their hard work and dedication to make sure the families and children in need this holiday season have a very Merry Christmas

Exalted Ruler's Message

Hello all! Hope everyone had a great Christmas Holiday and enjoyed time with family and friends. I would like to thank everyone who participated in our adopt a family this year with your help it was a huge success, our Toys for Tot's boxes, yes we had 2 of them were overfilled with toys. Thank You!! Our members are the true meaning of the Christmas spirit.

With the New Year starting I would like to wish everyone a happy 2024. May the New Year bring you joy and happiness.

I assume everybody is a little tired with all their holiday running around but as usual we never slow down at the lodge, there is still plenty going on. On the 20th there will be Steve Eddy's "World Famous Prime Rib", from what I understand there is already 30+ signed up. So if you are interested make sure you contact the Lodge to reserve your spot as there is limited seating. On the 8th there will be Trivia Night, so grab some friends and put a team together and come down to the Lodge for a fun filled evening. Also who would like a Wing Night, reach out to us on Facebook and let us know if you are interested.

REMEMBER THOSE WHO SERVED

For the Order of Elks, veterans remembrance is a daily proposition. "So long as there are veterans, the Benevolent and Protective Order of Elks will never forget them."

Disaster Relief Committee: Meeting the challenge

By MANUEL C. RODRIGUEZ
Committee Member

Should a natural disaster hit your area, is your Lodge ready to assist those in need?

Does your Lodge have an active Disaster Relief Committee in place? In the nation's Midwest, South, Southeast and East Coast, these unforeseen acts of nature can hit when least expected, and we need to be ready to assist the victims.

Do you know of the Grand Lodge Disaster Relief Program?

While charitable organizations such as the Red Cross, United Way and Salvation Army provide immediate assistance to disaster victims, the Elks have to be ready to deal with the after effects. By joining forces with these first responders the Elks will be better able to perform whatever needs to be done to aid victims. This is where the Elks can show that "Elks care" about what happens in their community.

Along with winter's beauty comes weather-related catastrophes', and the Lodge's Disaster Relief Committee should be able to cope with these uncontrollable incidents. When massive snow storms occur, this is when your Lodge Disaster Relief Committee should respond.

Now is an opportune time to get in touch with the first responders in your community to see how the Elks can be of service. To obtain items such as clothing, first aid kits and water, a telephone committee could work together to start a collection.

Let's step up and show that the Elks care about what happens in our communities. By getting involved we can bridge the gap between our Lodges and our communities

Skillet veggie pizza features crispy crust

BY LINDA GASSENHEIMER
Tribune News Service

Pizza is always welcome in our house. This all-vegetable one is light and quick to make.

I like pizzas that have a crisp crust on the bottom. Making it in a skillet means I can bake it in the oven and finish it a few minutes on the stove. This makes sure the bottom is crispy, not soggy.

To get a fresh dough aroma, I use a ready-to-bake thin pizza crust such as Pillsbury pizza crust. You can also buy fresh pizza dough at your supermarket bakery counter.

Helpful Hints

- ◆ You can use any bottled pasta sauce.
- ◆ Use a skillet that can also be used in a hot oven.

Countdown

- ◆ Preheat oven to 450 degrees.

LINDA GASSENHEIMER/TRIBUNE NEWS SERVICE

- ◆ Prepare ingredients.
- ◆ Make pizza.

Shopping List

To buy: 1 ready-to-bake thin crust pizza dough (such as

Pillsbury), 1 bottle pizza sauce, 1 bottle dried oregano, 1 package shredded part-skim milk mozzarella cheese, 1 container sliced mushrooms, 1 green bell pepper

and 1 can vegetable oil spray. Staples: onion.

SKILLET PIZZA

Ingredients

- One ready-to-bake thin crust pizza dough
- 10-inch skillet
- Vegetable oil spray
- 1 cup bottled pizza sauce
- 1 teaspoon dried oregano
- 1 1/2-cups shredded part-skim milk mozzarella cheese
- 1/2 cup sliced mushrooms
- 1 green bell pepper cut into 2-inch pieces (to make 1/2 cup)
- 1/2 cup sliced onion

Steps

Preheat oven to 450 degrees Fahrenheit. Spread dough out on a countertop. Cut out a 10-inch circle. Wrap the rest and refrigerate for another meal.

Spray the skillet with vegetable oil spray. Add the 10-inch

dough to the skillet and using your fingers gently spread it out to the rim of the skillet. Spread the pizza sauce evenly over the dough. Sprinkle the mozzarella cheese on top. Add the sliced mushrooms, green bell pepper and onion, making sure they are all evenly distributed. Place the skillet in the oven and bake 15 minutes.

Take a look after 10 minutes to make sure the edge of the dough is turning brown and not burning. (If it is, remove skillet to the stove.) Then continue to bake another 5 minutes. Using an oven glove, remove the skillet to your stovetop. Check the bottom of the crust by gently lifting it with a spatula. If it isn't golden brown, place the skillet on a lighted burner and cook 1 to 2 minutes to make a crisp bottom.

Yields 2 servings.

Strive for delinquencies of 5 percent or fewer

by Rick Gathen, Membership/Public Relations Manager

Please continue to keep your Lodge focused on billing, collections and posting payments. Do all you can to retain our Members. Make your goal 5 percent or lower for delinquency.

Dropping Members for not paying their dues will not help your Lodge. And, when you consider that a Lodge cannot survive for long when it does not collect its dues revenue, dropping Members for not paying their dues will not help the Order either.

Please call or visit every delinquent Member immediately. The delinquency situation can be promptly reversed in your Lodge with hard work and determination.

Great goals require great effort.

Now is the time to work even harder with our

(Continued on page 5)

We use constant contact as a means of keeping our members up to date on all of the activities that are happening at the lodge. So far Deb and I are the only ones that send out our messages. With Patty and I spending more time in Florida I would like to teach a few more members how to use it. No prior computer knowledge is necessary. Contact me if you would like more information.

pddjohnp@gmail.com

Our sgelks.org website posts pictures and information about many of our activities. Again, I think we need one or two members trained to add info to our website. Some computer knowledge is helpful but not necessary. A couple hours of training and you will be a pro. Contact me at pddjohnp@gmail.com

ENF Grants update

Our grant money has all been spent! Our Adopt a family was a huge success. More about that in another note.

We have dictionaries to distribute and will get them out to the schools later in January. Watch your email and social media posts for details on preparing the dictionaries and getting them distributed.

All final reports are almost complete and will be submitted. Thank you to everyone for participating in our grant projects. We can apply for the funds but it is Elk members that see it come true.

We continue to participate in the City Mission weekend back pack program and packing of the food bags for local kids to have for a weekend. Thank you to those who have volunteered to help with this, especially while I was not able to do it. Your participation is very much appreciated.

We donated funds to Things of My Very Own who were especially strapped this year with assisting many families in crisis. We also donated Toys to the City Mission for their Christmas Toy Program. Your generosity of time, talent and treasure in all of our Holiday Giving was beyond words. A simple Thank You does not seem like enough.

Our donations to Elks National Foundation make our grants possible and our lodge was able to obtain \$10,000 in grant funds for the

2023 - 24 year. All of this requires proposed projects, budgeting and final reporting as well as Elk member participation. If you are interested in joining the Fidelity club, for just \$5 a month, see me for details on how. We need 6 more members to join in order to get another \$500 in grant money.

Our Legacy to the Future

In 1928, one man's dream became a reality for all Elks and the communities we serve. Then-National President John F. Malley envisioned a plan that would "unite the forces of the Order into a mighty army for the service of mankind." During the annual Grand Lodge Convention in Miami that year, Malley's call to service inspired delegates to take action by voting to establish the Elks National Foundation with an initial \$100,000 grant.

More than 90 years after Malley shared his vision with the Order, the ENF continues to unite all Elks in service to their communities.

Our Mission

The mission of the ENF is to help Elks build stronger communities. We fulfill this pledge by investing in communities where Elks live and work. We help youth develop lifelong skills, send students to college, meet the needs of today's veterans, support the charitable work of the state Elks associations, and fund projects that improve the quality of life in local Elks communities.

Yes, I want to join the ENF Fidelity Club!

Why were birthdays originally celebrated?

Not much is known about the first birthday celebrations in history, in part because they are very ancient. The earliest ones we know about were for nobles, in which the celebration played a performative social function that celebrated the noble as a leader.
